Apocalypticism in the Bible and Its World Frederick J. Murphy, 2012-08-01 2013 Biblical Archaeology Society BAS Award for Best Book Relating to the New Testament Frank Moore Cross Award American Schools of Oriental Research 2013

Apocalypticism is not a peripheral topic in biblical studies. It represents the central characteristic transformation of Hebrew thought in the period of the Second Temple. It therefore constituted the worldview of Jesus, Paul, and the earliest Christians, and it is the context in which the New Testament books were written. In this volume, Frederick Murphy defines apocalypticism while discussing its origins, where it comes into play in the Hebrew Bible, and how it relates to Jesus and the New Testament.

Only the Third Heaven? Paula Gooder, 2006-09-05. In Chapter 1, Paula Gooder discusses the problems of interpreting this text and looks at the major debates of its past interpreters. The most popular modern approach is to compare it with other texts of ascent in the Judaeo-Christian tradition, yet even a brief examination of these texts indicates that differences are present. In the remainder of the book, Gooder evaluates the extent and significance of these differences. Part One consists of a detailed consideration of a range of texts which superficially seem closest to 2 Corinthians 12. Chapter 2 presents a history of scholarship on heavenly ascent. Chapters 3 to 8 each examine a text of ascent from a different period and background in the Judaeo-Christian tradition. Chapter 9 draws out the points of similarity between these texts. Part Two considers the text of 2 Corinthians 12:1-10 in the light of the findings of Part One. In the detailed examination of the Pauline ascent in chapter 10, the extent of the differences between this text and the texts examined in Part One becomes clear. Chapter 11 proposes a new interpretation of the account of ascent, arguing that it reports a failed ascent into heaven. The chapter shows that this interpretation makes sense not only of 2 Corinthians 12:1-10 itself but also of chapters 10-13 which surround it. The account is one more example of weakness from the apostle in which he proves that weakness, not strength, is the sign of a true apostle.

The Prophetic Vision and the Real Jesus Adrian M. Leske, 2017-10-06. Using the method of intertextuality, Adrian Leske has traced the growth of the prophetic vision from Amos to the Exile, demonstrating how, after the Exile, the dominant influence on that vision down to the time of Jesus is the positive and new message of Deutero-Isaiah. With opposition from the Zadokite priesthood and exploitation from foreign rulers, the prophetic and Levite communities find refuge in Upper Galilee and surrounding areas. Using the Gospel of Matthew, the most Jewish of the Gospels, Leske demonstrates how that vision impacted the teaching of Jesus to these communities and how he perceived his mission as the Servant Son of man. Understanding this prophetic vision and the Jewish nature of Matthew's Gospel brings new insights to Matthean Christology as well as the authorship and date of that Gospel in relation to the other Gospels.

[The Apocalyptic Letter to the Galatians](#) James M. Scott, 2021-05-18. One apocalyptic reading of Paul's letter to the Galatians has been attempted before and is now widely accepted, but that reading is not based on a thorough engagement with Jewish apocalyptic traditions of the Second Temple period. In this book, James M. Scott argues that there is an essential continuity between Galatians and Paul's Jewish past, and that Paul uses the apocalyptic Epistle of Enoch 1 Enoch 92:1-105 as a literary model for his own letter. Scott first contextualizes the Epistle of Enoch using the entire Enochic corpus and explores the extensive similarities and some significant differences between the Enochic tradition and early Stoicism. Then he turns to deal specifically with Paul's letter.

to the Galatians showing that despite their obvious differences the two apocalyptic letters have some remarkable features in common as well This approach to the interpretation of Galatians fundamentally stands to change the way biblical scholars understand Paul s letter and the gospel that he preached Paul is within Judaism if the net for what is included in Judaism is wide enough to encompass the Enochic tradition
