The Oneness Of God Series In Pentecostal Theology Vol 1:

Oneness Pentecostalism Lloyd D. Barba, Andrea Shan Johnson, Daniel Ramírez, 2023-03-13 This volume traces the history of Oneness Pentecostalism in North America. It maps the major ideas, arguments, periodization, and historical figures, corrects long-standing misinterpretations, and draws attention to how race and gender impacted the growth and trajectories of this movement. Oneness Pentecostalism emerged in the aftermath of the Azusa Street Revival 1906, baptizing its members in the name of Jesus Christ rather than the Father, Son, and Holy Spirit, and splintering from trinitarian Pentecostals. With its rapid growth throughout the twentieth century, especially among ethnic minorities, Oneness Pentecostalism assumed a diversity of theological, ethnic, and cultural expressions. This book reckons with the multiculturalism of the movement over the course of the twentieth century. While common interpretations tend to emphasize the restorationist impulse of Oneness Pentecostalism, leading to notions of a static, unchanging movement, the contributors to this work demonstrate that the movement is much more fluid and that the interpretation of its history and theology should be grounded in the variegated North American contexts in which Oneness Pentecostalism has taken root and dynamically developed. Groundbreaking and interdisciplinary, this volume presents diverse perspectives on a significant religious movement whose modern origins are embedded within the larger Pentecostal story. It will be welcomed by religious studies scholars and by practitioners of Oneness Pentecostalism. In addition to the editors, the contributors to this volume are Daniel Chiquete, Dara Coleby, Delgado Patricia, Fortuny Loret de Mola, Manuel Gaxiola, David A. Reed, Rosa Sailes, and Daniel Segraves.

Oneness Pentecostals and the Trinity Gregory A. Boyd, 1992-06-01 What's special about Oneness Pentecostals? In this penetrating analysis of Oneness theology and practice, Gregory Boyd reveals the experience of four years of personal involvement in a Oneness church. Although Oneness Pentecostals' belief in Christ's deity establishes some common ground with other Christians, their aggressive denial of the Trinity has nonetheless fostered their indisputably sub-Christian ideas about God's character, about salvation, and about Christian living.

Essentials of Pentecostal Theology Tony Richie, 2020-01-20 Only a few decades past, academia tended to scoff at the very idea of serious Pentecostal theology. Today, profound and variegated theological implications of this dynamic movement are the object of exploration and development across the entire spectrum of the Christian theological corpus. Arguably, an acute need has arisen for identification and evaluation of the Pentecostal movement's original and ongoing theological essentials. What is Pentecostal theology really all about, anyway? This volume realizes that Pentecostal theology is at its heart a working theology, undergirding and energizing believers' worship of God in prayer and praise, in holy living, and in witness to a personal experience of the risen Lord and Savior manifested in the continuing power of the Holy Spirit. Authentic implementation, if not explicit articulation of fervent Pentecostal theology, often occurs in the vitality of local churches, house fellowships, and various mission settings in America and around the world. Birthed in the fires of revival, movements essential to Pentecostalism, including Pentecostal theology, continues to burn brightest wherever it is fueled most.

directly **Pentecostals and the Doctrine of the Trinity** Marius Nel, 2023-04-17 This book explores the complex ideas of the Trinity and God placing particular emphasis on the Pentecostal Church If Jesus and the Spirit are divine to the same extent as the God of Israel what is their relationship with the Father Traditionally the Western Church responds that there are three persons in the one God How did the early Church think about the Trinity The Church assumed that Jesus died a gruesome death on the cross to atone for our sins This implies that God required one part of the divine to die to appease another part of the divine A further complication arises when we consider that Jesus taught believers to forgive why then did God not forgive humans This book challenges the reader to rethink and reconsider their conception of God and the Trinity given that God falls outside our frame of reference and outside of our universe which we can consider our final frame of reference

Pentecostals and Charismatics in Britain Joe Aldred ,2019-04-30 Although part of a worldwide Christian spirituality Pentecostals and Charismatics in the UK are rooted in British religiosity dating back to at least the 1920s However the emergence of migrant communities from the Caribbean and Africa since the 1950s has tended to attract popular attention and consequentially has come to represent the popular public face of Pentecostals and Charismatics in Britain Latterly however an intellectual base has begun resisting the anti intellectual reputation that has attached itself to Pentecostalism This book draws upon the scholarship of eminent academics and practitioners in the field of Pentecostal and Charismatic studies who together consider the history of pentecostal and charismatic movements their relationship with mainline Christian churches and their engagement with the social economic and political world Topics covered include the theological and doctrinal marks in British Pentecostalism Anglican Pentecostal relations and the impact of the Vineyard movement on Charismatic and Pentecostal worship in the UK Contributors include Professor Anne E Dyer Mattersey Hall Professor William K Kay Chester University Professor David Hilborn Moorlands College Dr R David Muir University of Roehampton and Dr Babatunde A Adedibu Redeemed Christian Bible College Nigeria With a foreword by Justin Welby

Patterns of Christological Categorisation Marvin C. Sanguinetti, 2023-03-28 This book focuses on Christological Monotheism an underexplored area which combines two disciplines of theological appraisal often addressed as separate subjects Christological Monotheism is underexplored in the literature and even more underexplored are interpretations of Christological Monotheism from the perspectives of Christian voices within the Oneness Pentecostal faith tradition Oneness Pentecostalism offers opposing perspectives to what is considered fixed orthodoxy within the Christian faith traditions i e its views differ on doctrines relating to the nature of God and Christ from accepted norms This project seeks to include various Oneness Pentecostal interpretations to commonly held perspectives and explore what such might look like when juxtapose with Christian orthodoxy Moreover it rereads perspectives about the relationship between God and Christ offered by both traditions in the contexts of earlier contributors to Christian history all the way to the Second Temple Jewish periods and includes similar patterns exposed by various groups scholars along this trajectory

The Real Truth About Church

History James Sharp, 2012-08-20 The Real Truth About Church History answers the following questions Why is Christianity the way that it is today And how did we go from one church to over 34 000 Christian denominations worldwide This is a huge problem because the world has acknowledged this fact And the fact is this A church divided is no church at all So in order to end the division in Christianity we must all go back to the Bible and the past It is time for all Christians to speak the same things that were spoken by Christ the apostles and the saints of old after the Apostolic Age This book educates you on the hidden facts about primitive Christianity by covering the first 5 centuries of the history of the church The things that the average Christian have not been taught have been brought out more clearly in this book Also this book shoots documented facts that cannot be refuted Now more than ever there must be complete and utter unity in the body of Christ We re living in the last days so it s time for all Christians to speak the same thing by the Word of God *A Kingdom of the Truth or Deception?* David K. Hebert Th.D., 2024-12-18 This book has been the culmination of over forty years of study on the concept of defending the Christian faith against false religions and cults that oppose that faith by exposing them Since 2007 the study took on a more academic researched scholarly tone while writing one chapter in the doctoral work It was during that time frame that studying the false religions and cults took on a more focused biblical historical and Christian orthodox direction So the foundation of this book uses the Parable of the Wheat and the Weeds Tares in Matthew 13 24 30 36 43 and a clear understanding of the core orthodox Christian beliefs as the standard for Christians to compare the kingdom of God versus the kingdom of darkness and God s truth versus Satan s lies error throughout biblical history from the Garden of Eden to the present day especially as the day of Jesus Christ s return so rapidly approaches **The Incarnate Christ and His Critics** Robert M. Bowman Jr., J. Ed Komoszewski , 2024-11-12 A current comprehensive and clear defense of the deity of Christ The central theological claim of Christianity that Jesus is God incarnate finds eager detractors across a wide spectrum from scholars who interpret Jesus as a prophet angel or guru to adherents of progressive Christianity and non Christian religions and philosophies Yet thorough biblical scholarship strongly supports the historic Christian teaching on the deity of Christ Authors Robert M Bowman Jr and J Ed Komoszewski follow the approach of their landmark 2007 study on the same topic Putting Jesus in His Place They focus on five pillars of New Testament teaching using the acronym HANDS and demonstrate what both Jesus and the earliest believers recognized namely that Jesus shares in the Honors that are due God Attributes of God Names of God Deeds that God does Seat of God s eternal throne The Incarnate Christ and His Critics engages objections to the divine identity of Jesus from Jehovah s Witnesses Mormons progressive Christians Muslims Unitarians and others Bowman and Komoszewski show how biblical scholarship cannot reasonably ignore the enduring wide ranging and positive case for the deity of Christ *The Routledge Handbook of Pentecostal Theology* Wolfgang Vondey, 2020-03-31 Research on Pentecostal and Charismatic Christianity has increased dramatically in recent decades and a diverse array of disciplines have begun to address a range of elements of these movements Yet there exists very little understanding of Pentecostal theology

and it is not uncommon to encounter stereotypes and misperceptions Addressing this gap in current research The Routledge Handbook of Pentecostal Theology is an exceptional reference source to the key topics challenges and debates in this growing field of study and is the first collection of its kind to offer a comprehensive presentation and critical discussion of this subject Comprising over forty chapters written by a team of international contributors the Handbook is divided into five parts Contextualizing Pentecostal Theology Sources Theological Method Doctrines and Practices Conversations and Challenges These sections take the reader through a comprehensive introduction to what Pentecostals believe and how they practice their faith Looking at issues such as the core teachings of Pentecostalism concerning Spirit baptism divine healing or eschatology unique practices such as spiritual warfare and worship and less discussed issues such as social justice and gender each chapter builds towards a nuanced and global picture of the theology of the Pentecostal movement The Routledge Handbook of Pentecostal Theology is essential reading for students and researchers in Pentecostal Studies World Christianity and Theology as well as scholars working in contemporary Religious Studies

Doctrine Twisting H. Wayne House, Gordon A. Carle, 2003-08-29 H Wayne House and Gordon Carle show how many new religious movements distort orthodox Christian teaching on revelation the Trinity the two natures of Christ the Holy Spirit sin atonement faith and works the second coming and the afterlife

"In Jesus' Name" David A. Reed, 2019-08-26 In Jesus Name tells the story of the third stream of Pentecostalism which emerged during the formative years of the Pentecostal Revival This is the first comprehensive study of the origins history and theology of Oneness Pentecostalism the heterodox movement expelled from the Assemblies of God in 1916 for its rejection of the doctrine of the Trinity and insistence on water baptism in the name of the Lord Jesus Christ Reed traces the movement now estimated at 14 million world wide to its Pietist and Evangelical roots Its distinctive doctrine is a radical trajectory of a christocentric reaction that had already begun in early Pentecostalism Reed s study shows the inadequacy of the label of heresy in light of its thoroughgoing Pentecostal identity and theology of the Name of God This title was granted the PNEUMA award for 2009

The Jesus Who Never Lived H. Wayne House, 2008 Jesus asked no more profound question than this one that He posed to His disciples He asks that same question of you today But how can anyone know for certain who Jesus is when confronted with so many different views of Him Is He the good but powerless Jesus of world religions the less than fully God Jesus of the cults of Christianity the mystical and even sensual Jesus of Hollywood and popular media

Except the Lord Build the House Norman Eberly, 2019-05-08 At the turn of this century Tim Lahaye and Jerry Jenkins published their famous Left Behind series with the underlying plot that Jesus would abruptly appear in the sky and rapture catch away His church just prior to the worldwide Tribulation Throughout this seven year period of Tribulation the main characters who are left behind find themselves in a survival struggle under the hideous rule of the Antichrist as they earnestly await another appearance of Jesus at the end of the Tribulation clinging to the hope that they will get another chance to be saved This fictitious story is based on the predominant prophetic teachings that have

been widely accepted as orthodoxy among many non Catholic denominations But just how accurate are these conclusions when measured up to the Word of God What does the Bible really say about the Rapture and the return of our Lord and Savior Jesus Christ In *Except the Lord Build the House* author Norm Eberly constructs a doctrinal house from the ground up using the literal renderings of various passages from the Bible as a foundation Throughout its pages the reader is urged not to apply mystical interpretations to Biblical prophecies but rather to simply read the Word of God at face value in order to arrive at sound logical conclusions Later in the book numerous prophetic interpretations are introduced for the reader to ponder but only after a firm foundation that is based on the literal wordings of the Holy Scriptures has been established Written for scholars students and novice Bible readers alike and with over 100 colorful charts and illustrations this book offers a fresh approach to the study of Biblical prophecies for the endtime and presents a bold challenge to the status quo of popular Evangelical teachings concerning the Rapture and the Lord s imminent return *Encyclopedia of Cults and New Religions* John Ankerberg, John Weldon, 1999 Brief synopses of more than 30 influential groups including the Integral Yoga Institute Tibetan Buddhism and the Human Potential movement are also covered Each major group is contrasted with traditional biblical teachings for easy comparison and study Straightforward organization and clearly marked sections make this book easy to use Other helpful features include brief summaries of basic tenants and sources of authority helpful charts for quick reference an in depth doctrinal appendix for further study **BACK COVER** **Karl Barth and Pentecostal**

Theology Frank D. Macchia, Terry L. Cross, Andrew K. Gabriel, 2024-02-08 The essays in this volume evaluate and build on Barth s theology from the perspective of Pentecostal theology and thereby contribute to constructive Pentecostal systematic theology by using Barth as a valuable dialogue partner At present a theological conversation of Pentecostals with Barth does not exist and this volume fills this void More widely it will aid all those who seek a convergence of the Word and the Spirit in theology Barth and Pentecostals share some important common theological interests Barth s mature theology has a decidedly christological emphasis Likewise historically Pentecostals have often spoken of a full gospel with an emphasis on Christ as savior healer baptizer in the Spirit and soon and coming King with some Pentecostal traditions also adding a fifth emphasis on Christ the sanctifier Furthermore near the end of his life Barth anticipated the possibility of a theology of the third article a theology where the Holy Spirit would dominate and be decisive The realization of Barth s dream is no doubt coming to pass in part through the development of Pentecostal theology in as much as pneumatological theology exploring how pneumatology affects supplements and might reform other doctrines is an emerging paradigm for Pentecostal theology

The Glory of God in the Face of Jesus Christ David K. Bernard, 2019-05-21 There is now a substantial scholarly consensus for the emergence of a high or divine Christology very early and from a Jewish context but the questions of how and why need further study Within the framework of traditional Jewish monotheism Paul and other early Christians used the language of deity to describe Jesus To investigate their view of Jesus the author examines Paul s discourse in 2 Cor 3 16 4 6 employing

insights from rhetorical criticism and Oneness Pentecostal Christology He explains how early Christians proclaimed the deity of Jesus within their monotheistic Jewish context He then identifies socio rhetorical reasons for and practical consequences of the monotheistic deification of Jesus Global Renewal Christianity Vinson Synan, Amos Yong, 2017 This final volume is an authoritative collection from more than two dozen leaders and scholars of the Spirit empowered movement A Titanic Salvation Dr. Steve Joel Moffett, Sr., M.A., D.Min., 2016-10-13 This book was written to try to save the millions of souls that will be lost by the deception of the professional priesthood religious elite and denominationalism Rev Dr Steve Joel Moffett Sr M A D Min has an active 33 year ministry and is a powerful Christian Pastor who was gifted by our Creator with the entire 5 fold ministry Dr Moffett is also a Prophet Apostle Teacher and Evangelist He is in high demand as a speaker at conferences and revivals Critically Reviewed by Author **The New International Dictionary of Pentecostal and Charismatic Movements** Stanley M.
