

The Hands Of A Practitioner The Heart Of A Provider

Robert Hooper

The Hands Of A Practitioner The Heart Of A Provider:

The Hands of a Practitioner, the Heart of a Provider Shawn L. Naccarato, 2003 With the recent upswing in professional ethical misconduct a comprehensive reeducation in ethical concepts is imperative This text represents my understanding of the ethical principles from early Greek society to today s society It clearly outlines the logical historical beginnings of ethical thought gives students a greater appreciation for the validity of established ethical concepts provides for a greater understanding of the various aspects of professional ethics and legal issues and presents workable mechanisms for the prevention management and resolution of ethical and or legal situations in the realm of dentistry While other texts on this subject appear to be written to appeal primarily to one audience i e dentists or dental hygienists this text will be valuable asset to dental students dental hygiene students practicing dentists and practicing dental hygienists By utilizing a simple to the point approach to dental ethics and legal issues I feel that anyone who reads my textbook will benefit from my approach to the subject matter The specific questions that this book will address are listed as follows What is ethics Where and how did ethics begin How are ethics religion and the law related as guides for our actions Are the concepts of Aristotle Aquinas and others valid for modern day professional applications How do ethical principles relate to the dental profession What are some of the consequences for violations of ethical principles What happens when ethical violations become legal problems and what types of civil and or criminal issues may practitioners face in today s society How can practitioners minimize manage and resolve the various ethical and or legal situations they may encounter in modern dentistry and dental hygiene
