

The Heart Of The Fire

Mike Jess

The Heart Of The Fire:

Into the Heart of the Fire James K. Hopkins, 1998 This book examines the experience of the British volunteers in the Spanish Civil War and places them in a broad intellectual political social and cultural framework *Grace, the Heart of the Fire* Milton Jones, 1991-09 [The Heart Of a Fire Fighter](#) Zebulon Eaton, 2013-01-18 This book tells the story of a NYC Firefighter and his battle of life and death of his co workers and himself **In the Fire of the Heart** Ralph Waldo Trine, 2006-10-01 Before New Age there was New Thought a philosophy that sought God through metaphysics and was wildly popular in the late 19th and early 20th centuries American mystic and bestselling author RALPH WALDO TRINE 1866 1958 was one of the most influential writers on New Thought principles and here in this 1906 work he rails against some of the most troubling social problems of his day and ours child hunger in properous cities the unfair distribution of wealth in the United States the crushing effects of poverty on the family the abuses of private corporations and more Trine s liberal outlook is remarkably modern and alas his cry for social justice is all too pertinent more than a century after his anger caught fire in this remarkable book [Fire of Mercy, Heart of the Word](#) Erasmo Leiva-Merikakis, 2011-11-04 To the unstudied eye Matthew s gospel can seem a terse narrative almost a historical document and not the tremendously spiritual and doctrinal storehouse that it is Erasmo Leiva here acts as our guide showing Matthew s prose to be not terse so much as economical astoundingly so given its depth The lay reader can derive great profit from reading this Each short meditation comments on a verse or two pointing to some facet of the text not immediately apparent Leiva s work is scholarly but eminently approachable by the non technical reader The tone is very much gustate et videte quoniam suavis est Dominus taste and see how good the Lord is as it is friend come up higher The goal of the book is to help the reader experience the heat of the divine heart the light of the divine Word Leiva points to Matthew s gospel as being deeply ecclesial because it is first Christological He comments on the Greek text demonstrating to the reader nuances in the text that defy translation into English without serious revision of the text Leiva uses linguistic analysis to aid the non Greek reader with the literal meaning of the text numerous quotes from the Fathers and the liturgy of the church demonstrate the way the Tradition has lived and read the Word of God His theological reflection vivifies doctrine by seeking its roots in the words and actions of Jesus

Fire of Mercy, Heart of the Word, Vol 1 Erasmo Leiva-Merikakis, 1996-01-01 To the unstudied eye Matthew s gospel can seem a terse narrative almost a historical document and not the tremendously spiritual and doctrinal storehouse that it is Erasmo Leiva here acts as our guide showing Matthew s prose to be not terse so much as economical astoundingly so given its depth The lay reader can derive great profit from reading this Each short meditation comments on a verse or two pointing to some facet of the text not immediately apparent Leiva s work is scholarly but eminently approachable by the non technical reader The tone is very much gustate et videte quoniam suavis est Dominus taste and see how good the Lord is as it is friend come up higher The goal of the book is to help the reader experience the heat of the divine heart the light of the divine Word

Leiva points to Matthew's gospel as being deeply ecclesial because it is first Christological. He comments on the Greek text demonstrating to the reader nuances in the text that defy translation into English without serious revision of the text. Leiva uses linguistic analysis to aid the non-Greek reader with the literal meaning of the text. Numerous quotes from the Fathers and the liturgy of the church demonstrate the way the Tradition has lived and read the Word of God. His theological reflection vivifies doctrine by seeking its roots in the words and actions of Jesus.

The Heart of Fire Joseph A. Todaro, 2011-03-17

The Heart of Fire is a story about two brothers Ferran and Yusef who set out from their home in the city of Jhanal to find their mysterious mentor Tala al Sahara Sitt. What they find is adventure, tragedy, and enough intrigue to bring down a kingdom. Enter the djinn, a race created by the ancient gods to oversee humankind, although betrayal it seems is not strictly a human trait, and the magical lords of the realm of Ashur are menaced by their own problems and a prophecy a thousand and one years in the making.

Fire of Mercy, Heart of the Word, Vol 2 Erasmo Leiva-Merikakis, 1996-01-01

To the unstudied eye St. Matthew's gospel can seem a terse narrative, almost a historical document and not the tremendously spiritual and doctrinal storehouse that it is. In his third volume of meditations on Matthew, chapters 19-25, Erasmo Leiva continues to show Matthew's prose to be not terse so much as economical, astoundingly so given its depth. The lay reader can derive great profit from reading this. Each short meditation comments on a verse or two, pointing to some facet of the text, not immediately apparent but rich with meaning. Leiva's work is scholarly but eminently approachable by the lay reader. The tone is very much of taste and see how good the Lord is, and an invitation of friend come up higher. The goal of the book is to help the reader experience the heat of the divine heart and the light of the divine Word. Leiva comments on the Greek text demonstrating nuances in the text that defy translation. He uses numerous quotes from the Fathers and the Liturgy of the Church to demonstrate the way the Tradition has lived and read the Word of God. His theological reflection vivifies doctrine by seeking its roots in the words and actions of Jesus.
