Jewish Meditations on the Meaning of Death Chaim Z. Rozwaski, 1994-03-01 To find more information on Rowman Littlefield titles please visit us at www.rowmanlittlefield.com Three Gates to Meditation Practices Rabbi David A. Cooper, 2011-10-06 A spiritual memoir by the author of *God Is a Verb* This book is a treasure map but not like any you have seen before Most people believe that the object of a treasure hunt is to find a chest of gold The mystical approach however is that the search itself is the treasure Here is an invitation to begin an exploration of the treasure fields of your own mind the most exciting and rewarding adventure you will ever take from the Introduction Here is an insider's look at a spectrum of mystical traditions by someone who is remarkably fluent in the language of each *Three Gates to Meditation Practice* chronicles more than fifteen years in the spiritual journey of post denominational Rabbi David A Cooper and his wife Shoshana years that led the Coopers everywhere from a secluded mountain hut in New Mexico to the Sinai desert from chanting Sufi dhikr and meditation with Buddhist masters to studying Kabbalah and esoteric Judaism in the Old City of Jerusalem The Coopers story is an intimate account of what intensive spiritual practice is like with an ultimate message that is supremely inspiring The spiritual path is completely within our reach whoever we are whatever we do as long as we are willing to try **The Answers** James Smith, 2019-07-15 *The Answers* All of Them and No B S sounds like a pretty pompous statement but when you consider it this book proves that the Bible is the only perfect written composition consisting of sixty six books written by many different men inspired by God over a period of thousands of years That proves God is real using mathematics and fulfilled prophecy that He is the One Who created heaven and earth and that there is no such thing as the big bang which science keeps on trying to sell to everybody it may be something of an understatement Not many books offer true life changing information as does this one Open your mind and heart and allow the Lord God Almighty to reveal Himself to you Become a new person by the power of the blood of Jesus Go ahead Open the book Read it You'll be glad you did

Jewish Spiritual Practices Yitzhak Buxbaum, 1999-07-01 The Jewish mystic path and its practices to attain God consciousness **Pirke de Rabbi Eliezer** Gerald Friedlander, 1916 *Meditation from the Heart of Judaism* Avram Davis, 2012-08-10 Techniques explained by the masters for today's spiritual seeker Meditation is designed to give you direct access to the spiritual Whether it's through deep breathing during a busy day listening to the quiet after turning off the car radio chanting in prayer or ten minutes of visualization exercises each morning meditation takes many forms But it is always a personal method of centering our spiritual self Meditation has long been practiced in the Jewish community as a powerful tool to transcend words personality and ego and to directly experience the divine Inspiring yet practical this introduction to meditation from a Jewish perspective approaches it in a new and illuminating way As it is personally practiced by today's most experienced Jewish meditators from around the world A how to guide for both beginning and experienced meditators *Meditation from the Heart of Judaism* will help you start meditating or help you enhance your practice Meditation is a Jewish

spiritual resource for today that can benefit people of all faiths and backgrounds and help us add spiritual energy to our lives
