Social Crisis Preaching The Lyman Beecher Lectures 1983:

Social Crisis Preaching Kelly Miller Smith,2000-09 Social Crisis Preaching Tyshawnn Gardner,2023-02-01 This book provides a theology for social crisis preaching by arguing that Christian proclamation is the best prescription for the social crises in our world Social Crisis Preaching positions the pastor as a sacred anthropologist one who is aware of both the crises in one s community but also as one who has a firm understanding of the people in the pews It also equips the preacher with both the hermeneutical and homiletical tools to confront social crisis with biblical integrity Lastly this book argues that social crisis preaching develops Christians disciples and congregations as those who care about and confront the social crisis in their neighbor s community following the biblical mandate to love your neighbor as yourself **Rhetoric, Religion and the Civil Rights Movement, 1954-1965** Davis W. Houck,David E. Dixon,2006 V 2 Building upon their critically acclaimed first volume Davis W Houck and David E Dixon s new Rhetoric Religion and the Civil Rights Movement 1954 1965 is a recovery project of enormous proportions Houck and Dixon have again combed church archives government documents university libraries and private collections in pursuit of the civil rights movement s long buried eloquence Their new work presents fifty new speeches and sermons delivered by both famed leaders and little known civil rights activists on national stages and in quiet shacks The speeches carry novel insights into the ways in which individuals and communities utilized religious rhetoric to upset the racial status quo in divided America during the civil rights era Houck and Dixon s work illustrates again how a movement so prominent in historical scholarship still has much to teach us Publisher Giving Blood Leonard Sweet,2014-03-25 A Groundbreaking Resource for Preaching If the church wishes to converse effectively with a culture it must learn the culture s language Today shifts in technology mean that language is increasingly one of symbols and metaphors stories and images not words So what does this mean for the sermon that long standing word based tradition of Christianity In this ground breaking resource bestselling author Leonard Sweet offers an alternative to traditional models of preaching one that is fitting to a new culture and a new mode of thinking The first book of its kind to move preaching beyond its pulpit centric fixation and toward more interactive participatory modes of communication Sweet presents both a challenge and a path forward for a church struggling to maintain its relevance in a post modern media saturated culture **The Sacred Art** Johnny Turner,2007-06 Dr Johnny Turner s The Sacred Art Growing Faithful Disciples in the 21st Century is a fresh approach for guiding Christians to reclaim the sacred art of discipleship Turner combines scholarly research and practical insights and stresses the need for discipleship training It is critical because discipleship is a sacred art It is sacred because discipleship is part of the Great Commission Dr Turner describes how growing faithful disciples can be accomplished in the church and he invites the church to become totally involved in the process of growing disciples After reading you will discover too that discipleship is truly The Sacred Art Pastor Johnny Turner has given us a practical first things first approach to deeply important spiritual matters It is both thought provoking and inspirational Jim Cymbala Senior Pastor The Brooklyn

The Children David Halberstam, 2012-12-18 From the Pulitzer Prize winning author of The Fifties An intimate and monumental account of the people at the core of the civil rights movement Publishers Weekly The young men and women at

the heart of David Halberstam's brilliant and poignant *The Children* came together through Reverend James Lawson's workshops on nonviolence. Idealistic and determined, they showed unwavering bravery during the sit-ins at the Nashville lunch counters and on the Freedom Rides across the South, all chronicled here with Halberstam's characteristic clarity and insight. *The Children* exhibits the incredible strength of generations of black Americans who sacrificed greatly to improve the world for their children. Following Diane Nash, John Lewis, Gloria Johnson, Bernard Lafayette, Marion Barry, Curtis Murphy, James Bevel, and Rodney Powell among others, *The Children* is rooted in Halberstam's coverage of the civil rights movement for Nashville's Tennessean. A New York Times Notable Book, this volume garnered extraordinary acclaim for David Halberstam, the #1 New York Times bestselling author of *The Best and the Brightest*. Upon its publication, the Philadelphia Inquirer called it utterly absorbing. The civil rights movement already has produced superb works of history, books such as David J. Garrow's *Bearing the Cross* and Taylor Branch's recently published *Pillar of Fire*. Halberstam adds another with *The Children*. This ebook features an extended biography of David Halberstam.
