Drag Queens and Beauty Queens Laurie Greene, 2020-12-18 The Miss America pageant has been held in Atlantic City for the past hundred years helping to promote the city as a tourist destination But just a few streets away the city hosts a smaller event that in its own way is equally vital to the local community the Miss d America drag pageant *Drag Queens and Beauty Queens* presents a vivid ethnography of the Miss d America pageant and the gay neighborhood from which it emerged in the early 1990s as a moment of campy celebration in the midst of the AIDS crisis It examines how the pageant strengthened community bonds and activism as well as how it has changed now that RuPaul's *Drag Race* has brought many of its practices into the cultural mainstream Comparing the Miss d America pageant with its glitzy cisgender big sister anthropologist Laurie Greene discovers how the two pageants have influenced each other in unexpected ways *Drag Queens and Beauty Queens* deepens our understanding of how femininity is performed at pageants exploring the various ways that both the Miss d America and Miss America pageants have negotiated between embracing and critiquing traditional gender roles Ultimately it celebrates the rich tradition of drag performance and the community it engenders

Reframing Drag Kayte Stokoe, 2019-11-19 Reframing Drag provides a critical survey of French and Anglo American queer and feminist theorizations of drag performance placing these approaches in a dialogue with contemporary drag practice and the representation of drag in three literary texts Challenging pervasive assumptions circulating in existing queer and feminist analyses of drag performance the author identifies and questions three recurring ideas which have shaped the landscape of drag research the argument that drag performances either uphold or subvert oppressive gender norms the assumption that drag involves performing as the opposite sex and the belief that drag can shed light on gender performativity Informed by a range of gender and queer theory this work contends that an intersectional transfeminist approach to drag performance can provide richer more nuanced understandings of drag and unlike the opposite sex narrative acknowledges the gender diversity at work in current drag scenes
