Experiences of Place Mary N. MacDonald, 2003 Place and orientation are important aspects of human experience Place evokes geography and culture and conjures up history and myth Place is not only a particular physical location but an idea a mental construction that captures and directs the human relationship to the world The distinguished contributors to this volume invite us to reflect on the significance of places real and imagined in the religious traditions they study and on how places are known imagined remembered and struggled for Whether looking at the ways myth and ritual reinforce the Yoruba s bond to the land or at Australian Aboriginal engagements with the origins of the created world exploring Hildegard of Bingen s experience of heaven or myths of the underworld in

contemporary American millennialism listening to oral narratives of divine politics and deserted places of Rajasthan or investigating literal and literary images of the Promised Land these essays underscore that place is constructed in the intersection of material conditions political realities narrative and ritual performance

HAUNEBU: THE SECRET FILES David Childress,2020-01-01 David Childress popular author and star of the History Channel show Ancient Aliens brings us the incredible tale of the German flying disk known as the Haunebu Although rumors of German flying disks

have been around since the late years of WWII it was not until 1989 when a German researcher named Ralf Ettl living in London received an anonymous packet of photographs and documents concerning the planning and development of at least three types of unusual craft which we would classify today as UFOs or flying saucers Ettl went on to make several television documentaries based on the material in the packet and released most of the documents and photos to researchers in Austria and other parts of Europe What the Ralf Ettl document dump shows us is what many have suspected for a long time that WWII did not end in the manner in which we have been told and a remnant of the Nazi military particularly the SS continued to operate flying saucers and submarines around the world in the decades after the end of the war This activity involving a flying saucer known as the Haunebu was particularly notable in South America but it ultimately involved all the continents of the world including Antarctica Join Childress as he shows us the secret files involving the Haunebu the Vrill craft the Andromeda craft and others Includes a 16 page color section Over 120 photographs and diagrams **Inside The Black Vault** John Greenewald, Jr., 2019-04-08 The evidence in this book may not ultimately give you the smoking gun you are looking for on your journey but I guarantee it will give you a box of bullets when you find it In 1996 John Greenewald Jr began researching the secret inner workings of the U S Government at the age of fifteen He targeted such agencies as the CIA FBI Pentagon Air Force Army Navy NSA DIA and countless others Greenewald utilized the Freedom of Information Act FOIA to gain access to more than two million pages of documents This archive includes information relating to UFOs the JFK Assassination chemical biological and nuclear weapons and top secret aircraft He took the millions of pages and over the course of more than two decades has built an archive known around the world as The Black Vault Inside The Black Vault The Government s UFO Secrets Revealed takes you on a journey within the secret world of unidentified aerial phenomenon that has plagued the military since at least the 1940s Declassified records prove that the UFO topic is one of the most highly classified and most elusive subjects the U S Government has ever dealt with Each chapter explores various agencies and their documents and Greenewald breaks down the meaning of why some of the most important documents are relevant to proving a massive cover up Along with declassified documents Greenewald outlines the struggle it took him to get them No other topic has proven so difficult in more than 8 000 FOIA requests that he has filed He explores why that might be and meets skeptics and debunkers head on outlining why some of their more prominent rebuttals for it all cannot be true The Secret Space Age Olav Phillips, 2014-07-23 In 1977 in the quiet English countryside a film was aired It was so shocking that for more then 30 years it s been discussed and analyzed But what if Alternative Three was in fact real Was it the blueprint for surviving the end of the world How does it connect to the Secret Space Program Nazi UFO s SDI and even Chemtrails Are there bases on the Moon For the first time ever shocking details about the Secret Space Program and Alternative Three are exposed The connections between some of the greatest Conspiracies of all time and a secret government program to move to Mars to survive the coming global apocalypse **UFO's Nazi Secret Weapons?** Mattern Friedrich, Christof
