The Other Side of Pregnancy Sherry Lynn Mims Jiménez, 1982-01-01      *Pastoral Care in Pregnancy Loss* Thomas Moe, 2014-01-02 Until now the church has been unaware of the need for ministry to those suffering from pregnancy loss At a time when approximately one in four pregnancies ends in loss the need to understand and provide caring ministry is painfully obvious *Pastoral Care in Pregnancy Loss* introduces the religious community to the issue of pregnancy loss and describes the ministries that can be helpful to those who experience these tragedies Effective ministry in pregnancy loss requires that one develop basic life theories in order to prepare for such in depth care Thus the book is more than a how to as it explores why there is suffering and why some suffer more than others how to find grace when God seems far away how to minister when we don't have answers and how religious ministry can consistently work with other helping professionals in support of the individual With the foundation of ministry theory provided by *Pastoral Care in Pregnancy Loss* you can help your faith community develop strategies for ministry to those suffering from pregnancy loss Numerous case studies illustrate what is usually done wrong in providing pastoral care in these difficult and delicate situations and explain why those who experience loss may blame themselves why they may blame God and why they may not feel able to return to church Providing helpful insight to hospital pastoral care departments church libraries funeral directors counselors and psychologists nursing and obstetrics professionals and seminaries with a marriage and family ministry specialty this book provides readers with information about three types of pregnancy loss miscarriage still birth and neonatal loss church outreach the grieving process victims as consenters or experiencers the spiritual needs of those suffering loss practical ministries crisis support and long term support *Pastoral Care in Pregnancy Loss* furthers your understanding of pregnancy loss by enumerating theories on how suffering and loss are viewed by those suffering either as a time of testing a time of training a mystery of God a sign of punishment and warning or as having no meaning The book also shows how pregnancy loss affects five different types of personal relationships and discusses both immediate and long term concerns of providing pastoral care From helping the victim find meaning or reason for the loss to providing support in preparing for future pregnancies this book provides much needed guidance to an often neglected ministry      **Confronting the Loss of a Baby** Yamin Levy, 1998

**Children Mourning, Mourning Children** Kenneth J. Doka, 2014-01-21 Based on the Hospice Foundation of America's second annual teleconference this book explores three basic themes in children's grief Firstly it maintains that children are always developing therefore their understanding of death and their reactions to illness and loss are also multifaceted and constantly undergoing change Secondly children grieve in ways that are both different from and similar to adults While they may need different therapeutic approaches from their elders each loss is different and the grief experience will be affected by many of the same factors that affect adults Thirdly it holds that they need significant support as they grieve Talking to children about loss and illness is too important to wait until a crisis rather it is essential to provide opportunities to

discuss loss in times that are not so Emotionally Laden This Book Aims To Demonstrate That Open Communication between parents and children will lead to skills and understanding that are essential to the child for coping with loss and reaffirming that death is part of the process of living      *Mother with Child* Kathryn Allen Rabuzzi,1994-02-22 Rabuzzi rejects the status quo presenting viable often spiritual alternatives to prevailing high tech patriarchal models of childbirth Booklist Rabuzzi author of *The Sacred and the Feminine* and *Motherself* contends that childbearing has been denigrated denied and devalued This book is intended to help women rename re ritualize reinterpret and reframe childbearing for themselves and their partners A lovely book It is a book for anyone wishing to reexamine and reclaim birth s potential for sacredness Robbie Davis Floyd author of *Birth as an American Rite of Passage* Excellent The Reader s Review      **Anthropology of Pregnancy Loss** Rosanne Cecil,2020-08-26 How much influence does culture have on a mother s reactions to pregnancy loss At what stage is a fetus attributed with human status How does this affect the mother s reactions to the loss of a baby Contemporary historical and oral history accounts from regions as diverse as rural North India urban America South Africa and Northern Ireland provide a fascinating insight into the experience and management of miscarriage across a number of different cultures The authors explore how the social technological and medical context in which miscarriages occur can affect the ways in which women experience such an event In the West advances in medical technology a low infant mortality rate and a low birth rate have raised expectations as to the successful outcome of each pregnancy In addition the early confirmation of pregnancy makes consequent pregnancy loss which might have gone unnoticed or unconfirmed in the past all the more difficult for mothers in the West Yet mourning rituals and behaviour at a pregnancy loss which may be elaborate in some societies are generally considered to be inappropriate in many Western societies Differing social beliefs regarding the causes of miscarriage preventative measures and curative treatments are also examined Medical anthropologists sociologists and health professionals will all find this book fascinating reading      **Current Catalog** National Library of Medicine (U.S.),1983 First multi year cumulation covers six years 1965 70      Death and Dying, Life and Living Charles A. Corr,Clyde Nabe,Donna M. Corr,1994 This unique book discusses the challenging issues in life death and dying as it applies to everyone people who are facing death those who are coping with dying or with bereavement those struggling with decisions about euthanasia or who are contemplating suicide and those who wish to teach children about the place of death in life The book provides a solid foundation readers can use as they pursue their own insights emphases and special interests in this field The authors illustrate that while we cannot make death disappear from our lives we can learn from each other talk about death together and determine how to live more productive lives in the face of death      *Hospice Approaches to Pediatric Care* Charles A. Corr,Donna M. Corr,1985      Core Curriculum for Maternal-newborn Nursing Susan Mattson,Judy E. Smith,1993 Provides basic and advanced coverage of maternal newborn nursing Presented in outline format coverage includes human reproduction foetal growth and development normal pregnancy maternal foetal well being psychosocial and physiological

aspects of pregnancy and complications of childbearing      National Library of Medicine Current Catalog National Library of Medicine (U.S.),1983      Encyclopedia of Childbearing Carol Mann,Barbara Katz Rothman,1992-11-17 Childbearing is more than pregnancy and labor It is the having and not having of children It is a profound event in the lives of families and in the lives and bodies of women The feminist movement and the development of feminist studies have helped to rehumanize the subject of childbearing by removing it from the remote environment of institutionalized medicine The multi disciplinary Encyclopedia of Childbearing is a major contribution to this new accessibility      *Seven Steps for Handling Grief* Barbara Russell Chesser,2014-02-25 Let me know if there is anything I can do This well meaning offer is frequently expressed when a relative or friend suffers a death or other heart wrenching loss such as divorce termination of a job having to put a parent in a nursing home or Alzheimer s facility loss of one s home or the empty nest syndrome This book moves beyond that offer and other platitudes and gives practical steps to take to help alleviate the pain of loss the heartbreak from a variety of shattering experiences These steps are drawn straight from real life experiences the stories of people demonstrate how one or more of these seven steps helped them turn grief of futility and despair into understanding faith and hope      **Children Today** ,1984

**Forthcoming Books** Rose Army,1983      Social Change and Women's Reproductive Health Care Nada Logan Stotland,1988 Changing attitudes and social behavior as well as rapid technological progress are having great impact on women s reproductive health care In addition to addressing the clinical implications of these new issues this volume provides a useful and concise text for practitioners of obstetrics and gynecology Because it deals with the ubiquitous emotional aspects of reproductive health care it will also be of interest to nonspecialists and interested lay readers      *Proceedings of the Conference "Helping Children Cope with Death"* Gary Hume Paterson,1986      *Grief and Loss Across the Lifespan, Second Edition* Carolyn Ambler Walter,Judith L.
