Survival of the Nicest Stefan Klein, 2014-01-21 Award winning international bestselling science writer Stefan Klein explores the benefits of altruism on humanity in *Survival of the Nicest* The phrase survival of the fittest conjures an image of the most cutthroat individuals rising to the top But Stefan Klein author of *The Science of Happiness* makes the startling assertion that altruism is the key to lasting personal and societal success In fact altruism defines us Natural selection favored those early humans who cooperated in groups and with survival more assured our altruistic ancestors were free to devote brainpower to developing intelligence language and culture our very humanity Klein's groundbreaking findings lead him to a vexing question If we're really hard wired to act for one another's benefit why aren't we all getting along He believes we've learned to mistrust our instincts because success is so often attributed to selfish ambition and with an extraordinary array of material current research on genetics and the brain economics social psychology behavioral and anthropological experiments history and modern culture he makes the case that generosity for its own sake remains the best way to thrive Stefan Klein an enticing storyteller marshals the evidence for the value of altruism not only to one's family but much more interestingly to one's self and one's tribe Altruism is truly contagious

Roald Hoffman Nobel Laureate A scholarly tour de force about why generosity makes good sense *Survival of the Nicest* is also compulsively readable Klein argues convincingly that helping others is one of the best things we can do for ourselves

The Anthroposophical Soul Calendar and the Incarnation Cycle of Man Roland Schrapp, 2021-01-14 This book takes a completely new look at the Anthroposophical Soul Calendar It is about the deeper meaning of the fifty two weekly verses which has remained essentially unexplored in the last hundred years since the first edition by Rudolf Steiner A dense veil of Isis was spread over them of which is well known that no mortal person can lift it Only the immortal psycho spiritual human being who knows himself at home in the extrasensory higher worlds is capable of doing this Only to him the weekly verses reveal themselves as a travel guide through these worlds and lift him up to ever higher spiritual cosmic realms until he reaches the experience of God from where he gradually descends again into a new life on Earth enriched in spirit and fertilized in his soul If the reader embarks on this journey the

spiritual archetype of the Soul Calendar is ultimately unveiled to him and he achieves an extended understanding of Man and Christ By many quotations from Rudolf Steiner s lectures and books the author virtually lets Steiners himself elucidate the breathtaking depths of his mysterious weekly verses *The Origins of Yahwism* Jürgen van Oorschot,Markus Witte,2017-06-26 This compendium examines the origins of the God Yahweh his place in the Syrian Palestinian and Northern Arabian pantheon during the bronze and iron ages and the beginnings of the cultic veneration of Yahweh Contributors analyze the epigraphic and archeological evidence apply fundamental considerations from the cultural and religious sciences and analyze the relevant Old Testament texts **Freedom and Necessity in Modern Trinitarian Theology** Brandon Gallaher,2016 Freedom and Necessity in Modern Trinitarian Theology examines the tension between God and the world through a constructive reading of the Trinitarian theologies and Christologies of Sergii Bulgakov 1871 1944 Karl Barth 1886 1968 and Hans Urs von Balthasar 1905 1988 It focuses on what is called the problematic of divine freedom and necessity and the response of the writers Problematic refers to God being simultaneously radically free and utterly bound to creation God did not need to create and redeem the world in Christ It is a contingent free gift Yet on the other side of a dialectic he also has eternally determined himself to be God as Jesus Christ He must create and redeem the world to be God as he has so determined In this way the world is given a certain free necessity by him because if there were no world then there would be no Christ A spectrum of different concepts of freedom and necessity and a theological ideal of a balance between the same are outlined and then used to illumine the writers and to articulate a constructive response to the problematic Brandon Gallaher shows that the classical Christian understanding of God having a non necessary relationship to the world and divine freedom being a sheer assertion of God s will must be completely rethought Gallaher proposes a Trinitarian Christocentric and cruciform vision of divine freedom God is free as eternally self giving self emptying and self receiving love The work concludes with a contemporary theology of divine freedom founded on divine election **The Collected Works of Witness Lee, 1990, volume 2** Witness Lee,2021-05-28 The Collected Works of Witness Lee 1990 volume 2 contains messages given by Brother Witness Lee from February 10 through December 21 1990 During the first three months of 1990 Brother Lee was in Anaheim California In early April he traveled to Taipei Taiwan and at the end of that month he visited Hualien Taiwan He returned to Anaheim in the first part of May and remained there until the end of the third week in August During that time he visited Long Beach California At the end of August Brother Lee visited San Francisco San Jose and Berkeley California In early September he returned to Anaheim and remained there until the middle of October During that period he briefly visited San Diego and San Bernardino California In the middle of October Brother Lee traveled to the Far East and remained there until the first part of November During that period he visited Taipei and then Kota Kinabalu Sibul Kuching and Petaling Jaya Malaysia In the middle of November he returned to Anaheim and remained there until the end of the year The contents of this volume are divided into fifteen sections as follows 1 Eight messages given in Anaheim California on February 10 through
