The Drunken Tourist:

The Drunken Tourist Chris Santana, 2021-01-11 You're On the Road finding The Power of Now with The Drunken Tourist New York Press book review From Los Angeles to Prague throughout Europe and New York with a bottle in one hand and The Urantia Book in the other The Drunken Tourist continues to translate a really good bender into the convoluted cause of uniting the Church with the Pub Funny funky thousand eyed and furious with hope Joshua Cohen best selling author of Book of Numbers Practical spirituality sometimes comes from the most unlikely of places and The Drunken Tourist is one of them Rev Michael Lowell m s u The best black comedy self help book you're likely to find Alexander Zaitchik journalist and author of The Gilded Rage Reminiscent of Zen and the Art of Motorcycle Maintenance where riotous times and blessed camaraderie set the stage for a self reckoning of Dionysian proportions Amy Dalton Current History Magazine So really what kind of book is this In what genre does it fit Is it a budget travel guide A spiritual pilgrimage An expos on mental health and recovery A sex drugs and rock roll adventure story originally written in the Psych Ward of L A County Jail by an arguably diagnosed Bipolar Alcoholic Yes 25% of the author's proceeds from the sale of this book go to music lesson performance and music therapy non profit organizations Book the trip

The Drunken Tourist Hadrian Santana, 1999-09 The Drunken Tourist is on a run Through 16 cities in Europe and America the author continues to mistake a really good bender for the convoluted cause of uniting the church and the pub On this search for the ultimate high our man battles his own demons as well as those outrageously appropriate types flexing their overblown sense of entitlement Yet with Hesse and The Urantia Book in one hand and a cocktail or crackpipe in the other could the fate of this fellow ever really be in question The fact that this work was first written behind bars should explain a good deal as The Drunken Tourist becomes a metaphor for the author's failed relationships and suspect thinking Jail is another hot spot on our spontaneous itinerary as Mr Santana booking 5979269 finds there is no escape from life on life's sometimes cruel terms Meanwhile a new groove to an old standard may prove just the ticket he's been looking for Provided we trust that both human and celestial conductors comply Book jacket

The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and gripping novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
