The Onion Flower Michael A. Sardo, **The Onion Flower** Mike Sardo, 2001-08 Contemporary abstract poetry is an art form that gratifies and establishes in modern thinking an image of life Because of the complexities of 21st Century living this medium of expression is sometimes experimental in nature and may often be mistaken as primitive and bewildering Not so I say dear fellow poets keep writing this way **The Smudged Mirror** Michael A. J. Sardo, 2002-09 Michael A J Sardo approaching his 71st birthday still enjoys writing abstract poetry Some of his ideas came to him while recovering from surgery The pain he felt while recuperating was not a deterrent to his use of his creative mind Little incidental details around him did not go unnoticed These details were some of his inspiration for this book Sardo the poet continues to attack prejudice injustice and intolerance in our everyday society with sarcasm irony and mocking **The Gifted Listener** Michael Sardo, 2003 The Gifted Listener is a book for the music lover who hasn't any musical skills This small volume is about classical music and its composers It is simple and easy to read with just enough detail not to be confusing to the non musician The author has a special insight into classical music difficult even for a musician to understand In this small work a goodly amount of territory covering composers their music and personal experiences in creative listening is covered It is Sardo's opinion that listening is as creative as performing regardless of age and background It is Michael Sardo's hope that The Gifted Listener will eventually be suggested reading in high school and Junior College musical appreciation classes The author feels that his book should be considered for reading even in specialized secondary schools which concentrate in all areas of performing arts There are many excellent comprehensive music reference books on the market for serious students of music to study and read What makes The Gifted Listener unique is the way that it treats musical listening in everyday language The beauty of this book is that it makes classical music come alive and at the same time is intimate to one's daily emotions It is hoped that this book will encourage those that have not been touched with musical capability to continue on a joyful journey in creative listening such as the author has traveled **Man, State, and Society in the Soviet Union** Joseph L.
