## **The Dream Of America The Danish Immigration To America:**

**Danish Emigration to the U.S.A.** Birgit Larsen, Henning Bender, 1992 In the making of this book authors from the United States and Denmark have joined forces in describing many different aspects of both emigration and assimilation

**Immigrants in American History** Elliott Robert Barkan, 2013-01-17 This encyclopedia is a unique collection of entries covering the arrival adaptation and integration of immigrants into American culture from the 1500s to 2010 Few topics inspire such debate among American citizens as the issue of immigration in the United States Yet it is the steady influx of foreigners into America over 400 years that has shaped the social character of the United States and has favorably positioned this country for globalization Immigrants in American History Arrival Adaptation and Integration is a chronological study of the migration of various ethnic groups to the United States from 1500 to the present day This multivolume collection explores dozens of immigrant populations in America and delves into major topical issues affecting different groups across time periods For example the first author of the collection profiles African Americans as an example of the effects of involuntary migrations A cross disciplinary approach derived from the contributions of leading scholars in the fields of history sociology cultural development economics political science law and cultural adaptation introduces a comparative analysis of customs beliefs and character among groups and provides insight into the impact of newcomers on American society and culture

**America, the Dream of My Life** David Steven Cohen, 1990 This selection is the first statewide collection of life histories from the Social Ethnic Studies program of the Federal Writers s Project They represent for ethnic history what the more famous Federal Writers Project s Slave Narratives have meant for African American history

*Performing Nordic Heritage* Lizette Gradén, 2016-05-13 The performance of heritage takes place in prestigious institutions such as museums and archives in officially sanctioned spaces such as jubilees and public monuments but also in more mundane ephemeral and banal cultural practices such as naming of phenomena viewing exhibitions or walking in the countryside This volume examines the performance of Nordic heritage and the shaping of the very idea of Norden in diverse contexts in North America the Baltic and the Nordic countries and examines the importance of these places as sites for creating and preserving cultural heritage Offering rich perspectives on a part of Europe which has not been the centre of discussion in the Anglophone world this volume will be of value to a wide readership including cultural historians museum practitioners policy makers and scholars of heritage ethnology and folkloristics

**Romanian Ethnic Organizations in the United States** Raluca-Nicoleta Rogoveanu, 2025-10-16 This monograph brings into focus the presence and voices of Romanian Americans in the United States by examining the role of voluntary associations in shaping identity and community life during the first four decades of the 20th century It offers a comprehensive analysis of Romanian ethnic organizations in their diverse forms fraternal and mutual aid societies political clubs cultural associations ladies auxiliaries and youth groups and describes them as crucibles of the Romanian immigrant experience in the New World The book argues that ethnic associations served as

effervescent spaces of cultural interaction which enabled members to affirm both their loyalty to Romania and their commitment to American life Grounded in original research based on primary sources from libraries and historical societies many of which have not been previously examined in scholarly work this book will be of interest to scholars in the areas of Ethnic Studies Diaspora Studies Cultural Studies and Anthropology **Nordic Immigration to North America** Faith Ingwersen,Arnold Robert Alanen,Christopher Hale,Viðar Hreinsson,Odd S. Lovoll,Byron J. Nordstrom,2002 *American Studies in Scandinavia* ,1986 *Contemporary Immigration in America* Kathleen R. Arnold,2015-02-03 State and local immigration issues and policies for all 50 states are thoroughly examined in this unique up to date and accessibly written encyclopedia Immigration continues to be a timely and often controversial subject particularly regarding legislation at the state level While many books cover U S immigration both historical and contemporary few if any reference works examine the role of contemporary immigration in individual states This two volume encyclopedia fills that gap Chapters address legal social political and cultural issues of immigrant groups on a state by state basis and explore immigration trends and issues faced by individual ethnic populations The encyclopedia will enable students to research the impact contributions and issues of immigration for each state to make comparisons between states and regions of the United States and to understand state versus national policies By combining the history of immigration policy with current information the work shows readers that many of the issues making news today are the same as those the nation dealt with in past decades Studying state and local dynamics provide a unique perspective on this history Multicultural America Carlos E. Cortés,2013-08-15 This comprehensive title is among the first to extensively use newly released 2010 U S Census data to examine multiculturalism today and tomorrow in America This distinction is important considering the following NPR report by Eyder Peralta Based on the first national numbers released by the Census Bureau the AP reports that minorities account for 90 percent of the total U S growth since 2000 due to immigration and higher birth rates for Latinos According to John Logan a Brown University sociologist who has analyzed most of the census figures The futures of most metropolitan areas in the country are contingent on how attractive they are to Hispanic and Asian populations Both non Hispanic whites and blacks are getting older as a group These groups are tending to fade out he added Another demographer William H Frey with the Brookings Institution told The Washington Post that this has been a pivotal decade We re pivoting from a white black dominated American population to one that is multiracial and multicultural Multicultural America A Multimedia Encyclopedia explores this pivotal moment and its ramifications with more than 900 signed entries not just providing a compilation of specific ethnic groups and their histories but also covering the full spectrum of issues flowing from the increasingly multicultural canvas that is America today Pedagogical elements include an introduction a thematic reader s guide a chronology of multicultural milestones a glossary a resource guide to key books journals and Internet sites and an appendix of 2010 U S Census Data Finally the electronic version will be the only reference work on this topic to augment written entries with multimedia for

today's students with 100 videos with transcripts from Getty Images and Video Vault the Agence France Press and Sky News as reviewed by the media librarian of the Rutgers University Libraries working in concert with the title's editors *The Bridge*, 2008
