The Osborne Collection of Early Children's Books: 1476-1910 Osborne Collection of Early Children's Books, 1975 A catalogue of the Osborne Collection at Toronto Public Library which includes books manuscripts and illustrations The Osborne Collection of Early Children's Books: 1476-1910 Toronto Public Libraries. Boys and Girls Services, Judith St. John, 1975 The Osborne Collection of Early children's books A record of early English children's books in the Osborne Collection Boy and Girl House Toronto Public Libraries Transnational Books for Children 1750-1900 Charlotte Appel, Nina Christensen, M.O. Grenby, 2023-08-15 This is the first study to take a comprehensive look at transnational children's literature in the period before 1900 The chapters examine what we mean by children's literature in this period as well as what we mean by transnational in the context of children's culture They investigate who transmitted children's books across borders authors illustrators translators publishers teachers relatives readers through what networks the books were spread commercial religious colonial public familial and how the new local identities of imported texts were negotiated They ask which kinds of books were the most mobile and they consider what happens to texts when they migrate as well as what effects transnational dissemination had on individual readers and on societies and cultures more broadly Geographically the case studies gathered here range right across Europe from Dublin to St Petersburg then onto North America India and China They extend widely across the many genres and formats of children's reading from cheap print such as almanacs and ABCs to fairy tales and fables children's novels textbooks and beautifully illustrated gift books **International Companion** Encyclopedia of Children's Literature Peter Hunt, 2004-08-02 Children's publishing is a huge international industry and there is ever growing interest from researchers and students in the genre as cultural object of study and tool for education **Children's Literature** Francelia Butler,1983-07 Founded in 1972 and published by the Yale University and socialization Press since 1980 Children's Literature has established a reputation for serious analysis and interpretation covering all aspects of literature for children and adolescents and representing a wide variety of approaches Reference Sources for Canadian Literary Studies Joseph Jones, 2005-01-01 Reference Sources for Canadian Literary Studies offers the first full scale bibliography of writing on and in the field of Canadian literary studies Approximately one thousand annotated entries are arranged by reference genre with sub groupings related to literary genre Nineteenth-century women illustrators and cartoonists Joanna Devereux, 2023-05-16 Nineteenth century women illustrators and cartoonists provides an in depth analysis of fifteen women illustrators of the later nineteenth and early twentieth centuries Jemima Blackburn Eleanor Vere Boyle Marianne North Amelia Francis Howard Gibbon Mary Ellen Edwards Edith Hume Alice Barber Stephens Florence and Adelaide Claxton Marie Duval Amy Sawyer Eleanor Fortescue Brickdale Pamela Colman Smith and Olive Allen Biller The chapters consider these women s illustrations in the areas of natural history periodicals and books as well as their cartoons and caricatures Using diverse critical approaches the volume brings to light the works and lives of these important women

illustrators and challenges the hegemony of male illustrators and cartoonists in nineteenth century visual and print culture **Understanding Children's Literature** Peter Hunt, 2006-05-17 Edited by Peter Hunt a leading figure in the field this book introduces the study of children's literature addressing theoretical questions as well as the most relevant critical approaches to the discipline The fourteen chapters draw on insights from academic disciplines ranging from cultural and literary studies to education and psychology and include an essay on what writers for children think about their craft The result is a fascinating array of perspectives on key topics in children's literature as well as an introduction to such diverse concerns as literacy ideology stylistics feminism history culture and bibliotherapy An extensive general bibliography is complemented by lists of further reading for each chapter and a glossary defines critical and technical terms making the book accessible for those coming to the field or to a particular approach for the first time In this second edition there are four entirely new chapters contributors have revisited and revised or rewritten seven of the chapters to reflect new thinking while the remaining three are classic essays widely acknowledged to be definitive Understanding Children's Literature will not only be an invaluable guide for students of literature or education but it will also inform and enrich the practice of teachers and librarians Citizen Participation in Library Decision-making John Marshall, 1984 The unique experience of the Toronto Public Library 1974 1981 when reform politics at the municipal level initiated major changes in the library system Newly appointed Board members enlisted the aid of citizens in identifying unmet needs and exposing basic iniquities in the provision of library service Participation grew dramatically as citizens became involved at area and neighborhood levels The result a major turn around in the library s priorities. This book analyzes the experience from the points of view of 15 participants and close observers of the process academics politicians library workers and citizens of diverse backgrounds approaches and concerns Canadian Books for Young People/Livres canadiens pour la jeunesse, 3e Irma McDonough, 1980-12-15 This third completely revised edition contains hundreds of new entries for a total of almost 2 000 children's books and magazines carefully selected and described by a team of children's librarians Entries are arranged by subject with reading levels indicated where necessary and are also listed in a separate author title index A list of prize winning Canadian children's books and a basic book list for librarians teachers and parents are included in this charmingly **Four Centuries of Special Geography** O.F.G. Sitwell,2011-11-01 Geography as an academic illustrated volume discipline dates back to the last few decades of the nineteenth century However during the preceding centuries a large body of English language literature relevant to the field of special geography was published Four Centuries of Special Geography lists all the works published before 1888 and includes descriptions of each entry and notes on later editions Francis Sitwell has written an extensive introduction in which he provides a detailed guide to the organization and contents of the bibliography He also evaluates special geography as a genre which contributed to scholarly discourse from the sixteenth to the nineteenth centuries In addition he examines the genre as a whole and discusses its relation to the evolving world of

ideas during the same time period The result of several years of data gathering this book will be a valuable research tool for anyone seeking to examine aspects of the development of the field of geography in the years before it was defined as a distinct academic discipline It will also be useful to those whose research focuses on the acquisition and transmission of geographical knowledge prior to the twentieth century in particular on the place of geography in educational curricula

The Art of Children's Picture Books Sylvia S. Marantz, Kenneth A. Marantz, 2014-04-23 First Published in 1995 Routledge is an imprint of Taylor Francis an informa company Ways of Wisdom Jean E. Friedman, Glenna R. Schroeder-Lein, 2001 In Ways of Wisdom Jean Friedman traces how Jacob Mordecai and his family German American Orthodox Jews adopted the Anglo Irish enlightened pedagogical system developed by Richard Lovell Edgeworth and his daughter Maria In 1808 Mordecai founded the Warrenton Female Academy on the enlightened principles described in the Edgeworths guide Practical Education and he enlisted family members to teach and manage the school Rachel Mordecai inspired by her father's progressive methods initiated an Edgeworthian experiment in home education on her young stepsister Eliza Rachel's diary reproduced in full in Ways of Wisdom chronicles the moral instruction of Eliza While retaining the traditional didacticism of wisdom literature the diary also describes Eliza's resistance to enlightened discipline and method Friedman's case study bears particular importance for scholars as it qualifies and enriches our understanding of the American Enlightenment as an amalgam of religious and ethnic assumptions rather than a universal acceptance of Liberalism or Republicanism Ways of Wisdom also offers an illuminating reinterpretation of Republican Motherhood as a culturally diverse and politically complicated domestic paradigm **Library Association Record** Library Phaedrus ,1977 Association, 1976 Proceedings of the 22d 33d annual conference of the Library Association in v 1 12 proceedings of the 34th 44th 47th 57th annual conference issued as a supplement to v 13 23 new ser v 3 ser 4 v 1 AB Bookman's Yearbook ,1976 Fifteen Centuries of Children's Literature Jane M. Bingham, Grayce Scholt, Grayce Schott, 1980-12-19 This is a work of meticulous scholarship detailed in content succinct in style and format Each chapter covers a particular time period and opens with sections on historical background development of books and treatment of children Highly recommended for children's literature research and reference collections Library Journal **Subject Index to Children's Magazines** ,1974

Mother Goose Refigured Christine A. Jones, 2016-11-07 Mother Goose Refigured presents annotated translations of Charles Perrault s 1697 fairy tales that attend to the irony and ambiguity in the original French and provide a fresh take on heroines and heroes that have become household names in North America Charles Perrault published Histoires ou Contes du temps pass Stories or Tales of the Past in France in 1697 during what scholars call the first vogue of tales produced by learned French writers The genre that we now know so well was new and an uncommon kind of literature in the epic world of Louis XIV s court This inaugural collection of French fairy tales features characters like Sleeping Beauty Cinderella and Puss in Boots that over the course of the eighteenth century became icons of social history in France and abroad Translating the

original Histoires ou Contes means grappling not only with the strangeness of seventeenth century French but also with the ubiquity and familiarity of plots and heroines in their famous English personae From its very first translation in 1729 Histoires ou Contes has depended heavily on its English translations for the genesis of character names and enduring recognition This dependability makes new innovative translation challenging For example can Perrault s invented name Cendrillon be retranslated into anything other than Cinderella And what would happen to our understanding of the tale if it were Is it possible to sidestep the Anglophone tradition and view the seventeenth century French anew Why not leave Cinderella alone as she is deeply ingrained in cultural lore and beloved the way she is Such guestions inspired the translations of these tales in Mother Goose Refigured which aim to generate new critical interest in heroines and heroes that seem frozen in time The book offers introductory essays on the history of interpretation and translation before retranslating each of the Histoires ou Conteswith the aim to prove that if Perrault's is a classical frame of reference these tales nonetheless exhibit strikingly modern strategies Designed for scholars their classrooms and other adult readers of fairy tales Mother Goose Refigured promises to inspire new academic interpretations of the Mother Goose tales particularly among readers who do not have access to the original French and have relied for their critical inquiries on traditional renderings of Horn Book Index, 1924-1989 Serenna F. Day, 1990 A cumulation of the annual indexes of the Horn Book the tales magazine from 1924 through 1989
