

The Othello Of Shakespeares Audience

John Draper, John William Draper

The Othello Of Shakespeares Audience:

The Othello of Shakespeare's Audience John William Draper,1966 **The Othello of Shakespeare's Audience** J. W. Draper,1978 *Shakespeare's Audiences* Matteo Pangallo,Peter Kirwan,2021-03-28 Shakespeare wrote for a theater in which the audience was understood to be and at times invited to be active and participatory How have Shakespeare s audiences from the sixteenth century to the present responded to that invitation In what ways have consumers across different cultural contexts periods and platforms engaged with the performance of Shakespeare s plays What are some of the different approaches taken by scholars today in thinking about the role of Shakespeare s audiences and their relationship to performance The chapters in this collection use a variety of methods and approaches to explore the global history of audience experience of Shakespearean performance in theater film radio and digital media The approaches that these contributors take look at Shakespeare s audiences through a variety of lenses including theater history dramaturgy film studies fan studies popular culture and performance Together they provide both close studies of particular moments in the history of Shakespeare s audiences and a broader understanding of the various often complex connections between and among those audiences across the long history of Shakespearean performance *Shakespeare's Reading Audiences* Cyndia Susan Clegg,2017-06-26 This book asks what Shakespeare s contemporary audiences read and how their reading shaped their reception of his work **Hamlet of Shakespeare's Audience** John Draper,John William Draper,1966 First Published in 1967 Routledge is an imprint of Taylor Francis an informa company **Shakespeare: Actors and Audiences** Fiona Banks,2018-11-15 Shakespeare Actors and Audiences brings together the voices of those who make productions of Shakespeare come to life It shines a spotlight on the relationship between actors and audiences and explores the interplay that makes each performance unique We know much about theatre in Shakespeare s time but very little about the audiences who attended his plays Even today the audience s voice remains largely ignored This volume places the role of the audience at the centre of how we understand Shakespeare in performance Part One offers an overview of the best current audience research and provides a critical framework for the interviews and testimony of leading actors theatre makers and audience members that follow in Part Two including Juliet Stevenson and Emma Rice Shakespeare Actors and Audiences offers a fascinating insight into the world of theatre production and of the relationship between actor and audience that lies at the heart of theatre making Shakespeare and Immigration Ruben Espinosa,2016-04-01 Shakespeare and Immigration critically examines the vital role of immigrants and aliens in Shakespeare s drama and culture On the one hand the essays in this collection interrogate how the massive influx of immigrants during the reign of Queen Elizabeth I influenced perceptions of English identity and gave rise to anxieties about homeland security in early modern England On the other they shed light on how our current concerns surrounding immigration shape our perception of the role of the alien in Shakespeare s work and expand the texts in new and relevant directions for a contemporary audience The essays consider the immigrant

experience strangers and strangeness values of hospitality in relationship to the foreigner the idea of a host society religious refuge and refugees legal views of inclusion and exclusion structures of xenophobia and early modern homeland security In doing so this volume offers a variety of perspectives on the immigrant experience in Shakespearean drama and how the influential nature of the foreigner affects perceptions of community and identity and collection questions what is at stake in staging the anxieties and opportunities associated with foreigners Ultimately Shakespeare and Immigration offers the first sustained study of the significance of the immigrant and alien experience to our understanding of Shakespeare's work By presenting a compilation of views that address Shakespeare's attention to the role of the foreigner the volume constitutes a timely and relevant addition to studies of race ethics and identity in Shakespeare *Shakespeare and the Apocalypse* R M Christofides, 2012-06-14 By connecting Shakespeare's language to the stunning artwork that depicted the end of the world this study provides not only provides a new reading of Shakespeare but illustrates how apocalyptic art continues to influence popular culture today Drawing on extant examples of medieval imagery Roger Christofides uses poststructuralist and psychoanalytic accounts of how language works to shed new light on our understanding of Hamlet Othello Macbeth and King Lear He then links Shakespeare's dependence on his audience to appreciate the allusions made to the religious paintings to the present day For instance popular television series like Battlestar Galactica seminal horror movies such as An American Werewolf in London and Carrie and recent novels like Cormac McCarthy's The Road All draw on imagery that can be traced directly back to the depictions of the Doom an indication of the cultural power these vivid imaginings of the end of the world have in Shakespeare's day and now Political Shakespeare Stephen Orgel, Sean Keilen, 1999 Shakespeare has never been more ubiquitous not only on the stage and in academic writing but in film video and the popular press On television he advertises everything from cars to fast food His birthplace the tiny Warwickshire village of Stratford Upon Avon has been transformed into a theme park of staggering commercialism and the New Globe in its second season is already a far bigger business than the old Globe could ever have hoped to be If popular culture cannot do without Shakespeare continually reinventing him and reimagining his drama and his life neither can the critical and scholarly world for which Shakespeare has for more than two centuries served as the central text for analysis and explication the foundation of the western literary canon and the measure of literary excellence The Shakespeare the essays collected in these volumes reveal is fully as multifarious as the Shakespeare of theme parks movies and television Indeed it is part of the continuing reinvention of Shakespeare The essays are drawn for the most part from work done in the past three decades though a few essential enabling essays from an earlier period have been included They not only chart the directions taken by Shakespeare studies in the recent past but they serve to indicate the enormous and continuing vitality of the enterprise and the extent to which Shakespeare has become a metonym for literary and artistic endeavor generally **The Oxford Handbook of Shakespeare and Performance** James C. Bulman, 2017-11-16 The Oxford Handbooks to Shakespeare are designed to

record past and present investigations and renewed and revised judgments by both familiar and younger Shakespeare specialists Each of these volumes is edited by one or more internationally distinguished Shakespearians together they comprehensively survey the entire field Shakespearean performance criticism has firmly established itself as a discipline accessible to scholars and general readers alike And just as performances of the plays expand audiences understanding of how Shakespeare speaks to them so performance criticism is continually shifting the contours of the discipline The 36 contributions in this volume represent the most current approaches to Shakespeare in performance They are divided into four parts Part I explores how experimental modes of performance ensure Shakespeare's contemporaneity Part II tackles the burgeoning field of reception how and why audiences respond to performances as they do Part III addresses the ways in which technology has revolutionized our access to Shakespeare both through the mediums of film and sound recording and through digitalization Part IV grapples with global Shakespeare considering matters of cultural appropriation in productions played for international audiences Together these ground breaking essays attest to the richness and diversity of Shakespearean performance criticism as it is practiced today

Shakespeare's Mature Tragedies Bernard McElroy, 2014-07-14 Despite their diversity in tone and subject matter Shakespeare's four mature tragedies Hamlet Othello King Lear and Macbeth all have an essential experience in common Bernard McElroy defines this experience as the collapse of the subjective world of the tragic hero Originally published in 1973 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

The Cambridge Companion to Shakespeare and Religion Hannibal Hamlin, 2019-03-28 A wide ranging yet accessible investigation into the importance of religion in Shakespeare's works from a team of eminent international scholars

Shakespeare and Religion: Global Tapestry, Dramatic Perspectives Margie Burns, 2025-01-07 Twelve research articles deal with aspects of religion in the plays of William Shakespeare from early in the dramatist's career to the end Ordered by chronology two chapters focus on history plays three chapters focus on comedies and three on tragedies one deals with Troilus and Cressida and three chapters deal with the late romances The anthology does not cover all of Shakespeare's plays and collaborations or the lyric poems The collection is ecumenical and transnational While the contributors all recognize that Shakespeare wrote in a Renaissance Christian universe Christianity is not the only world religion dealt with Approaches involve history and philosophy as well as theology and individual perspectives vary One thing the collection makes clear is that religion in some sense operates in every Shakespearean work and its large spectrum ranges through plot and character from shallow to deep self interested to elevated bloody to harmonious Religion and religious differences were also part of the fabric and history of

the playwright's world manifesting in the plays in situation language and iconography From various perspectives a common denominator is that the authors approach aspects of religion as one element in an informed analysis of the works

Shakespeare Quarterly, 2004 *South Africa's Shakespeare and the Drama of Language and Identity* Adele Seeff, 2018-07-13 This volume considers the linguistic complexities associated with Shakespeare's presence in South Africa from 1801 to early twentieth century televisual adaptations of the texts as a means of exploring individual and collective forms of identity A case study approach demonstrates how Shakespeare's texts are available for ideologically driven linguistic programs Seeff introduces the African Theatre Cape Town in 1801 multilingual site of the first recorded performance of a Shakespeare play in Southern Africa where rival amateur theatrical groups performed in turn in English Dutch German and French Chapter 3 offers three vectors of a broadening Shakespeare diaspora in English Afrikaans and Setswana in the second half of the nineteenth century Chapter 4 analyses Andr Brink's *Kinkels innie Kabel* a transposition of Shakespeare's *The Comedy of Errors* into Kaaps as a radical critique of apartheid's obsession with linguistic and ethnic purity Chapter 5 investigates John Kani's performance of *Othello* as a Xhosa warrior chief with access to the ancient tradition of Xhosa storytellers Shakespeare in Mzansi a televisual miniseries uses black actors vernacular languages and local settings to Africanize *Macbeth* and reclaim a cross cultural multilingualism An Afterword assesses the future of Shakespeare in a post rainbow decolonizing South Africa Global Sha Any reader interested in Shakespeare Studies global Shakespeare Shakespeare in performance Shakespeare and appropriation Shakespeare and language Literacy Studies race and South African cultural history will be drawn to this book *The Complete Pelican Shakespeare* William Shakespeare, 2002-10-01 The perfect companion to enjoy the most profound stories of the human condition that Shakespeare has given us and that I have had the privilege to perform from *Othello* to *King Lear* James Earl Jones Here is an elegant and clear text for either study or the rehearsal room Sir Patrick Stewart This major new complete edition of Shakespeare's works combines accessibility with the latest scholarship and features a substantial introduction examining textual and literary historical issues before each play and poem collection The texts themselves have been scrupulously edited and are accompanied by same page notes and glossaries With *The Complete Pelican Shakespeare* discover the works of William Shakespeare as never before in this beautiful approachable collection of the Bard of Avon's most famous works Penguin Classics is the leading publisher of classic literature in the English speaking world representing a global bookshelf of the best works throughout history and across genres and disciplines Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up to date translations by award winning translators **Shakespeare Studies, Vol. XLIV (44)** James R. Siemon, Diana E. Henderson, 2016-09-30 *Shakespeare Studies* is an annual volume containing essays and studies by critics and cultural historians from around the world This issue features a forum on the work of Terence Hawkes In addition there are papers by five young scholars five new articles and

reviews of ten books *The Play of Paradox* Bryan Crockett, 2016-11-11 This book is a volume in the Penn Press Anniversary Collection To mark its 125th anniversary in 2015 the University of Pennsylvania Press rereleased more than 1 100 titles from Penn Press s distinguished backlist from 1899 1999 that had fallen out of print Spanning an entire century the Anniversary Collection offers peer reviewed scholarship in a wide range of subject areas *A New Variorum Edition of Shakespeare* William Shakespeare, 1886 **Literature and Fascination** Sibylle Baumbach, 2015-07-30 Exploring literary fascination as a key concept of aesthetic attraction this book illuminates the ways in which literary texts are designed presented and received Detailed case studies include texts by William Shakespeare S T Coleridge Mary Shelley Bram Stoker Oscar Wilde Joseph Conrad Don DeLillo and Ian McEwan
