Dream Interpretation Handbook Sasha Winters, 2020-10-27 Uncover the hidden truths in your dreams and harness them to transform your life Have you often wondered if your dreams are trying to tell you something Are you being warned about impending doom Are you being given the winning lottery ticket numbers Is it telling you to leave everything behind and move to another country Is there really a way to find out what dreams mean Dreams can be unsettling even after you've woken up from them Some feel so real that you can't believe it was only a dream Others are so obviously unreal yet they stay with you for days If you've spent days or even months thinking about a dream maybe there's something more that needs to be looked at Your dreams are more than just some random thoughts in your head They can hold the answer to burning questions raise questions you didn't even think of asking and remind you of important things you didn't know you knew Figuring out what

your dreams mean can be an enlightening journey to self discovery But it s hard to figure out what dreams mean when you don t have a basic understanding of how they work and what to look for With a practical handbook that lays out the principles and process of dream interpretation your dreams will open themselves up to you for deeper analysis In Dream Interpretation Handbook you will discover Why the same dream will have different meanings for each person The common meanings attached to familiar dreams like falling flying losing your teeth and more The one thing you should never do when analyzing dreams that could lead you to an erroneous message The unpleasant feeling you need to experience that will guide you to an accurate and personal dream interpretation Simple habits to add to your nighttime routine that will help you remember your dreams more vividly when you wake up How to dream your way to the life you ve always wanted by programming your dreams Bonus Free Mandala coloring book to help illuminate your mind calm your spirit and envision your path to wholeness And much more The answers we seek can come to us in many different ways we just have to be receptive to them and know how to filter through the noise Dreams are a deeply personal experience and while you can get help in interpreting them only you can really know what your inner self is telling you By opening yourself up to the world within you and being honest with yourself you can get to the bottom of your dreams and apply their messages to your waking life Sometimes your mind knows exactly what you need before you even realize you need anything And it lets you know them through dreams If you want to want to become attuned to what your unconscious mind is trying to tell you then scroll up and click the Add to Cart button right now
