Joywords Frank Mosca, 2000-12-14 Joywords is an introduction to the Option Method that utilizes both a step by step conceptual framework and actual edited dialogues with nine people who profited from this educational experience You will find issues of panic attacks sexual abuse marital discord failing health loss of direction in life breaking free from the constraints of the opinions of others fear of death guilt and the legacy of the Holocaust all addressed by individuals who came to burst the bonds of the assumptions that stood between them and a fuller and ongoing embrace of their here and now happiness and joy Here is an elegant deceptively simple but enormously powerful tool that can lift you beyond the suppositions of Old Age or New Age approaches and truly set you on a course of liberation from the many forms of unhappiness that plague our every day lives You become the expert on you using this dialogue questioning method There are
