## **The Heart Flowers:**

Flowers from the Heart, Songs of the Soul Ajit Sripad Rao Nalkur, 2015-10-23 The beauty of nature surrounds us but its beauty is often wasted as we rush through lives filled with work family and other responsibilities What if we were to slow down for a moment and take a look around What would we notice what would we learn Surely more than we could have imagined Poet Ajit Sripad Rao Nalkur admires the wilderness around him while living in southern India His words bridge the gap between the human world and the world of nature where small details speak volumes and inspire peace He writes not only of nature's majesty but also of our connection to it a connection we can choose to ignore or embrace In this collection an artist seeks and waits for his muse Little things bring great joy like a single wildflower or the serene power of silence Nalkur's words reach beyond the page and into the reader's innermost being challenging each of us to emotionally connect with nature These poems remind us all to slow down and admire the miracle that is life on Earth

**Poetry from the Heart** Violet M. Laasch, 2011-01-11 Each poem a reflection of that which God gave me in dreams and while in storms All through my life the most important things to me was and are still today my faith in God and family I know without God I'd not be who I am today All my praise and glory go to God and God alone Yes my family's backing me in all I do but God's strength in my life keeps me pressing on and helps me to do that which I believe is my calling in life So as you read each poem you'll be reading a piece of my life in which I wrote while going through a storm in which God saw me through So I hope through my words you too will find strength and encouragement in your lives as well when in storms
