Social Control In Europe 1800 2000:

Social Control in Europe: 1800-2000 Herman Roodenburg, 2004 **Social Control in Europe: 1500-1800** Herman Roodenburg, 2004 This first volume of a two volume collection of essays provides a comprehensive examination of the idea of social control in the history of Europe The uniqueness of these volumes lies in two main areas First the contributors compare methods of social control on many levels from police to shaming church to guilds Second they look at these formal and informal institutions as two way processes Unlike many studies of social control in the past the scholars here examine how individuals and groups that are being controlled necessarily participate in and shape the manner in which they are regulated Hardly passive victims of discipline and control these folks instead claimed agency in that process accepting and resisting and thus molding the controls under which they functioned The essays in this volume focus on the interplay of ecclesiastical institutions and the emerging states examining discipline from a bottom up perspective Book jacket **Cultures of Conflict Resolution in Early Modern Europe** Stephen Cummins, Laura Kounine, 2017-05-15 Disputes discord and reconciliation were fundamental parts of the fabric of communal living in early modern Europe This edited volume presents essays on the cultural codes of conflict and its resolution in this period under three broad themes peacemaking as practice the nature of mediation and arbitration and the role of criminal law in conflicts Through an exploration of conflict and peacemaking this volume provides innovative accounts of state formation community and religion in the early modern period **A Companion to Europe, 1900 - 1945** Gordon Martel, 2011-03-21 This volume brings together a distinguished group of international scholars to discuss the major debates in the study of early twentieth century Europe Brings together contributions from a distinguished group of international scholars Provides an overview of current thinking on the period Traces the great political social and economic upheavals of the time Illuminates perennial themes as well as new areas of enquiry Takes a pan European approach highlighting similarities and differences across nations and regions **Social Control in Europe** Petrus Cornelis Spierenburg, Eric Arthur Johnson, Clive Emsley, 2004 This two volume collection of essays provides a comprehensive examination of the idea of social control in the history of Europe The uniqueness of these volumes lies in two main areas First the contributors compare methods of social control on many levels from police to shaming church to guilds Second they look at these formal and informal institutions as two way processes Unlike many studies of social control in the past the scholars here examine how individuals and groups that are being controlled necessarily participate in and shape the manner in which they are regulated Hardly passive victims of discipline and control these folks instead claimed agency in that process accepting and resisting and thus molding the controls under which they functioned In both volumes an introduction outlines the origins and the continuing value of the concept of social control The introductions are followed by two substantive sections The essays in part one of volume I focus on the interplay of ecclesiastical institutions and the emerging states those in part two of volume I look more explicitly at discipline from a bottom up perspective The

essays in part one of volume 2 explore the various means by which communities generally working class communities in nineteenth and twentieth century Europe were subjected to forms of discipline in the workplace by the church and by philanthropic housing organizations It notes also how the communities themselves generated their own forms of internal control Part two of volume 2 focuses on various policing institutions exploring in particular the question of how liberal and totalitarian regimes differed in their styles of control repression and surveillance

Crime, Police, and Penal Policy Clive Emsley, 2007-07-05 How did ideas about crime and criminals change in Europe from around 1750 to 1940 How did European states respond to these changes with the development of police and penal institutions Clive Emsley addresses these questions using recent research on the history of crime and criminal justice in Europe Exploring the subject chronologically he addresses the forms of offending the changing interpretations and understandings of that offending at both elite and popular levels and how the emerging nation states of the period responded to criminal activity by the development of police forces and the refinement of forms of punishment The book focuses on the comparative nature in which different states studied each other and their institutions and the ways in which different reformers exchanged ideas and investigated policing and penal experiments in other countries It also explores the theoretical issues underpinning recent research emphasising that the changes in ideas on crime and criminals were neither linear nor circular and demonstrating clearly that many ideas hailed as new by contemporary politicians and in current debate on crime and its solutions have a very long and illustrious history

Mussolini's policemen Jonathan Dunnage, 2017-10-03 How successful was Mussolini in creating a force of loyal and committed policemen to defend his regime and assist in the creation of a new fascist civilization How far were the Italian police transformed under Mussolini and how did policemen experience the dictatorship This book examines Italy's regular police in the context of fascism's efforts to modernise and establish ideological control over the state Contrasting the regime's idealised representations with the more humdrum realities of everyday practice the book considers the impact of the dictatorship on the Italian police and their personnel Presenting an inside perspective on fascist repression it focuses particularly on recruitment training and professionalism in the Interior Ministry Police as well as officers ideological orientation working conditions and quality of life This book will appeal to students and researchers in police history Italian fascism and more generally conflict and oppression in the twentieth century

Securing the Communist State Liesbeth van de Grift, 2012 From Berlin to Bucharest from Warsaw to Sofia Soviet tanks crossed national borders across East Central Europe at the end of the Second World War The arrival of the Red Army marked an important turn in history Within only a few years the often unpopular communist parties developed into political organizations with mass followings They managed to seize power eliminate political opposition to their rule and purge the state apparatus of undesirable personnel In Securing the Communist State Liesbeth van de Grift provides a new understanding of these organizations using recently disclosed material from the communist archives in Berlin and Bucharest She reveals how these communist parties gained control over

the security apparatus after 1945 in East Central Europe from a transitional justice perspective focusing on purges and personnel policies This book shows that the personal break after 1945 was not as radical as is often thought
