Elegies of Chu, 2022

Elegies of Chu is an anthology of early Chinese poems and contains the work of Qu Yuan and other poets from the southern state of Chu and the Han dynasty From Qu Yuan's own challenges to a corrupt regime to the sensuous descriptive poetry of Song Yu to the divine encounters of the Nine Songs the anthology privileges

individual voices of protest longing and transcendence and so presents us with a unique and unparalleled vantage point on Chinese culture The contents begin with the predicament of an alienated courtier and range across the vast landscapes of the Han empire The anthology provides readers with an understanding of Chinese literature and its evolution from free spirited mythico religious songs to the more formal polished style of the Han court This entirely new translation by Nicholas Morrow Williams aims to be faithful to the linguistic specificity and baroque sensibility of the original poems Book jacket
