The Origins Of Capitalism In Russia:

The Origins of Capitalism in Russia Joseph T. Fuhrmann,1972 The origins of capitalism in Russia. Industry and progress in the sixteenth and seventeenth centuries Joseph T. Fuhrmann,1972 Entrepreneurship in Imperial Russia and the Soviet Union Gregory Guroff,Fred V. Carstensen,2014-07-14 This multidisciplinary study of entrepreneurship in Russian society from the sixteenth to the twentieth century demonstrates the crucial influence of central government on economic initiative Originally published in 1983 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 The Military and Society in Russia, 1450-1917 Eric Lohr,Marshall Poe,2002-11-01 This book explores the interaction of the Russian military and society in the early modern and modern period In contrast to straightforward military histories the volume is concerned with the myriad political economic and cultural currents that shaped the Russian armed forces from their beginnings in Muscovite times to the end of World War I The book begins with an attempt by the editors to provide a large frame in which to place the various contributions What follows are three topical sections including 22 detailed often archival based monographic articles The first section concerns The Military and Society in Muscovy the second section focuses on The Military and Society in Imperial Russia The third part analyzes Patriotism Nationality Religion and the Military **Foreign Entrepreneurs and the Origins of Capitalism in Russia** Joseph T. Fuhrmann,1968 **A History of Russia** Bernard Pares,1926 **A Social History Of Imperial Russia, 1700-1917, Volume I** Boris N. Mironov,Ben Eklof,2000 A Social History of Imperial Russia is the first general synthesis of Russian social history from Peter the Great to the October Revolution of 1917 Boris Mironov begins with background information on pre Petrine Russia and then focuses on the crucial events of the eighteenth and nineteenth centuries He demonstrates how social events in this period including the creation of a modernized autocratic state the abolition of serfdom increasing urbanization and the first stirrings of capitalism played out in the Revolution and beyond Foreign Entrepreneurs and the Origins of Capitalism in Russia Joseph T. Fuhrmann,1900 *Foreign Entrepreneurs and the Origins of Capitalism in Russia* Joseph T. Fuhrmann,1968 **Marx and Russia** James D. White,2018-09-06 Marx and Russia is a chronological account of the evolution of Marxist thought from the publication of Das Kapital in Russian translation to the suppression of independent ideological currents by Stalin at the end of the 1920s The book demonstrates the progressive emergence of different schools of Marxist thinking in the revolutionary era in Russia Starting from Marx s own connections with Russian revolutionaries and scholars James D White examines the contributions of such figures as Sieber Plekhanov Lenin Bogdanov Trotsky Bukharin and Stalin to Marxist ideology in Russia Using primary

documents biographical sketches and a helpful timeline the book provides a useful guide for students to orientate themselves among the various Marxist ideologies which they encounter in modern Russian history White also incorporates valuable new research for Russian history specialists in a vital volume for anyone interested in the history of Marxism Soviet history and the history of Russia across the modern period *Urban Networks in Russia, 1750-1800, and Pre-modern Periodization*

Gilbert Rozman,2015-03-08 This book takes an entirely new approach to the evolution of cities and of societies in premodern periods Refining the theory advanced in his earlier study of China and Japan Gilbert Rozman examines the development of Russia over several centuries with emphasis on the period immediately preceding the Industrial Revolution He makes possible comparison of urbanization in five countries including England and France as well as Russia and develops a systematic framework for analyzing cities of varying size Originally published in 1976 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 *The Industrialization of Russia* William L. Blackwell,1982 *Russia, Ukraine and Contemporary Imperialism* Boris

Kagarlitsky,Radhika Desai,Alan Freeman,2019-05-17 This book is a unique contribution to scholarship on the sources of the conflict in Ukraine The volume brings together writers from Russia Ukraine Canada the United States Europe and Australia many of whom attended a gathering of scholars and activists from all over Ukraine held in Yalta Crimea just after the conflict in Eastern Ukraine erupted Challenging both the demonization of Russia which has become standard for Western writing on the topic and the simplistic discourse of official Russian sources this book scrutinises the events of the conflict and the motives of the agents bringing to the fore the underlying causes of the most critical flashpoints of the post Soviet world order This volume offers a refreshing profound perspective on the Ukraine conflict and will be an indispensable source for any student or researcher This book was originally published as a special issue of the journal International Critical Thought

M.N. Pokrovskii and the Origins of Soviet Historiography James D. White,2024-07-08 Focusing on the career of the Soviet historian M N Pokrovskii the author examines the evolution of historical writing in the first decade of Soviet rule As Deputy People's Commissar for Education Pokrovskii was among those who established the academic institutions of the new regime The study of Pokrovskii's writings and the political context in which they were conceived helps explain the origin of interpretations of modern Russian history current in Soviet times The book can for that reason be regarded as a preliminary to the study of the Russian revolutionary era and a key to the critical evaluation of the historical sources for the period

Russia, America, the Bomb and the Fall of Western Europe Brian May,2024-01-01 First published in 1984 *Russia America the Bomb and the Fall of Western Europe* offers a dual approach to unilateral nuclear disarmament While it

systematically analyzes and rejects stock arguments for retaining nuclear weapons from the supposed threat of Soviet invasion to fears of Finlandization and the loss of mineral resources it examines the issue within the context of Western Europe's historic fall This is described with the help from Arnold Toynbee Plato and Marx Brian May argues that if West European civilization is to survive it must find the moral strength to stand on its own feet make its own accommodation with the USSR and abandon dependence on its offshoot on the other side of the Atlantic whose policies could lead to its destruction This book will be of interest to students of geopolitics international relations security studies and history

Russian/Soviet Studies in the United States, Amerikanistika in Russia Ivan Kurilla, Victoria I. Zhuravleva, 2015-12-09 The contributors in this interdisciplinary collection address the problem of interconnection between the study of the Other either Russian or American and the shaping of national identities in the two countries at different stages of US Russian relations The focus of research interests were typically determined by the political and social debates in scholars' native countries In this book leading Russian and American scholars analyze the problems arising from these intersections of academic political and sociocultural contexts and the implicit biases they entail The book is divided into two parts the first being a historical overview of past configurations of the interrelationship between fields and agendas and the second covering the role of institutionalized area studies in the twentieth and early twenty-first centuries In both parts the role of the human factor in the study of mutual representations is elucidating
