The Other Face Of Opec Financial Assistance To The Third World:

The Other Face of OPEC Ibrahim F. I. Shihata, 1982 Monographic compilation of essays on economic aid granted by OPEC to developing countries with particular reference to an assessment of the role of Arab countries examines financing activities of the OPEC Fund development bank in relation to the North South dialogue trade and energy source development etc analyses Arab government policies concerning petroleum pricing and foreign investments and discusses the contribution of OPEC to increased food production and alleviation of world hunger Graphs and references **OPEC and the Third World** Shireen Hunter, 2019-07-05 Originally published in 1984 this book focuses principally on the use of foreign aid by the members of OPEC in the 1970s and demonstrates how the divisive elements both within OPEC and between OPEC and the rest of the developing world prevented OPEC from using aid to advance developing world objectives It explains why the OPEC countries failed to achieve the goals they set for themselves and will be of interest to all those concerned with the politics of the developing world development assistance Middle East regional economics and political and security issues

The Pattern of Aid Giving Eric Neumayer, 2003-04-24 Using econometric analysis the author examines factors that determine patterns of aid giving including aggregate aid flows aid from multilateral organisations and aid from bilateral donors such as Germany Japan the US and Arabia **The Darker Nations A Biography Of The Short-Lived Third World** Vijay Prashad, 2007 The Third World was not a place argues Vijay Prashad It was a project This book is a paradigm shifting history of both a utopian concept and global movement the idea of the Third World The Darker Nations traces the intellectual origins and the political history of the attempt to knit together the world's impoverished countries in opposition to the United States and Soviet spheres of influence in the decades following World War II as nation after nation across Asia Africa and South America gained political independence from colonial rule Traversing continents Vijay Prashad's fascinating narrative takes us from the birth of postcolonial nations after World War II to the downfall and corruption of nationalist regimes The Darker Nations restores to memory the vibrant though flawed idea of the Third World whose demise Prashad ultimately argues has produced a much impoverished international political arena Liber Amicorum Ibrahim F.I. Shihata Sabine Schlemmer-Schulte, Ko-Yung Tung, 2021-10-25 This Liber Amicorum is dedicated to an exceptional lawyer who laid many foundations of international finance and development law Ibrahim F I Shihata in commemoration of his retirement from the World Bank after 15 years of service as Vice President later Senior Vice President and General Counsel and Secretary General of the International Centre for Settlement of Investment Disputes Ibrahim F I Shihata's groundbreaking contributions to the theory and practice of international law arose out of his service in major international finance and development institutions Among the positions he held prior to his service at the World Bank and ICSID were Legal Adviser Kuwait Fund for Arab Economic Development Executive Director International Fund for Agricultural Development Director General OPEC Fund for International Development and Chairman International Development Law Institute He shaped these

The Other Face of OPEC Ibrahim F. I. Shihata, 1982

The A to Z of the Non-Aligned Movement and Third World Guy Arnold, 2010-04-06 During the long period when the world was divided between East and West and the Cold War threatened to turn hot with devastating consequences the Non Aligned Movement was one of the few institutions that consistently sought other outcomes not in its own interest but that of all humanity Consisting of over 100 states that are free of any formal alliances with any major power bloc the Non Aligned Movement provides aid to those countries striving to gain independence eliminate poverty and develop their economy Just what the Non Aligned Movement and Third World sought and at times achieved is set forth in this unique reference work with its over 200 cross referenced dictionary entries on important persons organizations and conferences as well as the key issues and concepts Entries are supported by an extensive chronology an introduction to the movement and a bibliography for further research

To Reform the World Guy Fiti Sinclair, 2017-03-02 This book explores how international organizations IOs have expanded their powers over time without formally amending their founding treaties IOs intervene in military financial economic political social and cultural affairs and increasingly take on roles not explicitly assigned to them by law Sinclair contends that this mission creep has allowed IOs to intervene internationally in a way that has allowed them to recast institutions within and interactions among states societies and peoples on a broadly Western

liberal model Adopting a historical and interdisciplinary socio legal approach Sinclair supports this claim through detailed investigations of historical episodes involving three very different organizations the International Labour Organization in the interwar period the United Nations in the two decades following the Second World War and the World Bank from the 1950s through to the 1990s The book draws on a wide range of original institutional and archival materials bringing to light little known aspects of each organization s activities identifying continuities in the ideas and practices of international governance across the twentieth century and speaking to a range of pressing theoretical questions in present day international law and international relations *The World Bank in a Changing World* Ibrahim F.I. Challenges of Economic Development in the Middle East and North Africa Region Julia Devlin,Julia C. Devlin,2010 This book surveys major economic issues in the development of countries in the Middle East and North Africa MENA region since World War II It presents a framework of analysis highlighting underlying continuities in the region s approach to issues of growth management of oil and natural resources post conflict environments progress in trade liberalization and regional integration the use of industrial policy labor market adjustment and unemployment educational attainment and poverty incidence At the same time this book focuses on emerging differences across countries in the region in the prevailing approach to addressing such challenges most notably between the economies of the Gulf Cooperation Council and other MENA countries This book also incorporates a discussion of tools and methods used by development practitioners and briefly examines issues of aid effectiveness The approach used is intended to appeal to a wide audience including students of economic development political scientists and development practitioners Easing East-west Tensions in the Third World United States Air Force Academy. Library,1986 From Marshall Plan to Debt Crisis Robert E. Wood,2024-06-04 This book traces the evolution of concessional financing to Third World countries from its postwar origins in the Marshall Plan to the debt crisis that engulfed virtually the entire Third World in the early 1980s It documents the evolution of a system of aid provision of structured access to concessional external financing The central focus is on how this structure of access to aid has changed over time and shaped development options an choices in the Third World From this perspective the emergence of the debt crisis is closely connected to the role of aid in the world economy Although the debt crisis had other roots as well this book elucidates an important set of determinants generally overlooked within the systems of aid provision itself It further seeks to show that the debt crisis defines a new era not simply a set of discrete and extraordinary events between say Mexico s request for rescheduling in August 1982 and Argentina s coming to terms with the International Monetary Fund in September 1984 The debt crisis has profoundly altered the international environment tha Third Wold countries face and the legacy of debt will continue to be a central focus of international relations and development choices for years to come This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived
