The Earth Incident Gods Affair With Our Home Planet:

The Earth Incident : God's Affair with Our Home Planet John Karl Timm,2005 Seed Scattered Broadcast; Or, Incidents in a Camp Hospital ... S. M'Beth,1869 Decoding Spacetime Eric Carlson,2010-11-08 This is a book about science religion and being yours and mine The study of being is called Ontology Our culture is dominated by a naturalist ontology The question is does ontology include a supernatural component Or is that idea a relic of our primeval past sort of like appendix and adenoids parts that can be excised from the body of our belief system The author argues for the primacy of the transcendent supernatural ontology by means of two books the book of nature and the book of transcendency the Bible each containing its own portion of the evidence Mr Carlson argues for the following The universe represents a small portion of God s ontology a small reality devoted to redemption The signet of redemption is the number 7 its appearance within chronology is deliberate instructive and compelling The Creation Week account reflects a two fold metaphor 1 space time itself was created to support the redemptive act and 2 mankind s history will unfold in a series of seven ages later quantified as millennia The interval between Adam and Abraham literally filled one redemptive bi millennium but the catastrophic effects of 3 realities the Cainite civilization Noah and the break up of Pangaea contribute to the appearance of myth as viewed by the uniformitarian geologist for whom catastrophes appear invisible The 2nd bi millennium Abraham to Messiah was also fulfilled exactly in redemptive time The termination of our age is imminent and dependent upon the chronology of Israel mankind s chronograph A detailed chronology of the history of Israel is flavored with the redemptive signet especially 70 yrs or 70 heptads of yrs By decoding Israel s history in redemptive time and employing the single concept of the favor of God the author derives a Biblical based proof that modern Israel is the same and identical state founded by Samuel in 1096 BC Three independent proofs of this foundational date are provided These proofs show that the Monarchy existed for exactly 511 yrs which period is exactly equal to 73 heptads Israel is an heptadic state The author concludes that the redemptive corollary to Israel s ontology is also proven we have actually entered the end times and the events associated with the last days will soon unfold Because the reality of Israel is visible to all it is apparent that the redemptive offer made to mankind is also real and visible such as that appearing in John 3 16 John 6 40 and Romans 10 9 13 There is much to learn about our world Start now Tomorrow may be too late The Geography of God's Incarnation Ann Pederson,2013-07-25 What does geography have to do with the incarnation of God and with our spiritual lives as Christians We will embark on a theological road trip that explores how geographies are at the heart of understanding of God s incarnation in the world It is no surprise to Christians that the center of the incarnation is the person of Jesus Christ God in flesh made manifest However it might be a stretch for some Christians to imagine that the promise that God has become flesh is not only in a person but also in a place in the creation Christians need to expand what incarnation means and what it means to be created in the image of God so that the scope of God s creative and redemptive action and work indeed reaches to the scope of all things from the outer

reaches of space to the inner reaches of our hearts To be the creatures of God that God calls us to be requires a kind of dual citizenship within the details of our daily life attending to the needs of our neighbors simultaneously knowing we are part of a greater cosmos whose future is still unfolding **T&T Clark Handbook of the Doctrine of Creation** ,2024-03-07 The T how the doctrine of creation informs and is informed by various dogmatic commitments and how the doctrine of creation relates to a range of human concerns and activities The Handbook represents a celebration of fascination with bewilderment at lament about and hope for all that is and serves as a scholarly innovative and constructive reference for those interested in attending to what Christian belief has to contribute to thinking about and living with the mysterious existence named creation **Pope Francis and the Event of Encounter** John C. Cavadini,Donald Wallenfang,2018-01-19 Since being elected to the Chair of St Peter on March 13 2013 Pope Francis has given unique shape to the meaning of the new evangelization With his emphasis on the concept of encounter and his stunning expression of pastoral ministry in *Evangelii gaudium* the present pontiff has breathed new life into the Christian vocation to evangelize This book brings together the voices of fifteen American Catholic scholars around the theme of Pope Francis and the Event of Encounter Inaugurating the new series *Global Perspectives on the New Evangelization* this book incorporates a variety of approaches and questions in order to amplify the theology behind the pontificate of Pope Francis and the most recent developments in the new evangelization Among the topics treated in the book are mercy ecology doctrine culture and the life and ministry of Jorge Mario Bergoglio The reader will be delighted with an array of perspectives that promise to give inspiration for embarking on further frontiers of the new evangelization **World Affairs** ,1896 Vols for 1932 Include the Annual report of the American Peace Society *A Nation Born in a Day* Paul Toberty,2015-07-07 Much more than the land Israel now possesses God has promised expansive boundaries To your descendants I have given this land from the river of Egypt to the great river the River Euphrates Genesis 15 18 NKJV God will fulfill His promise of additional land from the Mediterranean on through parts of Lebanon Syria Jordan Iraq and the northern tip of Saudi Arabia In this compelling book you will come to understand the land grant God promises to Israel through Abraham Leaders and governments must understand that peace will follow when the descendants of Abraham possess the entire land that God ordains for His chosen people *A Nation Born in a Day* offers powerful teaching along with a 31 day devotional that will provide insight and wisdom as you seek God's truth For effective intercessory prayer this book guides your participation with God for the peace of Jerusalem as you partner with Israel for their rightful borders **The Nicene Creed** Jared Ortiz,Daniel A. Keating,2024-04-23 Though the Nicene Creed is regularly recited in weekly church services few understand its historical origins and connections to Scripture and key Christian doctrines This volume bridges the gap providing an accessible introduction that explains how the Creed is anchored in the Bible and how it came to be written and confessed in the early history of the church The authors show how the Creed reflects the purpose of God in salvation especially in relation to Christians divine adoption as sons and daughters leading to

glorification Each chapter includes sidebars highlighting how the Creed has been received in the church's liturgy Professors students clergy and religious educators will benefit from this illuminating and edifying guide to the Nicene Creed The Christian Work and the Evangelist ,1906
