The Only Earth We Know Hymn Texts By Fred Kaan:

Christian Hymnody in Twentieth-Century Britain and America David Music, 2001-07-30 The 20th century especially the latter decades was a time of explosive growth and importance in hymnody and yet published material about the hymnody of this period has been scattered and difficult to come by The present volume catalogues and categorizes the available writings to guide students and scholars in their research Furthermore this reference does not depend primarily on the view of the author compiler but guides users toward a broad spectrum of viewpoints about 20th century hymnody Listing the principal writings on the repertory language practice and people of hymnody during the last century this annotated bibliography offers students and researchers alike a handy reference for a vast and varied field Beginning with a unique introduction to and summary of hymnody in the 20th century Music arranges the entries by topic dividing each chapter by helpful subject headings The repertory of the twentieth century and language issues are discussed Practical elements of hymnody are covered while the final chapter lists writings about individual hymn writers and other influential persons in the field Music provides a brief annotation for each entry and uses numerous cross references guiding the reader to relevant material in other sections of the book A comprehensive index concludes this essential reference The Only Earth We Know Fred Kaan, 1999 Resources for Preaching and Worship-Year A Hannah Ward, Jennifer Wild, 2004-01-01 This is the third volume published in a three volume set of lectionary resources providing preachers and worship leaders of all denominations a host of written material for worship and reflection Designed to complement the three volumes in WJK's acclaimed Texts for Preaching this book weaves together a rich tapestry of quotations meditations poems and prayers With material from both classic and contemporary spiritual writings Resources for Preaching and Worship complements the lectionary readings for Sundays and important festival days in the church's year Biblical and thematic indexes are included Hymns for Today Brian A. Wren, 2009-01-01 Few can argue with the power of music to touch the heart Voices shared in worshipful song allow us to honor God in a truly beautiful way In Hymns for Today renowned hymn writer Brian Wren helps us understand why this is so Wren surveyed hundreds of hymns written since the 1960s to compile this discussion of forty hymn poems and to share the insights they provide for Christian faith These contemporary hymns are analyzed for how they express Christian faith and traditional themes in fresh ways Questions for discussion are included for each chapter making this book an excellent group study resource The For Today series was designed to provide reliable and accessible resources for the study and real life application of important biblical texts theological documents and Christian practices The emphasis of the series is not only on the realization and appreciation of what these subjects have meant in the past but also on their value in the present for today Thought provoking questions are included at the end of each chapter making the books ideal for personal study and group use The Biblical Psalms in Christian Worship John D. Psalms for Preaching and Worship Roger E. Van Harn, Brent A. Strawn, 2009-04-10 Psalms for Preaching and Worship a key addition to the critically acclaimed three volume Lectionary Commentary Despite the rich resources available for studying the Psalms few are as focused on their place in worship and preaching as is this volume The responsorial Psalms of the Revised Common Lectionary are here taken up in careful and often illuminating interpretation with attention also to their interaction with other lectionary texts The many ways that psalms can function meaningfully in the liturgical life of congregations are explored especially in John Witvliet's concluding section I know of no work that combines practice and substance better than this lectionary commentary Patrick D Miller Princeton Theological Seminary A fascinating book well organized well written and edited thorough and informative An excellent resource not only for preachers using the Revised Common Lectionary but also for those wishing to preach a series of sermons on the Psalms In addition worship leaders and worship committees will appreciate the many excellent ideas for using the Psalms in worship Highly recommended Sidney Greidanus author of Preaching Christ from the Old Testament and Preaching Christ from Genesis Here is something even better than a simple completion of The Lectionary Commentary which would be cause enough for gratitude Serious attention paid to this one book could go a long way toward remedying the scandalous neglect of the treasure of the Psalms in too much contemporary worship Marguerite Shuster Fuller Theological Seminary Contributors Nancy R Bowen William P Brown Walter Brueggemann Richard J Clifford Nancy L deClaiss Walford Jennifer S Green Karl N Jacobson Rolf A Jacobson Melody D Knowles Eunna P Lee Joel M LeMon James Limburg J Clinton McCann James K Mead Carol A Miles Luke A Powery Stephen Breck Reid Sandra L Richter Cynthia L Rigby Kathryn L Roberts Brent A Strawn Beth LaNeel Tanner Roger E Van Harn Raymond C Van Leeuwen J Ross Wagner Gerald H Wilson John Witvliet Christine Roy Yoder
