Cohabitation Alison Diduck, 2017-03-02 The law has long been interested in marriage and conjugal cohabitation and in the range of public and private obligations that accrue from intimate living This collection of classic articles explores that legal interest while at the same time locating marriage and cohabitation within a range of intimate affiliations. It offers the perspectives of a number of international scholars on questions of how if at all our different ways of intimacy ought to be recognised and regulated by law

Alone Together Paul R. Amato, Alan Booth, David R. Johnson, Stacy J. Rogers, 2009-06-30 Based on two studies of marital quality in America twenty years apart Alone Together shows that while the divorce rate has leveled off spouses are spending less time together. The authors argue that marriage is an adaptable institution and in accommodating the changes that have occurred in society it has become a less cohesive yet less confining arrangement.

The Code of Federal Regulations of the United States of America, 1985 The Code of Federal Regulations is the codification of the general and permanent rules published in the Federal Register by the executive departments and agencies of the Federal Government A House in St. John's Wood Matthew Spender, 2015-10-27 A son's personal exploration of one of the most influential and troubled artistic couples of the twentieth century Stephen Spender's life with all its secrets successes and contradictions is a vivid prism through which to view the twentieth century He befriended Auden and Isherwood while at Oxford and together the three had wildly transgressive adventures in Europe and were early vocal critics of Hitler and the rise of fascism in their celebrated writings Like his friends Spender was drawn to other men yet he eventually married Natasha a world renowned concert pianist and started a family In the midst of a heady world of poetry and liberal politics gay love affairs and tense silences Matthew Spender grew up the child of two brilliant artists Taught how to use adjectives by Uncle Auden and raised among the British cultural elite Matthew led what might have been a charmed existence were it not for the tensions in his own household His father always susceptible to the allure of young men was unable to stop himself or reveal his secret for the sake of his family and his mother's suffering led her to infatuations of her own Stephen Spender In Search of My Father is a son s attempt to reconstruct a portrait of his magnetic father and unconventional family out of the ambiguous experiences of his childhood Drawing on unpublished letters and diaries family keepsakes and youthful memories Matthew Spender tells the story of a singular family in the midst of its own cold war as the artistic world of mid century London circled around them Finding a Life Partner Rajendra Gour, 2011-04-06 This is a valuable journey that the writer takes us all on in his book He hopes the lesson he learned and the tips his book off ers its readers will make their life journey smooth and happy Is There a New and Better Way The writer tries to show how we can find and build a good relationship with a marriage partner He deals with important cultural and societal issues that might lead to our not getting married and problems that can lead to divorce or worse after marriage The author also discusses practical solutions and ideas for how we can address and resolve the problems that do often appear in all relationships and marriages It is most interesting that at the end the author strongly suggests that most good marriages do come full circle and both partners do accept that what they have is positive and spiritual and worth keeping Th at is the valuable journey this writer takes us all on in this book and the lesson he hopes this book gives to his readers Society always evolves and it is always good to take what worked well in the past with you to create a better future **Family Life and Family Policies in Europe** Franz-Xaver Kaufmann, 2002 This volume is a comparative study of family change in Europe and its dependency on social policy regimes The authors explore family discourse family law single parents gender relations the new fathers divorce and abortion within the framework of national policies vis a vis the family Conventional wisdom assumes that policy decisions affecting the life situation of a population shape different opportunities for private living particularly in relation to children and the family But the authors argue it would be too simplistic to assume a direct causal link between welfare policies for the family and developments in the family sector Family change is in fact mediated by institutional factors as well as by cultural traditions and political intervention The chapters in this volume deal with the substantial and methodological problems of ascertaining the impact of different national policy regimes on family change Families without Fathers David Popenoe, 2017-07-12 The American family is changing Divorce single parents and stepfamilies are redefining the ways we live together and raise our children Many experts feel these seemingly inevitable changes should be celebrated they claim that the new families which often lack a strong father are actually healthier than traditional two parent families or at the very least do children no harm But as David Popenoe shows in Families Without Fathers this optimistic view is severely misguided Examining evidence from social and behavioral science history and evolutionary biology Popenoe shows why fathers today are deserting their families in record numbers. The disintegration of the child centered two parent family especially in the inner cities where as many as two in three children are growing up without their fathers and the weakening commitment of fathers to their children that more and more follows divorce are central causes of many of our worst individual and social problems Juvenile delinquency drug and alcohol abuse teenage pregnancy welfare dependency and child poverty can be directly traced to fathers lack of involvement in their children's lives Our situation will only get worse Popenoe warns unless men are willing to renew their commitment to their marriages and to their children Yet he is not just an alarmist He suggests concrete policies and new ways of thinking and acting that will help all fathers improve their marriages and family lives and tells us what we as individuals and as a society can do to support and strengthen the most important thing a man can do

Henry G. Spooner, 1919 What's Love Got to Do with it: The Evolution of Monogamy Alexander G. Ophir, Nancy G. Solomon, 2020-06-25 Core Values in American Life Arthur Neal, 2017-09-29 What values do Americans hold dear What happens when real world situations cause those values to conflict To better understand the intellectual map of how American society works Arthur G Neal and Helen Youngelson Neal analyze values prominent in American word and deed These values appear in our nation's formal documents rights and privileges prominently emphasized in the US Constitution and inscribed on the Statue of Liberty They have shaped the historical destiny and indeed include those values most extensively propagated by the general population Using these criteria the authors identify individualism the pursuit of happiness freedom consumerism materialism equality of opportunity technology mastery of the environment quality of marriage and national unity as the core American values Core values provide the raw materials for the construction of contemporary society as a moral community wherever that community is located Such values are clusters of ideas that are central to self identities they generate a sense of collective belonging and membership As such core values define the existing social order and advance a set of ideas for depicting a desirable future The analysis presented here helps us understand contemporary conflicts inherent in the American value system and the problems confronted by Americans as they try to live within the limitations and contradictions of value systems
