

"The Other"

She had too much so with a smile you
took some.
Of everything she had you had
Absolutely nothing, so you took some.
At first, just a little.

Still she had so much she made you feel
Your vacuum, which nature abhorred,
So you took your fill, for nature's sake.
Because her great luck made you feel unlucky
You had redressed the balance, which meant
Now you had some too, for yourself.
As seemed only fair. Still her ambition
Claimed the natural right to screw you up
Like a crossed out page, tossed into a basket.
Somebody, on behalf of the gods,
Had to correct that hubris.
A little touch of hatred steadied the nerves.

Everything she had won, the happiness of it,
You collected
As your compensation
For having lost. Which left her absolutely
Nothing. Even her life was
Trapped in the heap you took. She had nothing.
Too late you saw what had happened.
It made no difference that she was dead.
Now that you had all she had ever had
You had much too much.
Only you
Saw her smile, as she took some.
At first, just a little."

The Ethics and Poetics of Alterity in Asian American Poetry Xiaojing Zhou, 2006-05 Poetry by Asian American writers has had a significant impact on the landscape of contemporary American poetry and a book length critical treatment of Asian American poetry is long overdue In this groundbreaking book Xiaojing Zhou demonstrates how many Asian American poets transform the conventional I of lyric poetry based on the traditional Western concept of the self and the Cartesian I to enact a more ethical relationship between the I and its others Drawing on Emmanuel Levinas s idea of the ethics of alterity which argues that an ethical relation to the other is one that acknowledges the irreducibility of otherness Zhou offers a reconceptualization of both self and other Taking difference as a source of creativity and turning it into a form of resistance and a critical intervention Asian American poets engage with broader issues than the merely poetic They confront social injustice against the other and call critical attention to a concept of otherness which differs fundamentally from that underlying racism sexism and colonialism By locating the ethical and political questions of otherness in language discourse aesthetics and everyday encounters Asian American poets help advance critical studies in race gender and popular culture as well as in poetry The Ethics and Poetics of Alterity is not limited however to literary studies it is an invaluable response to the questions raised by increasingly globalized encounters across many kinds of boundaries The Poets Marilyn Chin Kimiko Hahn Myung Mi Kim Li Young Lee Timothy Liu David Mura and John Yau

Changing World of Contemporary South Asian Poetry in English Mitali P. Wong, M. Yousuf Saeed, 2019-07-02 This collection

uses a transnational approach to study contemporary English language poetry composed by poets of South Asian origin. The poetry contains themes, motifs, and critiques of social changes, and the contributors seek to encapsulate the continually changing environments that these contemporary poets write about. The contributors show that English language poetry in South Asia is hybridized with imagery and figurative language adapted from the vernacular languages of South Asia. The chapters examine women's issues, concerns of marginalized groups such as the Dalit community, and the people of Northeastern India, social changes in Sri Lanka, the changing society of Pakistan, and the formation of the identity in the several nation states that resulted from the British colony of India.

The Complete Works: Poetry, Plays, Letters, Biographies Robert Browning, 2023-12-04. Robert Browning's *The Complete Works: Poetry, Plays, Letters, Biographies* showcases the prolific output of one of the Victorian era's most innovative poets and playwrights. His unique use of dramatic monologue and richly textured verse invites readers into the motivations and psyches of his characters, reflecting broader themes of human experience, morality, and existential inquiry. This collection not only encompasses his celebrated poetry like *My Last Duchess* and *The Pied Piper of Hamelin* but also includes his theatrical works and personal letters, offering a comprehensive perspective on Browning's artistic evolution and philosophical musings against the backdrop of 19th-century England. Browning, who began his literary career amidst the Romantic tradition, was deeply influenced by his personal experiences, including his tumultuous relationship with fellow poet Elizabeth Barrett Browning. His exploration of psychological complexity and his engagement with social issues stem from a desire to probe the human condition, which was particularly urgent during the tumultuous Victorian period marked by rapid change and moral questioning. Browning's works reflect his intrigue with the interplay between the self and society, making his writings a fertile ground for literary analysis. This compilation is invaluable for both scholars and casual readers alike, providing insight into Browning's layered artistry and vibrant voice. With its accessible arrangement, this collection invites a re-examination of Browning's contributions to poetry and drama, making it a vital addition to the library of anyone interested in Victorian literature and the evolution of poetic form.
