The Origins Of Fascism In Italy:

The Origins of Fascism in Italy Gaetano Salvemini, 1973 **Italian Fascism** Alexander J. De Grand, 2000-01-01 For the third edition De Grand has substantially revised the discussion of culture and ideology the conclusion and the bibliography BOOK JACKET *The History of Italy* Charles L. Killinger, 2024-12-26 Explore the arts culture and history of Italy Famous for the Colosseum in Rome the canals of Venice the renowned fashion houses of Milan and the beauty of the Tuscan countryside Italy is a vibrant tapestry of ancient landmarks and modern industry In the 21st century Italian history has been shaped by the transformative political influence of media mogul Silvio Berlusconi who served multiple terms as prime minister as well as migrant crises a series of natural disasters and the rise of populism culminating in the 2022 election of Giorgia Meloni the first woman to lead Italy as prime minister This second edition of *The History of Italy* provides readers with an accessible and comprehensive introduction to the long and ever evolving history of Italy and its people

Giuseppe Mazzini and the Origins of Fascism Simon Levis Sullam, 2015-10-21 This controversial and groundbreaking study proposes a compelling reinterpretation of the political thought of one Italy's founding fathers Giuseppe Mazzini 1805-1872 and in the process suggests a new approach to understanding the origins of fascist ideology **Rethinking the History of Italian Fascism** Giulia Albanese, 2022-03-10 In the last years the discussion around what is fascism if this concept can be applied to present forms of politics and if its seeds are still present today became central in the political debate This discussion led to a vast reconsideration of the meaning and the experience of fascism in Europe and is changing the ways in which scholars of different generations look at this political ideology and come back to it and it is also changing the ways in which we consider the experience of Italian fascism in the European and global context The aim of the book is building a general history of Fascism and its historiography through the analysis of 13 different fundamental aspects which were at the core of Fascist project or of Fascist practices during the regime Each essay considers a specific and meaningful aspect of the history of Italian fascism reflecting on it from the vantage point of a case study The essays thus reinterrogates the history of Fascism to understand in which way Fascism was able to mould the historical context in which it was born how and if it transformed political cultural social elements that were already present in Italy The themes considered are violence empire war politics economy religion culture but also antifascism and the impact of Fascism abroad especially in the Twenties and at the beginnings of the Thirties The book could be both used for a general public interested in the history of Europe in the interwar period and for an academic and scholarly public since the essays aim to develop a provocative reflection on their own area of research **The Jews in Fascist Italy: A History** Renzo De Felice, 2015-11-23 My aim was to explain in detail the facts surrounding Fascist anti-Semitism and the persecution of the Jews in Mussolini's Italy Too many people in Italy and elsewhere underestimate or deny the tragic fate of European Jewry and anti-Semitism between the two world wars A few short years ago anti-Semitism appeared defeated and reduced to a tiny group of fanatics But now it seems

to be regaining ground in its more political incarnation probably the most dangerous one because next to the religious social and economic varieties it is the most insidious of all The author occupies a central position among Italian historians specialized in modern Italy's political history He broke new ground by first publishing this book in 1961 having obtained special permission to consult the files in the Archives of the Italian Jewish Communities concerning the Fascist regime's persecution of the Jews in Italy from 1938 to 1945 The book's release coincided with the trial of Adolf Eichmann in Jerusalem that brought the Holocaust to the attention of other historians and to the world public The English translation of the final 1993 edition was supported by a grant from the Italian Ministry of Foreign Affairs This paperback and electronic book edition is published in association with the United States Holocaust Memorial Museum
