**The Other Holocaust** Albert W. Black, 2002 *African-American Holidays, Festivals, and Celebrations, 2nd Ed.* James Chambers, 2019-09-01 Presents more than 100 diverse holidays and festivals observed by Americans of African descent exploring their history customs and symbols Also includes a chronology bibliography and index [This Was America, 1865-1965](#) Gerd Korman, 2022-05-17 By examining Jewish experiences between the American Civil War and the African American Civil Rights Revolution this book focuses on citizens who usually spent their daily lives in Black and white peoplehoods Some of the white ones commanding the nation's public square structured a segregated republic and capitalist economy that would experience WWII and the news about the Holocaust that murdered millions of Jews This political economy sustained a hierarchy of privatized ethnic groups whose race and religion in their norms of ethnicking was used to deprive them of legal and equal collective standing This Was America is a book about those privatized identities that the years of the Civil Rights Revolution would bring into the republic's public square [The Unhappy Divorce of Sociology and Psychoanalysis](#) Lynn Chancer, John Andrews, 2014-08-05 A collection of 18 contributions by well known scholars in and outside the US The Unhappy Divorce of Sociology and Psychoanalysis shows how sociology has much to gain from incorporating rather than overlooking or marginalizing psychoanalysis and psychosocial approaches to a wide range of social topics *Against Epistemic Apartheid* Reiland Rabaka, 2010-05-10 In this intellectual history making volume multiple award winning W E B Du Bois scholar Reiland Rabaka offers the first book length treatment of Du Bois's seminal sociological discourse from Du Bois as inventor of the sociology of race to Du Bois as the first sociologist of American religion from Du Bois as a pioneer of urban and rural sociology to Du Bois as innovator of the sociology of gender and inaugurator of intersectional sociology and finally from Du Bois as groundbreaking sociologist of education and critical criminologist to Du Bois as dialectical critic of the disciplinary decadence of sociology and the American academy *Against Epistemic Apartheid* brings new and intensive archival research into critical dialogue with the watershed work of classical and contemporary male and female black and white national and international sociologists and critical social theorists Du Bois studies *Against Epistemic Apartheid* offers an accessible introduction to Du Bois's major contributions to sociology and therefore will be of interest to scholars and students not only in sociology but also African American studies American studies cultural studies critical race studies gender studies and postcolonial studies as well as scholars and students in traditional disciplines such as history philosophy political science economics education and religion [Afrocentricity and the Academy](#) James L. Conyers, Jr., 2015-09-01 Afrocentricity is a philosophical and theoretical perspective that emphasizes the study of Africans as subjects not as objects and is opposed to perspectives that attempt to marginalize African thought and experience Afrocentricity became popular in the 1980s as scores of African American and African scholars adopted an Afrocentric orientation to information The editor of this collection argues that as scholars embark upon the 21st century they can no longer be myopic

in their perceptions and analyses of race The seventeen essays examine a wide range of variations on the Afrocentric paradigm in the areas of history literature political science philosophy economics women s studies cultural studies ethnic studies and social policy The essays written by professors librarians students and others in higher education who have embraced the Afrocentric perspective are divided into four sections Pedagogy and Implementation Theoretical Assessment Critical Analysis and Pan Africanist Thought

lecture launchers focus on current event topics tied to key concepts in Sociology      **The State of the American Mind: Stupor and Pathetic Docility** Amechi Okolo PhD, 2010-06-10 This book The State of the American Mind Stupor and Pathetic Docility Volume One begins to unravel some of the most obvious perplexing embarrassing and enduring problems and contradictions of American history and sociology viz how could the American revolution that started with the most ringing and most inspiring Declarations of human equality in world history end up establishing the most vicious exploitative society the world ever knew Black chattel slavery and only ten percent white enfranchisement etc Further how could men of such great wisdom and intellect like George Washington James Madison Thomas Jefferson and others who were Enlightenment scholars and clearly knew that slavery was despicable and evil because they had variously experienced white servitude and slavery themselves collude to establish and institutionalize the horrible system of Negro chattel slavery in America and also disenfranchised over 90 percent of people of their own race actions that racism could not explain The structural institutional slavery system they established and the resultant consequent racism hobbles America today as it did in the past and forced Eric Holder the Attorney General to declare that America is a nation of cowards when it comes to race discussions Thus this book starts with serious critical discussions of race in America and reveals what no textbook has ever done viz that most early American whites and Blacks were slaves an uncomfortable fact that would shock most Americans because it contradicts the orthodoxy or the dominant narrative that only Blacks were brought here in chains Further the book also shows the year Black slavery started something almost all textbooks got wrong It also shows who was the first Black slave in America something no textbook ever mentions It also shows when and how racism started in America and many other very sensitive and embarrassing but necessary issues that America avoids but must be frankly discussed for America to move forward This book therefore shatters the two dominant themes of Americas history and sociology that Blacks were brought into America in chains as slaves while whites came to America in search of freedom as Obama famously told us in his race speech Thus the crowning lesson of this book in addition to discussing some critical policy issues like education health care etc is that it discovers the centripetal force of the American society that eluded contemporary Americans because American bosses have laboriously concealed the facts from the public the scary but clearly healthy uniting fact that most Americans are united by their common ancestry their universal history and experience of servitude bond indentures and slavery Nothing is more universal more common and more shared in American history and sociology than the fact that most of our ancestors black and white were servants bond indentures and slaves who were dominated and super exploited by few overlords Colonial America was the preferred dumping ground for British outcasts rejects criminals masterless class vagabonds bond indentures slaves etc until 1776 when Australia replaced America as the British dump for its rejects and surplus citizens Thus that America was a nation founded by British rejects and losers is inherently more rational than the prevailing orthodoxy or the Obama theory of Americas founders that they were great honorable men who journeyed across the ocean for freedom

because of the obvious reason that good powerful achieving citizens do not normally emigrate to new uncharted lands

*Surviving Identity* Kenneth McLaughlin,2013-03-01 Today political claims are increasingly made on the basis of experienced trauma and inherent vulnerability as evidenced in the growing number of people who identify as a survivor of one thing or another and also in the way in which much political discourse and social policy assumes the vulnerability of the population This book discusses these developments in relation to the changing focus of social movements from concerns with economic redistribution towards campaigns for cultural recognition As a result of this the experience of trauma and psychological vulnerability has become a dominant paradigm within which both personal and political grievances are expressed Combining the psychological social and political aspects of the expression of individual distress and political dissent this book provides a unique analysis of how concepts such as vulnerability and trauma have become institutionalised within politics and society It also offers a critical appraisal of the political and personal implications of these developments

and in addition shows how the institutionalisation of the survivor identity represents a diminished view of the human subject and our capacity to achieve progressive political and individual change This book will be of interest to researchers postgraduate and undergraduate students of critical psychology sociology social policy politics social movements and mental health

**Black Power, Jewish Politics** Marc Dollinger, 2018-06-05 Marc Dollinger charts the transformation of American Jewish political culture from the Cold War liberal consensus of the early postwar years to the rise and influence of Black Power inspired ethnic nationalism He shows how in a period best known for the rise of black antisemitism and the breakdown of the black Jewish alliance black nationalists enabled Jewish activists to devise a new Judeo centered political agenda including the emancipation of Soviet Jews the rise of Jewish day schools the revitalization of worship services with gender inclusive liturgy and the birth of a new form of American Zionism Undermining widely held beliefs about the black Jewish alliance Dollinger describes a new political consensus based on identity politics that drew blacks and Jews together and altered the course of American liberalism

*Site of Amnesia: The Lost Historical Consciousness of Mizrahi Jewry* Yvonne Kozlovsky Golan, 2019-03-25 This study deepens our historical understanding of the North African Jewish and Middle Eastern Jewish experience during WWII which is often under or mis represented by the media in Israel the Arab world France and Italy Public historical and sociocultural discourse is examined to clarify whether these communities are accepted by the world as Holocaust survivors Further it determines the extent to which their wartime history is revealed to Israeli society in its cultural performances Importantly this work addresses the reasons why the Holocaust of North African Jewry is absent from Israeli and world consciousness Finally the study contemplates the consequences of these phenomena for Israeli society as well as in the colonial countries of France and Italy In addition to using academic resources Golan captures this history from the margins by utilizing audio visual and artistic media in addition to evidence recorded on community heritage websites Facebook and other online social networks Golan s book demonstrates that there is a moral imperative to preserve and transmit these memories of persecution and discrimination David B Levy Touro College NYC Association of Jewish Libraries News and Reviews 1 2 2019
