

Properly Divided Future*

TAKAYUKI KIRA**

Abstract

This paper examines the intergenerational justice theory of obligations to future generations. I refer to queer temporality theory and evaluate its radical questioning. However, I argue that its destructive conclusions need not be accepted. Proper division of the time span according to the nature of the problem is important for reaching a moderate conclusion.

1. Introduction: Do We Need the Future?

Do we need to produce and nurture the next generation? Perhaps we do not. If so, how does this change the debate on our normative relationships with future generations? With this question in mind, this paper examines the theory of intergenerational justice in relation to future generations yet to be born.

The basic question of intergenerational justice is: What kind of justice relationship can we, the present generation, have with future generations that have not yet come into existence (and sometimes with past generations that no longer exist)? Since the 1960s, when global environmental problems began to be called more pressing, this question has been actively debated because of its increasing practical importance. However, intergenerational justice theory, which questions the diachronic normative relationship with people who do not yet exist, is not merely an applied issue, but has a distinctive philosophical significance that is not limited to the diachronic normative relationship. It poses a serious challenge to the theories of practical philosophy, which are said to have been "revived" since the 1970s. This paper will examine some of these works, but what

The Divided Future:

Ecumenical Future Braaten, Robert W. Jenson, 2004-01-15 Last year a group of sixteen theologians from various church traditions published *In One Body* through the Cross a landmark statement on the present state and future possibilities of modern ecumenism In order to help readers understand the true depth of this document also known as The Princeton Proposal The Ecumenical Future makes available the scholarly studies that stand behind it According to the editors of this timely and provocative volume the perception is widespread that the ecumenical train is stalling or has even run off the tracks In spite of significant gains in understanding between Catholics Orthodox and various Protestant denominations the church's present divisions are nothing less than a scandal Seen in the light of Jesus' prayer in John 17 that all may be one ecumenism is neither an option nor a social or political football The fourteen essays in this book represent a focused examination of the issues that still divide and of the common ground still to be discovered **The Divided Future** William J. Klink, 1989-06-01 *Cityscapes of the Future*, 2018-02-27 *Cityscapes of the Future* Urban Spaces in Science Fiction offers an examination of the central role played by urban spaces in science fictional narratives in various media forms from the literary to the ludic to the cinematic Our contributors reflect on the ways diverse urban scenarios are central to the narratives science fictional imaginary and consider the pivotal roles cityscapes play in underscoring major thematic concerns such as political struggles social inequality and other cultural epistemologies The chapters in the collection are divided into three sections examining the city and the body cities of estrangement and cities of the imagination **Choosing the Future** Stuart Wells, 1998 Strategy requires an ability to conceive the future see and create possibilities and focus to choose a direction Successful strategy is a mental discipline consisting of broad ranging flexible and creative thinking Choosing the Future will help you achieve this success by studying fundamentals such as effective group thinking knowing when to delay a decision for more information balancing contrasting modes of thought and transforming thought into action Using a cycle to show the relationship among different strategic thinking tools Choosing the Future gives you guidance to respond to these basic questions What seems to be happening What possibilities do we face What are we going to do about it Choosing the Future will help you advance your thinking skills Rather than telling you what to do it teaches you to use your business knowledge to discover your own ideas and strategic direction Stuart Wells is Professor of Organization and Management at San Jose State University where he serves as Director of the Center for Global Competitiveness and as Director of the Small Business Institute As founder of the Leading Edge Consulting Group and co founder of Corporate Wisdom he has worked on leadership development and strategy issues with such major corporations as Clorox Dupont PepsiCo and Proctor and Gamble He is the author of several books including *From Sage to Artisan* *The Nine Roles of the Value Driven Leader* **The Chinese and Their Future** Zhiling Lin, 1994 Policy analysts and scholars in China Taiwan Hong Kong and the United States discuss the major issues arising in the aftermath of the explosive events in China in 1989 Contributors include Arthur

Hummel the former U S ambassador to the People s Republic of China and Ding Mou Shih the representative of the Coordination Council for North American Affairs to the United States **Perfect Will Theology** J. Martin Bac,2010-04-16 This book revisits four early modern debates of Reformed theology concerning the will of God Reformed scholasticism advocated a particular relationship between divine knowledge will and power which was altered by Jesuits Remonstrants Descartes and Spinoza In all these debates modal categories like contingency and necessity play a prominent part Therefore these positions are evaluated with the help of modern modal logic including possible world semantics The final part of this study presents a systematic defense of the Reformed position which has been charged of theological determinism and of making God the author of sin In modern terms therefore the relation of divine and human freedom and the problem of evil are discussed *The Future of an Illusion* Sigmund Freud,2012-02-27 Sigmund Freud the founder of psychoanalysis declared that religion is a universal obsessional neurosis in his famous work of 1927 *The Future of an Illusion* This work provoked immediate controversy and has continued to be an important reference for anyone interested in the intersection of philosophy psychology religion and culture Included in this volume is Oskar Pfister s critical engagement with Freud s views on religion Pfister a Swiss pastor and lay analyst defends mature religion from Freud s scientism Freud s and Pfister s texts have been updated in Gregory C Richter s translations from the original German *The Future of Religion* Michael R. Ott,2007-06-30 In the midst of the increasing antagonism between religion and secularity the sacred and the profane faith and reason currently described in terms of the clash of civilizations is religion any longer relevant or meaningful in the globalizing development of modern subjectivity inter subjectivity family society state and history If so how and to what end In the socio historical context of the highly secular neo liberal neo conservative globalization movement the question of the social meaning and relevancy of religion has entered directly into the contemporary discourse on the future of humanity This book gives expression to the research of international scholars as they wrestled with these issues during the Future of Religion courses held at the Inter university Center in Dubrovnik Croatia from 2001 2005 Contributors include Aleksandra Ba a Reimon Bachika Ale rni Anja Finger Helmut Fritzsche Denis Janz Hans Herbert K gler Werner Krieglstein Mislav Kuko Gottfried K enzlen Aurelia Margareti Michael R Ott Dunja Poto nik A James Reimer Kjartan Selnes Rudolf J Siebert Hans K Weitensteiner Brian Wilson Katarzyna Zielinska *Encyclopædia Britannica* Colin Macfarquhar,George Gleig,1797 *The Future* Herbert Byrne,2004-11 A study of the Bible has to say about the future Included one will find suggestions on how to study prophecies future prophecies and signs of the times

The Divided Future: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the engaging narratives that have enthralled audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. The Divided Future : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and thrilling novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.

The Divided Future Introduction

In the digital age, access to information has become easier than ever before. The ability to download The Divided Future has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The Divided Future has opened up a world of possibilities. Downloading The Divided Future provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This

convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The Divided Future has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The Divided Future. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The Divided Future. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The Divided Future, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The Divided Future has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
