Archaeology and History ,1987 **The Battles of the Somme, 1916** Fred R. van Hartesveldt,1996-05-30 The 1916
Anglo French offensive comprising the battles of the Somme marked a change in the Allies relationships with the British
beginning to play a more important role From contemporaries to the present the Somme has also produced a number of
controversies This book shows the current state of historians interpretations of the Somme The initial section presents the
historical background of the offensive lays out the major interpretative disputes and identifies the scholars and works in each
school of thought The second section provides a bibliography of more than 700 entries The initial section of the book
presents the historical background of the offensive and lays out the major interpretative disputes about it The section
identifies scholars and works in each school of thought enables readers to determine where a specific work fits in the
spectrum of views and provides cross references to the bibliography The second section provides an annotated bibliography
of more than 700 entries **Oxford Textbook of Clinical Nephrology Volume 1** Alex M. Davison,2005 Authoritative well
written and comprehensive textbook of clinical nephrology combining the clinical aspects of renal disease important for daily
clinical practice while giving extensive information about the underlying basic science and current evidence available This
new edition highlights the numerous changes in clinical management that have arisen as a result of recently concluded
clinical trials and there are now specific formal guidelines for optimal treatment of patients Each section of the textbook has
been critically and comprehensively edited under the auspices of one of the leading experts in the field The emphasis
throughout is on marrying advances in scientific research with clinical managment Where possible treatment algorithms are
included to aid patient care *Oxford Textbook of Clinical Nephrology Volume 2* Alex M. Davison,2005 Authoritative well
