The Other Hong Kong Report 1997 Hong Kong Series:

The Other Hong Kong Report 1998 Larry Chuen-ho Chow, Yiu-Kwan Fan, 1998-12-31 Published annually since 1989 The Other Hong Kong Report is a review of the various aspects of development in Hong Kong in the past year by scholars and experts who are not government officials and is intended to offer an alternative view to that portrayed in government publications

The Other Hong Kong Report 1997 Joseph Y. S. Cheng, 1997

A Localized Culture of Welfare Kwok-shing Chan, 2012-10-25 Hong Kong has undergone rapid and substantial social economic political and demographic changes since the 1970s This book examines critically the real impact of these changes on a single surname village in rural Hong Kong It draws on anthropological fieldwork conducted during the late 1990s and the early 2000s This ethnographic study demonstrates that kinship particularly agnatic kinship has remained a valuable resource for Pang villagers enabling them to acquire key welfare entitlements and to secure a good measure of economic and social well being Kinship affiliation has provided and still provides admittedly differential access to political patronage and legal entitlements financial assistance and the substantial benefits of corporate property holding physical protection and political leadership employment care giving and support networks housing needs old age security a ritually imagined community with a sense of spiritual well being Agnatic kinship has been organized as a corporate institution and as a quasi religious community through which substantial support protection and privileged access is provided for villagers At the same time reliance on this elaborate localized culture of welfare has maintained or reinforced the contours of stratification and inequality among Pang villagers even as lineage identity has remained largely intact in the face of changing external circumstances

Media in Hong Kong Carol P. Lai, 2007-03-12 This book examines the Hong Kong media over a forty year period focusing in particular on how its newspapers and TV stations have struggled for press freedom under the colonial British administration as well as Chinese rule Making full use of newly declassified material extensive interviews and specific case studies it provides an illuminating analysis of the dynamics of political power and its relationship with media censorship Overall this book is an impressive discussion of the evolving face of the Hong Kong media and is an important contribution to theoretical debates on the relationship between political power economics identity and journalism

Hong Kong's Transition to Chinese Rule Ralf Horlemann, 2003-09-02 Examining developments following Hong Kong's return to Chinese sovereignty this book argues that genuine autonomy from the central government in Beijing is impossible without a democratic system in Hong Kong

Censorship Derek Jones, 2001-12-01 Censorship A World Encyclopedia presents a comprehensive view of censorship from Ancient Egypt to those modern societies that claim to have abolished the practice For each country in the world the history of censorship is described and placed in context and the media censored are examined art cyberspace literature music the press popular culture radio television and the theatre not to mention the censorship of language the most fundamental censorship of all Also included are surveys of major controversies and chronicles of resistance Censorship will

be an essential reference work for students of the many subjects touched by censorship and for all those who are interested in the history of and contemporary fate of freedom of expression Corruption Prevention and Governance in Hong Kong

Ian Scott,Ting Gong,2018-12-07 This book analyses central questions in the continuing debate about success factors in corruption prevention and the efficacy and value of anti corruption agencies ACAs How do ACAs become valued within a polity What challenges must they overcome What conditions account for their success and failure What contributions can corruption prevention make to good governance And in what areas might they have little or no effect on the quality of governance With these questions in mind the authors examine the experience of Hong Kong s Independent Commission Against Corruption ICAC widely regarded as one of the few successful examples of an ACA The book is grounded in an analysis of ICAC documents and surveys the authors survey of social attitudes towards corruption in Hong Kong and interviews with former officials *Colonialism and Welfare* James Midgley,David Piachaud,2011-01-01 The British Empire is

part covered three centuries five continents and onequarter of the world s population Its legacy continues shaping the societies and welfare policies of much of the modern world In this book for the first time this legacy is explored and analysed Colonialism and Welfare reveals that social welfare policies often discriminatory and challenging to those colonised were introduced and imposed by the mother country It highlights that there was great diversity in rationales and impacts across the empire but past developments had a major impact on the development of much of the world s population Contributions from every continent explore both the diversity and the common themes in the imperial experience They examine the legacy of colonial welfare a subject largely neglected by both historians of empire and social policy analysts This original book shows that social welfare today cannot be understood without understanding the legacy of the British Empire Academics specialised students with an interest in comparative social policy history of social policy imperial history colonialism and contemporary third world social policy will find this book invaluable to their studies *Labour Migration and the Recent*

Financial Crisis in Asia OECD,2000-01-20 This series of reports identifies the impact of the Asian financial crisis on labour migration and the conditions of migrant workers in the region **Health Insurance Reforms in Asia** Sabrina Ching Yuen

Luk,2014-03-26 This book empirically examines health care financing reforms and popular responses in three major cities in East Asia Shanghai Singapore and Hong Kong It adopts a new revised version of the theory of historical institutionalism to compare and explain the divergent reform paths in these three places over the past three decades It also examines forces that propel institutional change The book provides three detailed case studies on the development of health care financing reforms and the politics of implementing them It shows that health care systems in Shanghai Singapore and Hong Kong were the products of Western presence in the nineteenth century It illustrates how greater attention is paid to the roles played by ideas actors and environmental triggers without abandoning the core assumptions that political institutions and policy feedback remain central to impact health care financing reforms It shows that health care financing reform is shaped by a

complex interplay of forces over time It also provides the most updated material about health care financing reforms in Shanghai Singapore and Hong Kong The central argument of this book is that health care financing reform is both an evolving process responding to changing circumstances and a political process revealing an intricate interplay of power relationships and diverse interests It shows that institutional changes in health care financing system can be incremental but transformative in nature It argues that social policies will continue to develop and welfare states will continue to adapt and evolve in order to cope with new risks and needs This book sheds new lights on understanding the politics of health care financing reform and sources and modes of institutional change **China's Geography** Gregory Veeck, Clifton W. Pannell, Christopher J. Smith, Youqin Huang, 2011-07-16

Despite China's obvious and growing importance on the world stage it is often and easily misunderstood Indeed there are many Chinas as this comprehensive survey of contemporary China vividly illustrates Now in a thoroughly revised and updated edition that offers the only sustained geography of the reform era this book traces the changes occurring in this powerful and ancient nation across both time and space Beginning with China's diverse landscapes and environments and continuing through its formative history and tumultuous recent past the authors present contemporary China as a product of both internal and external forces of past and present They trace current and future successes and challenges while placing China in its international context as a massive still developing nation that must meet the needs of its 1.3 billion citizens while becoming a major regional and global player Through clear prose and new dynamic maps and photos China's Geography illustrates and explains the great differences in economy and culture found throughout China's many regions **Housing Policy Systems in South and East Asia** R. Agus, J. Doling, D. Lee, 2002-06-19

This book provides an up to date account of housing policy systems in eight countries Hong Kong Indonesia Japan Korea Malaysia Taiwan Thailand and Singapore With one chapter devoted to each country there are in addition introductory and concluding chapters in which the editors identify both the similarities in the problems faced and in the approaches adopted by the governments of the Asian countries setting them apart from the West as well as the differences that indicate the variety of Asian solutions *The July 1 Protest Rally* Joseph Y. S. CHENG, 2005-11-01 An analysis of the protest rally and subsequent events will certainly be of interest to the general public in the territory as well as to the international community who is concerned with the developments of Hong Kong The editor has lined up a team of top experts in the territory to discuss the pertinent issues and their contributions constitute the first authoritative volume on the historic event The academic experts involved will examine a broad range of subjects and it is hoped that the readers will have a comprehensive understanding of the significant issues facing Hong Kong at this stage while examining the protest rally on 1 July 2003 This volume will be of interest to university students and academic in public administration and political science Media professionals interested in the current affairs in Hong Kong will also find it a handy source of reference Published by City University of Hong Kong Press Ultra-Low Fertility in Pacific Asia Paulin Straughan, Angelique Chan, Gavin

Jones,2008-09-25 This book brings together work on the low fertility countries of East Asia with an analysis of trends in fertility what we know about their determinants and consequences the policy issues and how these are being addressed in the various countries *The Other Hong Kong Report 1996* Mee Kau Nyaw,Si-ming Li,1996-11-30 Globalization and the Chinese City Fulong Wu,2006-05-09 Introducing readers to the far reaching global orientation that is now taking place in urban China an international team of contributors examine the impact of globalization on Chinese cities including the economic cultural and political impact Globalization and Labour in the Asia Pacific John Benson,Chris Rowley,2018-12-07 Globalization and labour market deregulation have had an impact on employment and workers and brought pressure to bear on trade unions This study looks at the challenges of globalization and deregulation in the Asia Pacific and possible responses to them in a variety of ways Urbanization, Regional Development and Governance in China Jianfa Shen,2018-05-11 Rapid urbanization in China in recent decades and the challenges of social and regional integration and governance have been issues of major concern This book explores the course of urbanization and development in China over recent decades It considers a range of issues including urbanization changing urban and regional systems regional integration and governance The book pays particular attention to the economic relations between Hong Kong and mainland China and how regional development integration and governance unfold in the Hong Kong Pearl River Delta region **TV China** Ying Zhu,Chris Berry,2009-01-28 If radio and film were the emblematic media of the Maoist era television has rapidly established itself as the medium of the marketized China and in the diaspora In less than two decades television has become the dominant medium across the Chinese cultural world TV China is the first anthology in English on this phenomenon Covering the People's Republic Hong Kong Taiwan and the Chinese diaspora these 12 original essays introduce and analyze the Chinese television industry its programming the policies shaping it and its audiences *Hong Kong Popular Culture* Klavier J.

Wang,2020-01-07 This book traces the evolution of the Hong Kong's popular culture namely film television and popular music also known as Cantopop which is knotted with the city's geo political economic and social transformations Under various historical contingencies and due to the city's special geo politics these three major popular cultural forms have experienced various worlding processes and have generated border crossing impact culturally and socially The worlding processes are greatly associated the city's nature as a reception and departure port to Sinophone migrants and populations of multiethnic and multicultural Reaching beyond the golden age 1980s of Hong Kong popular culture and afar from a film centric cultural narration this book delineating from the dawn of the 20th century and following a chronological order untangles how the nowadays popular Hong Kong film Hong Kong TV and Cantopop are derived from early age Sinophone cultural heritage re shaped through cross cultural hybridization and influenced by multiple political forces Review of archives existing literatures and corporation documents are supplemented with policy analysis and in depth interviews to explore the centennial development of Hong Kong popular culture which is by no means demise but at the juncture of critical transition
