The Orgy:

After the Orgy Dominic Pettman, 2012-02-01 Applying Jean Baudrillard's question 'What are you doing after the orgy' to the postmillennial climate that informs our contemporary cultural moment, this book argues that the imagination of apocalyptic endings has been an obsessive theme in post-Enlightenment culture. Dominic Pettman identifies and examines the dynamic tensions of various apocalyptic discourses from the *fin de siècle* decadents of the 1890s to the *fin de millennium* cyberpunks of the 1990s in order to highlight the complex constellation of exhaustion, anticipation, panic, and ecstasy in contemporary culture. Through analyses of rapturous cults, cyberpunk literature, post-apocalyptic cinema, techno-paganism, death fashion, and the Y2K prophecy, *After the Orgy* explores why the twentieth century swung so violently between the poles of anticipation and anticlimax. In the process, the book raises pressing questions concerning the relevance of such ideas in our new millennium and points out alternatives to the monotonous horror of traditional narratives.

Wallflower at the Orgy Nora Ephron, 2011-06-01 A bitingly funny, provocative, and revealing look at our foibles, passions, and pastimes from one of the most creative minds of our time, Nora Ephron can write about anything better than anybody else can write about anything. *The New York Times*. From her Academy Award-nominated screenplays to her bestselling fiction and essays, Nora Ephron is one of America's most gifted, prolific, and versatile writers. In this classic collection of magazine articles, Ephron does what she does best: embrace American culture with love, cynicism, and unmatched wit. From tracking down the beginnings of the self-help movement to dressing down the fashion world's most powerful publication to capturing a glimpse of a legendary movie in the making, these timeless pieces tap into our enduring obsessions with celebrity, food, romance, clothes, entertainment, and sex. Whether casting her ingenious eye on renowned director Mike Nichols, *Cosmopolitan* magazine founder Helen Gurley Brown, or herself as she chronicles her own beauty makeover, Ephron deftly weaves her journalistic skill with the intimate style of an essayist and the incomparable talent of a great storyteller.

Maestro. Jean Baudrillard. The Last Prophet of Europe Dr. Oleg Maltsev, Jean Baudrillard is characterized as the Last Prophet of Europe not just because he was a prominent thinker, French philosopher, and author of more than 50 works and essays that examine modern consumer society in depth. Events and phenomena described by Baudrillard in his works 20-30 years ago are taking place today. By means of his writings, he described his view of the world and explained why people and society are the way they are. He encrypted in his works a system that allows for making accurate prognosis. There was no book until this that could have demonstrated the integral system of Baudrillard's philosophy. Baudrillard did not share it with anybody and did not describe it explicitly as a whole. Figuratively speaking, he deconstructed his system into bricks; his writings then built a building out of them, numbered each brick, and dismantled the building and burned the schemes. In the book *Baudrillard Maestro: The Last Prophet of Europe*, Oleg Maltsev thoroughly analyzes each brick and constructs Baudrillard's system, presenting to readers for the first time a complete model, the tools used by Baudrillard, and his philosophy. Throughout the 16 chapters of this book, the author looks

into all kinds of subjects raised by Baudrillard with practical examples among which the masses the kingdom of the blind the silent majority perfect crime European mysticism the symbolic system and many other phenomena are examined from the viewpoint of the scholar The author also shares his research results based on the philosophy and sociology of Baudrillard Dr Maltsev then examines Jean Baudrillard's works some of which had been translated into Russian for the first time his photographic pieces and interviews people who personally knew Baudrillard his critics and fellow researchers This work is a practical book for modern people who want to have an objective view of the current state of affairs and take responsibility for their present and future It provides an idea for the use of the philosophy sociology and radical anthropology of Baudrillard as the foundation of personal achievement efficiency and safety in such unstable and uncertain conditions of a constantly changing environment
