Social Foundations of Education Cole Speicher Brembeck, Marvin Grandstaff, 1969-01 **Supplementary Readings in the Social Foundations of Education** David Edgar Mahood, 1948 **Social foundations of education: a book of readings, ed** Cole Speicher Brembeck, Marvin Grandstaff, **Sociological Foundations of Education** Claire Maxwell, Miri Yemini, Laura Engel, 2023-03-23 This volume introduces sociology as a foundational discipline of education Education is a central structuring mechanism in shaping societies making it a core focus for sociology Sociologists study education in its broadest sense as occurring within families communities and provided by institutions The purposes of formal education are contested and these contestations shape broader power relations locally nationally and globally Sociologists disaggregate processes within education to examine empirically and theoretically the various levels at which they operate This allows them to describe and make sense of the ways that relations of inequality are developed reproduced or unsettled and how these shape individual and group experiences and outcomes About the Educational Foundations series Education as an academic field taught at universities around the world emerged from a range of older foundational disciplines The Educational Foundations series comprises six volumes each covering one of the foundational disciplines of philosophy history sociology policy studies economics and law This is the first reference work to provide an authoritative and up to date account of all six disciplines showing how each field s ideas methods theories and approaches can contribute to research and practice in education today The six volumes cover the same set of key topics within education which also form the chapter titles Mapping the Field Purposes of Education Curriculum Schools and Education Systems Learning and Human Development Teaching and Teacher Education Assessment and Evaluation This structure allows readers to study the volumes in isolation by discipline or laterally by topic and facilitates a comparative thematic reading of chapters across the volumes Throughout the series attention is paid to how the disciplines comprising the educational foundations speak to social justice concerns such as gender and racial equality **Readings in the Socio-cultural Foundations of Education** John H. Chilcott, Norman C. Greenberg, Herbert B. Wilson, 1968 **Social Foundations of Education** Cole S. Brembeck, 1981-01-01 **Social Foundations of Education: Current Readings from the Behavioral Sciences** Jonathon C. McLendon, 1966 Compilation of articles on social sciences as it relates to the behavioural sciences mass medias and education political aspects cultural factors social implications and sociological aspects Readings in social foundations of education , 1969 **Readings in Social Foundations of Education** Iqbal Ahmad, 1969 Educational Philosophy and Sociological Foundation of Education Hans, Emmanuel, 2024-10-03 The intersection of philosophy and sociology within the realm of education is a dynamic field that offers profound insights into the fundamental principles and practices shaping educational systems globally By examining the philosophical underpinnings of education we gain a deeper understanding of how educational environments are influenced and constructed This interdisciplinary approach not only enriches theoretical

discussions but also has practical implications for curriculum development policymaking and the fostering of equitable and inclusive learning experiences Educational Philosophy and Sociological Foundation of Education provides a comprehensive understanding of educational philosophy and its sociological underpinnings Through a series of chapters authored by experts in the field this book delves into various philosophical concepts and their implications for educational practices while also exploring the sociological dimensions influencing educational systems Covering topics such as academic achievement outcome based education and universal design this book is an excellent resource for graduate and postgraduate students educators researchers policymakers academicians administrators sociologists and more
