The Only Living Witness A True Account Of Homicidal Insanity:

Only Living Witness Stephen G. Michaud, Hugh Aynesworth, 1984 **Only Living Witness** Stephen G. Michaud, 1986-04-15 *The Last Murder* George R. Dekle Sr., 2011-05-26 This eye opening book uses the case of Ted Bundy to show how a case against a serial killer is investigated how problems common to such cases are overcome and how the prosecution team marshals and presents the evidence at trial *The Last Murder* The Investigation Prosecution and Execution of Ted Bundy follows the facts and circumstances of Kim Leach's disappearance and the investigation and prosecution of Ted Bundy in rough chronological order from Bundy's escape from a Colorado jail in 1977 to his execution at Florida State Prison in 1989 It provides an inside look at the intricacies and complications of this historic case that spanned many states and jurisdictions documenting how unselfishness and dogged determination were key to solving the case The story is told from the vantage point of one intimately involved in both the investigation and prosecution of the criminal clearly showing how friction between agencies can impede the investigation and how cooperation can expedite a solution The book emphasizes the important role played by circumstantial evidence and forensic science explores the impact of pervasive publicity upon such an investigation critiques the investigation and prosecution of Bundy and offers suggestions on how and how not to deal with celebrity killers in the future The Hateful and the Obscene Leonard W. Sumner, 2004-11-06 In a series of landmark decisions since 1990 Canadian courts have shaped a distinctive approach to the regulation of obscenity hate literature and child pornography Missing from the debate however has been any attempt to determine whether the legal status quo can be justified by reference to a framework of moral political principles *The Hateful and the Obscene* is intended to fill that gap L W Sumner brings philosophical depth and theoretical rigour to some of the most important and difficult questions concerning free expression Building on a framework set out by J S Mill that a legal restriction of expression is justified only when the expression in question is harmful to others and when the benefits of the restriction will exceed its costs Sumner shows how the Canadian courts have replicated Mill's framework in their interpretation of the Canadian Charter of Rights and Freedoms *The Hateful and the Obscene* is a compelling interpretation of freedom of expression that combines serious philosophical thought with a focus on Canadian law thus maintaining the breadth to deal with both obscenity and hate literature
