The Earth Gods:

The Earth Gods Kahlil Gibran, 2011-06-14 The Earth Gods the last book to be published while Gibran was still in this world came into the poet's hands two weeks before he was to lay aside all earthly volumes He had a peculiar feeling of tenderness for this book unlike what he felt for any of the others Because he said it was written out of the poet's hell a process of childbirth and child bearing It is in my opinion one of the greatest poems in the language The Earth Gods is perhaps a book for the mystic a poet's book for poets for the initiate and the dreamer of vast dreams Yet I have known those who pride themselves on being highly practical and feet on the ground who disown any bent toward the mystical and the occult to pronounce it a book of wonder and power And as a child of seven to whom I read portions of the poem on request says unvaryingly Read it again This perhaps for the music and the almost unearthly beauty of rhythm Barbara Young in This Man From Lebanon A Study of Kahlil Gibran **The Earth gods** Jibran Khalil Jibran, 1971 The Earth Gods. George Wei, 2013-11-07 Macao the former Portuguese colony in southeast China has a long and very interesting history of cultural interaction between China and the West Held by the Portuguese from the 1550s until its return to China in 1999 Macao was up to the emergence of Hong Kong in the later nineteenth century the principal point of entry into China for all Westerners Dutch British and others as well as Portuguese The relatively relaxed nature of Portuguese colonial rule intermarriage the mixing of Chinese and Western cultures and the fact that Macao served as a safe haven for many Chinese reformers at odds with the Chinese authorities including Sun Yat sen all combined to make Macao a very different and special place This book explores how Macao was formed over the

centuries It puts forward substantial new research findings and new thinking and covers a wide range of issues It is a companion volume to Macao Cultural Interaction and Literary Representations
