Leaves from the Garden of Eden, 2010-09-23 In *Leaves from the Garden of Eden* Howard Schwartz a three time winner of the National Jewish Book Award has gathered together one hundred of the most astonishing and luminous stories from Jewish folk tradition Just as Schwartz's award winning book *Tree of Souls* collected the essential myths of Jewish tradition *Leaves from the Garden of Eden* collects one hundred essential Jewish tales As imaginative as the *Arabian Nights* these stories invoke enchanted worlds demonic realms and mystical experiences The four most popular types of Jewish tales are gathered here fairy tales folktales supernatural tales and mystical tales taking readers on heavenly journeys lifelong quests and descents to the underworld There is a dybbuk lurking in a well a book that comes to life and a world where Lilith the Queen of Demons seduces the unsuspecting Here too are Jewish versions of many of the best known tales including Cinderella Snow White and Rapunzel Schwartz's retelling of one of these stories *The Finger* inspired Tim Burton's film *Corpse Bride*

The Rooster Princess and Other Tales Debra Gordon Zaslow, Jewish Women's Storytelling Collective, Gail Pasternack, Deborah Rosenberg, 2025-09-09 Rich and resonant with women's voices and values at once familiar and entirely new Rachel Barenblat The Velveteen Rabbi and author of *Texts to the Holy Female* protagonists turn Jewish folktales on their heads What happens when stories with traditional male protagonists are updated with female characters Timeless plots and values remain while old tales transform to inspire and captivate a new generation When Debra Gordon Zaslow first ventured into Jewish storytelling in the mid 1980s she was surprised at how difficult it was to find Jewish tales featuring powerful female characters This seemed odd given the obvious strength of Jewish women Over the years she found herself slipping female characters into stories and changing male protagonists into females Her criterion was simple if

it didn't change the basic meaning or plot of the story the character could be female There was always the sense however of meddling with something sacrosanct These Jewish stories have been handed down for centuries and who was she to change them Decades later comes this collection of stories The maggidot Jewish women storytellers who wrote and compiled this innovative anthology have created a collection to honor Jewish values while featuring female characters in every central role Some stories are female centered versions of traditional tales e g The Fishmonger and the Shiviti and The Shekhinah Is in Exile others are original fiction inspired by perennial Jewish themes A Queer Soul in the Shtetl
