The Divine Mysteries: the Divine Treatment of Sin, and the Divine Mystery of Peace ... Second Edition James Baldwin Brown, 1869 **The Divine Mysteries** James Baldwin Brown, 2004-01-01 **The Divine Mysteries** James Baldwin Brown, 2016-11-30 Excerpt from The Divine Mysteries The Divine Treatment of Sin and the Divine Mystery of Peace I thankfully accept such light whencesoever it may come being sure that it is ultimately from the Supreme fountain and that it will guide in the direction which we are all bound to pursue But I have not entered on the discussion of these points because my argument does not stand on the literal historical truth of the account which the Bible gives us of the origz ms of the human race Whatever may be proved to be the fact as to the outer history the inner history I hold to be true to the heart s core and part of the revelation of God Nothing which I have heard or read has changed my views of the essential truth of this record as the history of man s spiritual development Thus sin is born and grows A Paradise a Fall a discovery of the hard conditions of life to the sinner lit by a promise a hope that God would share them and make them ministers of Redemption must lie it seems to me at the foundations of human history About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **The Divine Mysteries** William J. Baldwin Brown, 2013-09 This historic book may have numerous typos and missing text Purchasers can usually download a free scanned copy of the original book without typos from the publisher Not indexed Not illustrated 1869 edition Excerpt poor heart Depart from me for I am a sinful man O Lord is the first cry of a soul coming forth into the daylight which melts into the prayer God be merciful to me a sinner Then a blessed sense of communion with brother men around him springs up within his heart He has found what is common to man common sin common need of salvation from sin We cannot scorn each other brother we cannot spurn each other we will not torment each other there is one enemy who is tormenting both of us We can weep together brother we can pray together we shall be saved together and we shall live together saved in Heaven Then the true fellowship begins when souls are out of the darkness in the light of God s grace and love Then If we walk in the light as He is in the light we have fellowship one with another and the blood of Jesus Christ His Son cleanseth us from all sin The darkness isolates The Pharisee is alone He has never found the common term Father I have sinned wherein the human brotherhood subsists God I thank thee that I am not as these men is the only recognition of them which he vouchsafes The habit of saying I am holier than thou the habit of comparing ourselves with those whom we may choose to brand as sinners

instead of with God before whom we should find ourselves wholesomely on their level easily hardens into a conviction of this kind I am of superior order I am what these men never can be my class is the elect band of the great human company the rest are the dross to my gold the chaff to my corn the great assay of life but assures my privilege and sweeps the mass with undistinguishing carelessness **The Divine Mysteries** William J.
