Sven-Johan Spånberg

The Ordeal Of Richard Feverel And The Traditions Of Realism:

The Ordeal of Richard Feverel and the Traditions of Realism Sven-Johan Spånberg, 1971 The ordeal of Richard Feverel and the traditions of realism ,1971 *The Ordeal of Richard Feverel and the Traditions of Realism* Sven-Johan Spånberg, 1974 The Ordeal of Richard Feverel and the Traditions of Realism Sven-Johan Spånberg, 1974 **The Ordeal of Richard Feverel and the Tradition of Realism** Sven-Johan Spånberg, 1971 The Experimental Impulse in George Meredith's Fiction Richard C. Stevenson, 2004 This book argues that George Meredith as a writer of Victorian fiction is most critical for us today because of the ways in which he wrote against convention The focus is on seven novels *An Essay on Comedy* *The Ordeal of Richard Feverel* *The Adventures of Harry Richmond* *The Egoist* *One of Our Conquerors* *Lord Ormont and His Aminta* and *The Amazing Marriage* which clearly illuminate the experimental and transgressive impulse in Meredith as seen in his treatment of controversial contemporary themes in his departures from conventions of genre and in his innovations with narrative technique and the representation of consciousness canonical writers we now associate with the first wave of modernism in the English novel James and then Woolf Forster Lawrence Conrad Ford and Joyce to varying degrees all saw Meredith as an influence to be reckoned with in their own novelistic experimentation an influence this book proposes essential to understanding the modernist translation of nineteenth century realism into new formal thematic and psychological realms twentieth century British novel at the University of Oregon Meredith and the Novel Neil Roberts, 1997-05-13 Meredith is a novelist whom many readers have discovered with excitement drawn to his radical portrayal of social and personal relations especially of gender Neil Robert s book is the first full length study for ten years and is the first to examine the novels in the light of modern literary theory especially the work of Mikhail Bakhtin showing that Meredith is a writer who engages profoundly with the ideological discourses of his time and is a still not fully discovered precursor of the modernist novel *Encyclopedia of the Novel* Paul Schellinger, 2014-04-08 The Encyclopedia of the Novel is the first reference book that focuses on the development of the novel throughout the world Entries on individual writers assess the place of that writer within the development of the novel form explaining why and in exactly what ways that writer is important Similarly an entry on an individual novel discusses the importance of that novel not only form analyzing the particular innovations that novel has introduced and the ways in which it has influenced the subsequent course of the genre A wide range of topic entries explore the history criticism theory production dissemination and reception of the novel A very important component of the Encyclopedia of the Novel is its long surveys of development of the novel in various regions of the world *The English Novel In History 1840-1895* Elizabeth Ermarth, 2006-09-07 The construction of history as a social common denominator is a powerful achievement of the nineteenth century novel a form dedicated to experimenting with democratic social practice as it conflicts with economic and feudal visions of social order Through revisionary readings of familiar nineteenth century texts *The English Novel in History 1840 1895* takes a multidisciplinary approach to literary

history It highlights how narrative shifts from one construction of time to another and reformulates fundamental ideas of identity nature and society Elizabeth Ermarth discusses the range of novels alongside other cultural material including painting science religious political and economic theory She explores the problems of how a society as defined in democratic terms can accommodate political gender and class differences without resorting to hierarchy and how narrowly conceived economic agendas compete with social cohesion Students advanced undergraduates postgraduates and specialists will find this text invaluable

The Mind of the Child Sally Shuttleworth, 2010-07-08 In the 1840s novelists such as Brontë and Dickens began to explore the inner world of the child Simultaneously the first psychiatric studies of childhood were appearing Moving between literature and science this book explores issues such as childhood fears imaginary lands sexuality and the relation of the child to animal life

The Ordeal of Richard Feverel George Meredith, 2019-12-23 In *The Ordeal of Richard Feverel* George Meredith explores the complexities of adolescence and the challenges of personal integrity within Victorian society Through the journey of Richard a young man navigating the tumultuous waters of love identity and familial expectation Meredith employs a novelistic style that intertwines psychological depth with vivid characterizations The narrative deftly blends realism with philosophical reflection illustrating the strife between individual desire and societal norms while examining the repercussions of misguided education and the concept of the natural man Meredith's innovative use of free indirect discourse allows readers to penetrate the consciousness of his characters fostering a profound engagement with their inner lives George Meredith a prominent figure in the Victorian literary landscape was deeply influenced by his own experiences of love and loss as well as his observations of societal constraints His background in poetry and novel writing allowed him to approach narrative construction with a unique sensitivity making him a forerunner of modern psychological fiction Meredith's exploration of ethical dilemmas and emotional authenticity reflects a broader concern in his work rooted in the conflicts of his own life I highly recommend *The Ordeal of Richard Feverel* for readers interested in the intersections of psychological insight and societal critique This novel not only illuminates the challenges faced by youth in a repressive society but also offers timeless reflections on personal growth and moral responsibility Meredith's masterful storytelling invites contemporary readers to ponder the enduring nature of self discovery and the human condition In this enriched edition we have carefully created added value for your reading experience A succinct Introduction situates the work's timeless appeal and themes The Synopsis outlines the central plot highlighting key developments without spoiling critical twists A detailed Historical Context immerses you in the era's events and influences that shaped the writing An Author Biography reveals milestones in the author's life illuminating the personal insights behind the text A thorough Analysis dissects symbols motifs and character arcs to unearth underlying meanings Reflection questions prompt you to engage personally with the work's messages connecting them to modern life Hand picked Memorable Quotes shine a spotlight on moments of literary brilliance Interactive footnotes clarify unusual references historical allusions and

archaic phrases for an effortless more informed read [The Durham University Journal](#) University of Durham,1977

[Study Guide to The Ordeal of Richard Feverel by George Meredith](#) Intelligent Education,2020-02-15 A comprehensive study guide offering in depth explanation essay and test prep for George Meredith s The Ordeal of Richard Feverel published in 1859 and regarded as his best work As a philosophical novel The Ordeal of Richard Feverel tells the story of an abusive father and his son who fell in love with a girl of a lower social class Moreover Meredith uses intellectualism satire and poetry to explore human motive and rationalization This Bright Notes Study Guide explores the context and history of Meredith s classic work helping students to thoroughly explore the reasons it has stood the literary test of time Each Bright Notes Study Guide contains Introductions to the Author and the Work Character Summaries Plot Guides Section and Chapter Overviews Test Essay and Study Q As The Bright Notes Study Guide series offers an in depth tour of more than 275 classic works of literature exploring characters critical commentary historical background plots and themes This set of study guides encourages readers to dig deeper in their understanding by including essay questions and answers as well as topics for further research **Library of Congress Catalog** Library of Congress,1970 **Library of Congress Catalogs** Library of Congress,1976 [A History of the Bildungsroman](#) Petru Golban,2018-09-30 This book establishes a vector of methodology in the approach to a particular type of fictional discourse namely the English Bildungsroman the novel of identity formation Its wide ranging critical perspectives are also useful to anyone concerned with first of all European and English novelistic genres but also to those interested in theoretical perspectives of modern fiction studies in general as well as in certain aspects of Western literature as a developing tradition [The Physics of Possibility](#) Michael Tondre,2018-08-16 The Physics of Possibility traces the sensational birth of mathematical physics in Victorian literature science and statistics As scientists took up new breakthroughs in quantification they showed how all sorts of phenomena the condition of stars atoms molecules and nerves could be represented as a set of probabilities through time Michael Tondre demonstrates how these techniques transformed the British novel Fictions of development by Charles Dickens George Eliot and others joined the vogue for alternative possibilities Their novels not only reflected received pieties of maturation but plotted a wider number of deviations from the norms of reproductive adulthood By accentuating overlooked elements of form Tondre reveals the novel s changing identification with possible worlds through the decades when physics became a science of all things In contrast to the observation that statistics served to invent normal populations Tondre brings influential modes of historical thinking to the foreground His readings reveal an acute fascination with alternative temporalities throughout the period as novelists depicted the categories of object action and setting in new probabilistic forms Privileging fiction s agency in reimagining historical realities never simply sanctioning them Tondre revises our understanding of the novel and its ties to the ascendant Victorian sciences **George Gissing and the Place of Realism** Rebecca Hutcheon,2021-06-22 This collection explores Gissing s place in the narrative of fin de si cle literature Together chapters here theorise how late Victorian spatial and

generic norms are confronted explored and performed in Gissing's works. In addition to presenting new readings of the major novels and introducing readers to lesser known works, the collection advocates Gissing's importance as a journalist, short story and travel writer. It also recognises Gissing as a central proponent in the late Victorian realism debate. The book like today's nineteenth century studies is interdisciplinary. It includes familiar interpretive approaches: biographical, historicist and comparative, together with fresh perspectives informed by ecocriticism, materiality and cultural performance. In addition, it is markedly comparative in scope. Gissing is read alongside familiar authors like Dickens, Ruskin and Hardy, but also and more unusually Nietzsche, Besant, Freud and Foucault. Collectively, these chapters illustrate that Gissing, though attentive to contemporary issues, is neither uncomplicatedly realist nor are his writings uncomplicated historical records of place.

Epic Tradition and Innovation in James Macpherson's Fingal Josef Bysveen, 1982 Fatherhood, Authority, and British Reading Culture, 1831-1907 Melissa Shields Jenkins, 2016-04-15

During a period when the idea of fatherhood was in flux and individual fathers sought to regain a cohesive collective identity, debates related to a father's authority were negotiated and resolved through competing documents. Melissa Shields Jenkins analyzes the evolution of patriarchal authority in nineteenth century culture, drawing from extra-literary and non-narrative source material as well as from novels. Arguing that Victorian novelists reinvent patriarchy by recourse to conduct books, biography, religious manuals, political speeches and professional writing in the fields of history and science, Jenkins offers interdisciplinary case studies of Elizabeth Gaskell, George Meredith, William Makepeace Thackeray, George Eliot, Samuel Butler and Thomas Hardy. Jenkins's book contributes to our understanding of the part played by fathers in the Victorian cultural imagination and sheds new light on the structures underlying the Victorian novel.
