The Oriental Americans

Howard Brett Melendy

The Oriental Americans:

The Oriental Americans Howard Brett Melendy, 1972 **Orientalism** Robert G. Lee, 2011-01-19 Sooner or later every Asian American must deal with the question Where do you come from It is probably the most familiar if least aggressive form of racism It is a tip off to the persistent notion that people of Asian ancestry are not real Americans that Orientals never really stop being loyal to their foreign homeland no matter how long they or their families have been in this country Confronting the cultural stereotypes that have been attached to Asian Americans over the last 150 years Robert G Lee seizes the label Oriental and asks where it came from The idea of Asians as mysterious strangers who could not be assimilated into the cultural mainstream was percolating to the surface of American popular culture in the mid nineteenth century when Chinese immigrant laborers began to arrive in this country in large numbers Lee shows how the bewildering array of racialized images first proffered by music hall songsters and social commentators have evolved and become generalized to all Asian Americans coalescing in particular stereotypes Whether represented as Pollutant Coolie Deviant Yellow Peril Model Minority or Gook the Oriental is portrayed as alien and a threat to the American family the nation writ small Refusing to balance positive and negative stereotypes Lee connects these stereotypes to particular historical moments each marked by shifting class relations and cultural crises Seen as products of history and racial politics the images that have prevailed in songs fiction films and nonfiction polemics are contradictory and complex Lee probes into clashing images of Asians as for instance seductively exotic or devious despoilers of white racial purity admirably industrious or an insidious threat to native laborers When Lee dissects the ridiculous villainous or pathetic characters that amused or alarmed the American public he finds nothing generated by the real Asian American experience whether they come from the Gold Rush camps or Hollywood films or the cover of Newsweek these inhuman images are manufactured to play out America's racial myths Orientals comes to grips with the ways that racial stereotypes come into being and serve the purposes of the dominant culture **A New History of Asian America** Shelley Sang-Hee Lee, 2013-10-01 A New History of Asian America is a fresh and up to date history of Asians in the United States from the late eighteenth century to the present Drawing on current scholarship Shelley Lee brings forward the many strands of Asian American history highlighting the distinctive nature of the Asian American experience while placing the narrative in the context of the major trajectories and turning points of U S history Covering the history of Filipinos Koreans Asian Indians and Southeast Indians as well as Chinese and Japanese the book gives full attention to the diversity within Asian America A robust companion website features additional resources for students including primary documents a timeline links videos and an image gallery From the building of the transcontinental railroad to the celebrity of Jeremy Lin people of Asian descent have been involved in and affected by the history of America A New History of Asian America gives twenty first century students a clear comprehensive and contemporary introduction to this vital history

The Making of Asian America Erika Lee, 2015-09 In the past fifty years Asian Americans have helped change the face of

America and are now the fastest growing group in the United States But as historian Erika Lee reminds us Asian Americans also have deep roots in the country The Making of Asian America tells the little known history of Asian Americans and their role in American life from the arrival of the first Asians in the Americas to the present day An epic history of global journeys and new beginnings this book shows how generations of Asian immigrants and their American born descendants have made and remade Asian American life in the United States sailors who came on the first trans Pacific ships in the 1500s to the Japanese Americans incarcerated during World War II Over the past fifty years a new Asian America has emerged out of community activism and the arrival of new immigrants and refugees No longer a despised minority Asian Americans are now held up as America s model minorities in ways that reveal the complicated role that race still plays in the United States Published to commemorate the fiftieth anniversary of the passage of the United States Immigration and Nationality Act of 1965 that has remade our nation of immigrants this is a new and definitive history of Asian Americans But more than that it is a new way of understanding America itself its complicated histories of race and immigration and its place in the world today Jacket *Claiming the Oriental Gateway* Shelley Sang-Hee Lee,2011 How the interests of Seattle and Japanese Americans were linked in the processes of urban boosterism before World War II *History of Asian Americans* Jonathan H. X. Lee,2015-01-16 A comprehensive compelling and clearly written title that provides a rich examination of the history of Asians in the United States covering well established Asian American groups as well as emerging ones such as the Burmese Bhutanese and Tibetan American communities History of Asian Americans Exploring Diverse Roots supplies a concise easy to use yet comprehensive resource on Asian American history Chronologically organized it starts with Chinese immigration to the United States and concludes with coverage of the most recent Asian migrant populations describing Asian American lives and experiences and documenting them as an essential part of the continuously evolving American experience and mosaic The book discusses domestic as well as international influencing factors in Asian American history thereby providing information within a transnational framework An ideal resource for high school and undergraduate level students as well as general readers interested in learning about the history of Asian Americans the chapters employ critical racialization and ethnic studies discourses that put Asian and Asian Americans subjects in an insightful comparative perspective The book also specifically addresses the important roles played by Asian American women across history **Asian American Dreams** Helen Zia,2000-03-09 The fascinating story of the rise of Asian Americans as a politically and socially influential racial group This groundbreaking book is about the transformation of Asian Americans from a few small disconnected and largely invisible ethnic groups into a self identified racial group that is influencing every aspect of American society It explores the junctures that shocked Asian Americans into motion and shaped a new consciousness including the murder of Vincent Chin a Chinese American by two white autoworkers who believed he was Japanese the apartheid like working conditions of Filipinos in the Alaska canneries the boycott of Korean American greengrocers in Brooklyn the Los Angeles riots and the casting of non

Asians in the Broadway musical Miss Saigon The book also examines the rampant stereotypes of Asian Americans Helen Zia the daughter of Chinese immigrants was born in the 1950s when there were only 150 000 Chinese Americans in the entire country and she writes as a personal witness to the dramatic changes involving Asian Americans Written for both Asian Americans the fastest growing population in the United States and non Asians Asian American Dreams argues that America can no longer afford to ignore these emergent vital and singular American people **The Oriental Obscene** Sylvia Shin Huey Chong,2012 This book explores the impact of media representations of violence during the Vietnam War on people in the U S specifically how images of violence done to and by the Vietnamese were traumatic in ways that deeply affected the American psyche **Asian Americans** Association for Asian American Studies. Meeting,1991 Asian American experiences in the various regions of the United States are compared and contrasted with attention also given to class gender ethnicity acculturation perception of self and generational problems **Asian Americans** Pyong Gap Min,2006 Compared to many existing texts on this subject which tend to take a rather historical approach this book focuses on more contemporary Asian experiences Thus Min has provided a new tool for those of use who have looked for adequate material to teach current Asian American trends in advanced undergraduate courses in the sociology of race as well as in ethnic studies Encompassing a variety of perspectives from prominent scholars makes this book a valuable device to examine the less visible aspects of Asian Americans lives Students and educators alike would certainly benefit from diligent study of this text TEACHING SOCIOLOGY reviewed October 2006 by Etsuko Maruoka SUNY Stony BrookOffering a broad overview of the Asian American experience Asian Americans provides an accessible resource for all students interested in the expanding and important Asian American population While historical information is provided for each group the main focus is on the variables and issues that impact Asian American life today The scholars who author the chapters look at topics such as labor force participation and economic status educational achievements intermarriage intergroup relations and settlement patterns Photo essays help to enhance the presentations Key Features Covers the Asian American population as a whole as well as individual ethnic groups i e Korean Americans Indian Americans etc Covers theories as well as providing sociological data to illustrate issues for Asian Americans as a whole and as individual groups Visual essays on the following topics provide powerful illustrations of the text content Filipino Americans Japanese Americans Korean Americans Chinese Americans South Asian Americans Southeast Asian Americans Economic Adaptation Second Generation Experiences Updated to not only include information derived from 2000 Census data but also has a focus on the second generation experience **Claiming the Oriental Gateway** Shelley Sang-Hee Lee,2010-12-10 In Claiming the Oriental Gateway Shelley Sang Hee Lee explores the various intersections of urbanization ethnic identity and internationalism in the experience of Japanese Americans in early twentieth century Seattle She examines the development and self image of the city by documenting how U S expansion Asian trans Pacific migration and internationalism were manifested locally and how these forces affected residents relationships with one

another and their surroundings Lee details the significant role Japanese Americans both immigrants and U S born citizens played in the social and civic life of the city as a means of becoming American Seattle embraced the idea of cosmopolitanism and boosted its role as a cultural and commercial Gateway to the Orient at the same time as it limited the ways in which Asian Americans could participate in the public schools local art production civic celebrations and sports She also looks at how Japan encouraged the notion of the gateway in its participation in the Alaska Yukon Pacific Exposition and International Potlach Claiming the Oriental Gateway thus offers an illuminating study of the Pacific Era and trans Pacific relations in the first four decades of the twentieth century *Claiming America* K. Wong,2011-02-07 A collection of essays that recovers the lives and experiences of individuals who staked their claim to Chinese American identity **Asian American Issues Relating to Labor, Economics, and Socioeconomic Status** Franklin Ng,2014-06-23 In the late 19th and early 20th century labor issues fanned the flames of anti Asian sentiment as they continue to do to this day These essays explore the topics of immigration and work ethnic economics and enclaves the role of middlemen minorities Southeast Asian refugee employment and issues of class hierarchy immigrant recruitment intra community exploitation and poverty in Asian American communities **Asian American History and Culture: An Encyclopedia** Huping Ling,Allan W. Austin,2015-03-17 With overview essays and more than 400 A Z entries this exhaustive encyclopedia documents the history of Asians in America from earliest contact to the present day Organized topically by group with an in depth overview essay on each group the encyclopedia examines the myriad ethnic groups and histories that make up the Asian American population in the United States Asian American History and Culture covers the political social and cultural history of immigrants from East Asia Southeast Asia South Asia the Pacific Islands and their descendants as well as the social and cultural issues faced by Asian American communities families and individuals in contemporary society In addition to entries on various groups and cultures the encyclopedia also includes articles on general topics such as parenting and child rearing assimilation and acculturation business education and literature More than 100 images round out the set **In Defense of Asian American Studies** Sucheng Chan,2005 In Defense of Asian American Studies offers fascinating tales from the trenches on the origins and evolution of the field of Asian American studies as told by one of its founders and most highly regarded scholars Wielding intellectual energy critical acumen and a sly sense of humor Sucheng Chan discusses her experiences on three campuses within the University of California system as Asian American studies was first developed in response to vehement student demand under the rubric of ethnic studies Chan speaks by turns as an advocate and an administrator striving to secure a place for Asian American studies as a teacher working to give Asian American students a voice and white students a perspective on race and racism and as a scholar and researcher still asking her own questions The essays span three decades and close with a piece on the new challenges facing Asian American studies Eloquently documenting a field of endeavor in which scholarship and identity define and strengthen each other In Defense of Asian American Studies combines analysis

personal experience and indispensable practical advice for those engaged in building and sustaining Asian American studies programs *Asian American Racialization and the Politics of U.S. Education* Wayne Au, 2024-08-01 Asian American Racialization and the Politics of U S Education explores issues surrounding Asian American education in the United States and how they relate to educational theory policy and practice The book challenges stereotypes and assumptions that pervade U S education restores absent histories of Asian American people in this context and provides concrete examples of educational actions and policies that enable anti racist educational work to go on It argues that understanding Asian American racialization in the U S is essential to fighting white supremacy in schools and communities Utilizing frameworks from Asian American Studies and Cultural Studies this book will be important reading for those interested in doing anti racist liberatory and abolitionist educational work In particular it will be relevant for those working or researching in the fields of Asian American Education Multicultural Education Social Justice Education and Critical Education **The Greenwood**

Encyclopedia of Asian American Literature Guiyou Huang, 2008-12-30 Asian American literature dates back to the close of the 19th century and during the years following World War II it significantly expanded in volume and diversity Monumental in scope this encyclopedia surveys Asian American literature from its origins through 2007 Included are more than 270 alphabetically arranged entries on writers major works significant historical events and important terms and concepts Thus the encyclopedia gives special attention to the historical social cultural and legal contexts surrounding Asian American literature and central to the Asian American experience Each entry is written by an expert contributor and cites works for further reading and the encyclopedia closes with a selected general bibliography of essential print and electronic resources While literature students will value this encyclopedia as a guide to writings by Asian Americans the encyclopedia also supports the social studies curriculum by helping students use literature to learn about Asian American history and culture as it pertains to writers from a host of Asian ethnic and cultural backgrounds including Afghans Chinese Japanese Koreans Filipinos Iranians Indians Vietnamese Hawaiians and other Asian Pacific Islanders The encyclopedia supports the literature curriculum by helping students learn more about Asian American literature In addition it supports the social studies curriculum by helping students learn about the Asian American historical and cultural experience **Asian**

American Religious Cultures Jonathan H. X. Lee, Fumitaka Matsuoka, Edmond Yee, Ronald Y. Nakasone, 2015-09-01 A resource ideal for students as well as general readers this two volume encyclopedia examines the diversity of the Asian American and Pacific Islander spiritual experience Despite constituting a fairly small proportion of the U S population roughly 5 percent Asian Americans are a widely diverse group with equally heterogeneous religious beliefs and traditions This encyclopedia provides a single source for authoritative information on the Asian American and Pacific Islander religious experience addressing South Asian Americans such as Indian Americans and Pakistani Americans East Asian Americans including Chinese Americans Japanese Americans and Korean Americans and Southeast Asian Americans whose ethnicities

include Filipino Americans Thai Americans and Vietnamese Americans Pacific Islanders include Hawaiians Samoans Marshallese Tongan and Chamorro The coverage includes not only traditional eastern belief systems and traditions such as Buddhism Confucianism and Hinduism as well as Micronesian and Polynesian religious traditions in the United States but also the culture and religious rituals of Asian American Christians

The Oxford Handbook of Asian American History

David Yoo, Eiichiro Azuma, 2016 The Oxford Handbook of Asian American History brings together 27 essays that engage the state of the field with historiographically informed but creative approaches to this diverse and vibrant area The chapters trace Asian American history from the beginning of the migration flows toward the Pacific Islands and the American continent to Japanese American incarceration and Asian American participation in World War II from the experience of exclusion violence and racism to the social and political activism of the late twentieth century The authors explore many of the key aspects of the Asian American experience including politics economy intellectual life the arts education religion labor gender family urban development and legal history

Asian American History Day by Day Jonathan H. X. Lee, 2018-10-12

For student research this reference highlights the importance of Asian Americans in U S history the impact of specific individuals and this ethnic group as a whole across time documenting evolving policies issues and feelings concerning this particular American population Asian American History Day by Day A Reference Guide to Events provides a uniquely interesting way to learn about events in Asian American history that span several hundred years and the contributions of Asian Americans to U S culture in that time The book is organized in the form of a calendar with each day of the year corresponding with an entry about an important event person or innovation that span several hundred years of Asian American history and references to books and websites that can provide more information about that event Readers will also have access to primary source document excerpts that accompany the daily entries and serve as additional resources that help bring history to life With this guide in hand teachers will be able to more easily incorporate Asian American history into their classes and students will find the book an easy to use guide to the Asian American past and an ideal jumping off point for more targeted research

The Oriental Americans Introduction

In the digital age, access to information has become easier than ever before. The ability to download The Oriental Americans has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The Oriental Americans has opened up a world of possibilities. Downloading The Oriental Americans provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The Oriental Americans has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The Oriental Americans. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The Oriental Americans. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The Oriental Americans, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The Oriental Americans has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About The Oriental Americans Books

1. Where can I buy The Oriental Americans books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a The Oriental Americans book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of The Oriental Americans books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are The Oriental Americans audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read The Oriental Americans books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
