The Early Poetry Of William Carlos Williams:

Early Poems William Carlos Williams, 2015-03-09 One of the most original and widely imitated poets of the twentieth century William Carlos Williams 1893 1963 wrote verse firmly rooted in concrete experience and the particulars of everyday life A practicing physician for more than 40 years Williams worked in the idiom of modern American speech unlike his friend and mentor Ezra Pound and his poems are redolent with a warmth and generosity of spirit The Beat poets were particularly impressed with the accessibility of his language and Williams's widely quoted dictum No ideas but in things influenced a generation of American poets This fine selection offers readers the opportunity to study and enjoy the richness and variety of Williams's early work More than 70 poems published between 1917 and 1921 include Peace on Earth Tract El Hombre Danse Russe Keller Gegen Dom Willow Poem Queen Anne's Lace Portrait of a Lady The Widow's Lament in Springtime and many others [Selected Poems of William Carlos Williams](#) William Carlos Williams, 1969 Among the great figures who have led the revolution in poetry William Carlos Williams was unique in his closeness to the center of American life Over a span of fifty years he worked to achieve an idiom which would reflect the American rhythm both of speech and living From publisher's description [The Collected Poems of William Carlos Williams](#) William Carlos Williams, 1986 Collection of poems by the American twentieth century poet **The Collected Later Poems of William Carlos Williams** William Carlos Williams, 1963 **The Early Poetry of William Carlos Williams** Rod Townley, 1975 [The Early Poetry of William Carlos Williams](#) Martin Halpern, 1953 **William Carlos Williams and Alterity** Barry Ahearn, 1994-02-25 Many critics have noticed the paradoxes and contradictions in the work of William Carlos Williams but few have analyzed them in detail Professor Ahearn argues that Williams criticism has not gone far enough in recognizing the uses Williams saw for contradiction He contends that Williams began to acquire his own voice as a poet when he recognized that he could be a vehicle for contending voices His reading departs from previous examinations of the early poetry in the emphasis it places on the poems as expressions of Williams's social position We find a Williams whose contribution to modernism came not through a radical break with tradition or a rejection of inherited poetic norms alone but rather in a cultivation of tension conflict and a kind of poetic crisis that could be held forth as the metier of the modernist writer [A Recognizable Image](#) William Carlos Williams, 1978 *William Carlos Williams* William Carlos Williams, 1996-11 [The Collected Poems of Williams Carlos Williams](#) William Carlos Williams, 2015-02-19 Considered by many to be the most characteristically American of our twentieth century poets William Carlos Williams wanted to write a poem that you would understand But you got to try hard So that readers could more fully understand the extent of Williams's radical simplicity all of his published poetry excluding Paterson was reissued in two definite volumes of which this is the first
