The Dream And The Glory 54:

Private Woman, Public Stage Mary Kelley, 2017-11-01 In the decades spanning the nineteenth century thousands of women entered the literary marketplace Twelve of the century's most successful women writers provide the focus for Mary Kelley's landmark study Maria Cummins Caroline Howard Gilman Caroline Lee Hentz Mary Jane Holmes Maria McIntosh Sara Parton Catharine Maria Sedgwick E D E N Southworth Harriet Beecher Stowe Mary Virginia Terhune Susan Warner and Augusta Evans Wilson These women shared more than commercial success Collectively they created fictions that Kelley terms literary domesticity books that both embraced and called into question the complicated expectations shaping the lives of so many nineteenth century women Matured in a culture of domesticity and dismissed by a male writing establishment they struggled to reconcile public recognition with the traditional roles of wife and mother Drawing on the 200 volumes of published prose and on the letters diaries and journals of these writers Kelley explores the tensions that accompanied their unprecedented literary success In a new preface she discusses the explosion in the scholarship on writing women since the original 1984 publication of *Private Woman Public Stage* and reflects on the book's ongoing relevance Promised Land David Stebenne, 2021-07-20 Explains how the American middle class ballooned at mid century until it dominated the nation showing who benefited and what brought the expansion to an end **The Dream of Absolutism** Hall Bjørnstad, 2021-10-15 *The Dream of Absolutism* examines the political aesthetics of power under Louis XIV What was absolutism and how did it work What was the function of the ostentatious display surrounding Louis XIV at Versailles What is gained and what is lost by approaching such expressions of absolutism as propaganda as present day scholars tend to do In this sweeping reconsideration of absolutist culture Hall Bjørnstad argues that the exuberance of Louis XIV's reign was not top down propaganda in any modern sense but rather a dream dreamt collectively by king court image makers and nation alike Bjørnstad explores this dream through a sustained close analysis of a corpus of absolutist artifacts ranging from Charles Le Brun's famous paintings in the Hall of Mirrors at Versailles via the king's secret *Mmoires* to two little known particularly extravagant verbal and textual celebrations of the king *The dream of absolutism* Bjørnstad concludes lives at the intersection of politics and aesthetics It is the carrier of a force that emerges as a glorious image a participatory emotional reality that requires reality to conform to it It is a dream finally that still shapes our collective political imaginary today *The Palace Beautiful* Timothy M. Haupt, 2025-06-23 John Bunyan is best known as the author of *The Pilgrim's Progress* his immortal allegory of the Christian life as well as for his influential spiritual autobiography *Grace Abounding to the Chief of Sinners* Less known is that Bunyan's doctrine of the church drew the ire of seventeenth century Baptists and thrust him into a controversy over the terms of church membership and communion that helped to define the boundaries of Baptist identity In *The Palace Beautiful* Timothy Haupt offers a historical and systematic analysis of Bunyan's ecclesiology a comprehensive examination of the communion controversy and a thorough investigation of seventeenth century Baptist identity Was Bunyan

a Baptist Haupt argues that the communion controversy was not a debate among fellow Baptists over a secondary issue of church practice but a dispute over fundamentally different ecclesiologies *Catalog of Copyright Entries* Library of Congress.
