The Hebrew Heathen Religion Sex Worship And Idols:

Is It God's Word Joseph Wheless, 2007-03-01 Is the Bible the word of God This classic of atheistic literature has the answer and it s a loud and profound NO American writer JOSEPH WHELESS 1868 1950 employs all the tools of the logician from the self evidence of reason to the words of the very proponents of the attitudes he strives to dismiss to condemn Christianity as nonsense Wheless roundly debunks the patriarchs and the covenants of Yahweh the wonders of the Exodus the forty years in the wilderness the ten commandments and the law the conquest of the promised land the holy priests and prophets of Yahweh the prophecies of Jesus Christ the inspired harmony of the Gospels the Christian plan of salvation and more This is a highly provocative work one that should be explored by believers and doubters alike ALSO AVAILABLE FROM COSIMO Wheless s Forgery in Christianity **The Gay Faith** M. W. Sphero, 2011-05-23 Sphero explains that the Old Testament does not prohibit homosexuality furthermore that Sodom and Gomorrah had nothing whatsoever to do with homosexuality but rather with inhospitality pride and a society s blood thirst for violence Christ said that some people were meant to be born as gay or lesbian he blessed a gay relationship between a Roman Centurion and his lover and he spoke boldly against any form of homophobia **Sex on the Couch** Richard Boothby, 2014-05-01 At just the moment when many people are ready to throw Freud on to the ash heap of intellectual history Sex on the Couch rescues from Freud s theories a fascinating series of reflections on the nature of sexuality and gender Richard Boothby presents here a fresh and engaging view of Freud Sex on the Couch offers new insights into our concepts of masculinity and femininity placing them in relation to Freud s theory of the Life and Death drives Richard Boothby also engages feminist critiques of Freud putting forward new and specific responses to questions that have shaped contemporary understanding of feminism and psychoanalysis Boothby s Freud far from being pass is in possession of insights that enrich our understanding of modernity and its distinctive character In a refreshingly readable style Richard Boothby writes here not only for the scholarly reader but for the student and lay reader curious about Freud s theories and their use in contemporary world Idol Meat in Corinth Wendell Willis, 2004-06-15 This work has several objectives to understand what the problem of idol meat at Corinth involved to establish the attitude of the Corinthians to this issue what course of conduct had they followed or proposed to follow and how did they seek to defend their position to explain the reply of Paul to the Corinthian inquiry and finally in the process of the exegesis and in the conclusions this study will seek to identify fundamental norms and themes which are operative here as a part of Paul s ethical thought **Foretold Kingdoms of the Islamic Anti-Christ** Johnny Spencer, 2018-09-24 If you don t wish to be left in the dark and base your admiration and acceptance of the religion of Islam on what is less than true assuming it is just as every other religion in the world then you must read Foretold Kingdoms of the Islamic Anti Christ to learn of Islam s true origin and true destiny from the Holy Bible that most Muslim scholars are totally unaware about their own religion Discover why the religion of Islam has survived through fourteen centuries of cultural and theocratic evolution

until today and explore the Bible's true prophetic purpose of Islam's existence whether it is to bring peace on earth and goodwill toward man or for a more sinister purpose for the world This bold new revelation on the end of Islam and its coded presence in Bible prophecy is openly expressed for all to see in this gripping unveiling of true ancient Islam *Principles of the Jewish Faith* Louis Jacobs, 2008-11-06 All the fundamental tenets of Judaism as expressed in the Thirteen Principles of Faith laid down by Maimonides are subjected to a brilliant courageous interpretation a major work Lessons from the Kabbalah and Jewish History Josef Bláha, 2010 Being Gay, Being Christian Stuart Edser, 2012-01-18 Is it possible to be both gay and Christian This book explains calmly and logically that the two are not mutually exclusive With the support of some of the finest scientific and theological minds Dr Stuart Edser presents a compelling case for tolerance and acceptance rejecting the traditional Christian view that gay people are either sick or sinful as a result of their sexual orientation While shrill voices of prejudiced fundamentalism are raised from all sides of the Christian church he invites the reader to a new experience of God Dr Edser is uniquely qualified to explain the biology psychology and sociology of being gay as well as to examine the Bible its interpretation and traditional Christian teaching on sexual morality Not only does he have a wealth of experience grounded in the Church both Catholic and Protestant but he is also a psychologist author and researcher Moreover he threads his own extraordinary story through the text using this and his experience as a clinician to guide his thinking In particular he offers a positive and rational voice so often glaringly absent from the Church's utterances on homosexuality He argues passionately for church people everywhere to open their minds and show a willingness to discard older ways of thinking where more modern explanations reveal the truth more accurately And he encourages gay Christians to integrate their sexuality and their faith so that both are valued equally BEING GAY BEING CHRISTIAN is a call for reformation within the Christian church an appeal to modernity in our approach to knowledge and a practical self help book for people who are struggling with their sexuality so they can find both self esteem and a connection with God It will be of particular interest to People confused about their sexuality Young gay people Gay people who go to church Christian families and friends of gay people Clergy and church workers **The Universal Jewish Encyclopedia ...** Isaac Landman, Simon Cohen, 1941 **The Posen Library of Jewish Culture and Civilization, Volume 8** Todd M. Endelman, Zvi Gitelman, Deborah Dash Moore, 2020-04-07 The eighth volume in a landmark series this anthology of Jewish culture and civilization encompasses the period between the world wars An anthology of Jewish culture between the world wars the editors selections convey the variety breadth and depth of Jewish creativity in those tempestuous decades Despite or perhaps because of external threats Jews fought vigorously over religion politics migration and their own relation to the state and to one another The texts translated from many languages span a wide range of politics culture literature and art This collection examines what was simultaneously a tense and innovative period in modern Jewish history IN HIS NAME E. Christopher Reyes, 2014-08-15 One naturally assumes that when they listen to their Pastor Reverend or Priest that they speak the truth

and takes for granted that when the Pope speaks he also speaks the truth Yet few Christians are conscious much less concerned to hear about the truth or of how they have been deceived for centuries and betrayed again by their sacrosanct religious institutions bent upon enriching themselves by their ignorance of the faith's history and gullibility This book deals with the truth the truth which many Christian sects do not wish to convey to their followers For almost two thousand years Christians have maintained that Jesus was God incarnate a sinless man a man born of a virgin mother a man who was the embodiment of perfection on earth which is unflinchingly stated in their Christian Bibles the New Testament Jesus Who did no sin neither was guile found in his mouth I Peter 2 22 King James Authorized Version Cf Luke 2 48 Joseph is Jesus father We are dying today from the fact of not having anyone who knows how to lay down his life for the Truth Pierre Teilhard de Chardin S J quoted in *The Jesuits The Society of Jesus and the Betrayal of the Roman Catholic Church* by Malachi Martin author of *Vatican and The Final Conclave* pg 286 1987 *The Origins and Role of Same-Sex Relations in Human Societies* James Neill, 2011-10-17 This groundbreaking work draws on a vast range of research into human sexuality to demonstrate that homosexuality is not a phenomenon limited to a small minority of society but is an aspect of a complex sexual harmony that the human race inherited from its animal ancestors Through a survey of the patterns of sexual expression found among animals and among societies around the world and an examination of the functional role homosexual behavior has played among animal species and human societies alike the author arrives at some provocative conclusions that a homosexual or bisexual phase is a normal part of sexual development that same sex relations play an important balancing role in regulating human reproduction that many societies have institutionalized homosexual traditions in the past and that the harsh condemnation of homosexuality in Western society is a relatively recent phenomenon unique among world societies throughout history This well researched and meticulously documented book is the first that integrates into a coherent picture the startling revelations about human sexuality coming from the recent work of sexual researchers psychologists anthropologists and historians The view that emerges of an ambisexual human species whose complex sexual harmony is being thwarted by the imposition of an artificial understanding of nature represents a new way of thinking about sex

The Idea of Idolatry and the Emergence of Islam G. R. Hawting, 1999-12-09 Why and under what circumstances did the religion of Islam emerge in a remote part of Arabia at the beginning of the seventh century Traditional scholarship maintains that Islam developed in opposition to the idolatrous and polytheistic religion of the Arabs of Mecca and the surrounding regions In this study of pre Islamic Arabian religion G R Hawting adopts a comparative religious perspective to suggest an alternative view By examining the various bodies of evidence which survive from this period the Koran and the vast resources of the Islamic tradition the author argues that in fact Islam arose out of conflict with other monotheists whose beliefs and practices were judged to fall short of true monotheism and were in consequence attacked polemically as idolatry The author is adept at unravelling the complexities of the source material and students and scholars will find his argument both engaging and persuasive

Our Father Abraham Marvin R. Wilson, 2021-06-29 Although the roots of Christianity run deep into Hebrew soil many Christians remain regrettably uninformed about the rich Jewish heritage of the church Our Father Abraham delineates the vital link between Judaism and Christianity exemplified by the common ancestry of the two faiths traceable back to Abraham Marvin Wilson calls Christians to reexamine their Semitic heritage to regain a more authentically biblical understanding of what they believe and practice Wilson a trusted voice among both Jews and Christians speaks to both past and present first developing a historical perspective on the Jewish origins of the church and then discussing how the church can become more attuned to the Hebraic mindset of Scripture Drawing from his own extensive experience he also offers valuable practical guidance for salutary interaction between Christians and Jews Discussion questions at the end of each chapter make this book especially suitable for use in groups Christian Jewish or interfaith as readers strive to make sense of their own faith in connection with the other The second edition of Our Father Abraham features a new preface an expanded bibliography of recent relevant works and two new chapters one that discusses Jewish Christian relations after the Holocaust and another that reflects on Wilson's own fifty plus year career as an evangelical Christian deeply committed to interfaith dialogue As Christians and Jews feel a growing need for mutual support in an increasingly secular Western world Wilson's widely acclaimed book will offer encouragement and wise guidance toward this worthy end
