Social Cultural History Of Northern In:

Historical and Socio-Cultural Aspects of North East India (Volume 1) Sikhamoni Konwar, 2016-01-01 The magnitude of socio cultural diversity of North East India is of enormous significance for the National life of India even though the region enjoys little space and attention in the National arena This book of two volumes is an attempt to showcase the diversified topics of North East India written by academicians and scholars of high repute It contains as many as forty seven articles covering almost all the facets of the wide range of historical and socio cultural aspects of the North East India All the writings are potent enough to project the North East in proper light from the academic point of view The book will surely pave the way for further research and other related academic works on North East s history culture and society strengthening its assimilation process with that of the rest of India *A Comprehensive History of India* ,2025-10-27 The Fourth Volume of A Comprehensive History of India covers the period from c 985 CE to 1206 CE A clear and connected source based account of the political organization of this period has been provided by competent contributors in the first part of the volume published a few years ago The second part of the volume being presented here treats social economic religious literary and cultural developments together with coinage science and technology and India s contacts with the outside world during the period All contributions are marked by their varied perspectives taking cognisance of not only regional specificities but also of the macro view of such developments Notwithstanding the multiplication of political power centres during the period under survey the dynamism of socio economic and cultural lives of people never faded away The volume locates this dynamism within the broad pan India vision It also includes more than a hundred illustrations is provided with an exhaustive and up to date bibliographic survey and multi faceted index to facilitate location of reader s curiosities

Religion and the American Experience: A Social and Cultural History, 1765-1996 Donald C. Swift, 2016-12-05 Religion in the USA manifests itself in many forms and this book examines them from religion in the early republic to early African American religion reform nativism movements and fundamentalism up to the contemporary culture wars in a study that spans almost 250 years *Socio-cultural History of Shüpfomei Naga Tribe* William Nepuni, 2010 **A Cultural History of Civil Examinations in Late Imperial China** Benjamin A. Elman, 2000-03-22 In this multidimensional analysis Benjamin A Elman uses over a thousand newly available examination records from the Yuan Ming and Ch ing dynasties 1315 1904 to explore the social political and cultural dimensions of the civil examination system one of the most important institutions in Chinese history For over five hundred years the most important positions within the dynastic government were usually filled through these difficult examinations and every other year some one to two million people from all levels of society attempted them Covering the late imperial system from its inception to its demise Elman revises our previous understanding of how the system actually worked including its political and cultural machinery the unforeseen consequences when it was unceremoniously scrapped by modernist reformers and its long term historical legacy He argues that the Ming Ch ing civil

examinations from 1370 to 1904 represented a substantial break with Tang Song dynasty literary examinations from 650 to 1250 Late imperial examinations also made Tao Learning Neo Confucian learning the dynastic orthodoxy in official life and in literati culture The intersections between elite social life popular culture and religion that are also considered reveal the full scope of the examination process throughout the late empire **Encyclopedia of Social and Cultural Anthropology** Dr Alan Barnard,Jonathan Spencer,2002-09-11 This is the only encyclopedia of social and cultural anthropology to cover fully the many important areas of overlap between anthropology and related disciplines This work also covers key terms ideas and people thus eliminating the need to refer to other books for specific definitions or biographies Special features include over 230 substantial entries on every major idea individual and sub discipline of social and cultural anthropology over 100 international contributors a glossary of more than 600 key terms and ideas **England's Northern Frontier** Jackson W. Armstrong,2020-11-12 Explains the history of England s northern borderlands in the fifteenth century within a broader social political and European context **Encyclopedia of Social and Cultural Anthropology** Alan Barnard,Jonathan Spencer,1996 Providing a guide to the ideas arguments and history of the discipline this volume discusses human social and cultural life in all its diversity and difference Theory ethnography and history are combined in over 230 entries on topics
