Handbook for Practice Learning in Social Work and Social Care, Third Edition Joyce

Lishman, 2015-08-21 This fully updated and expanded third edition of a classic text provides a comprehensive introduction to key theory knowledge research and evidence relating to practice learning in social work and social care It outlines the theories that underpin social care practice the main assessment models and interventions and also offers guidance on the effective implementation of assessment across a range of professional contexts Contributors from research policy making and practice backgrounds offer guidance on how to apply policy and research findings in everyday practice while ensuring that the complex needs of each individual service user are met This third edition also features new chapters on group work social pedagogy and personalisation The *Handbook for Practice Learning in Social Work and Social Care* is an essential resource

for ensuring effective evidence based practice which will be valued by students educators and practitioners alike The Student's Companion to Social Policy Pete Alcock, Margaret May, Sharon Wright, 2012-01-30 These essays convey the immediacy of social policy's intellectual and political engagements with the world and its practical applications in research and employment They also provide an overview of resources available to students *Handbook for Practice Learning in Social Work and Social Care* Joyce Lishman, 2007 Rev expanded and updated ed of Handbook of theory for practice teachers in social work London J Kingsley 1991 **Redefining Public Sector Unionism** Mike Terry, 2012-09-10 This book brings together contributions from both expert academics and leading figures of UNISON in an in depth analysis of the union's achievements to date As the largest and most influential trade union in the public sector UNISON is an ideal case study for the possible future development of UK unions in the twenty first century *Cross National Research Methods* Linda Hantrais, Stephen P. Mangen, 1996-01-01 This is a resource book for social scientists engaged in cross national comparative research It critically examines the methodological and managerial issues which arise from such work with a particular focus on the economic and social policy agenda of the European Union Experts from across Europe and from different disciplinary backgrounds draw upon their own experience of conducting cross national comparisons to offer well informed guidance on how to overcome the pitfalls and problems they have encountered Understanding crime and social policy Emma Wincup, 2013 Understanding crime and social policy encourages readers to reflect upon the close connections and sometimes tensions between crime reduction and social policy agendas **Assets, Livelihoods, and Social Policy** Anis A. Dani, Caroline Moser, 2008-05-14 Given the lack of adequate universal social welfare for those unable to find jobs in the salaried formal sector the livelihoods and well being of most poor people depends heavily on their asset base This includes their ability to access and accumulate assets obtain decent returns from these assets and use their asset base to manage risks Assets Livelihoods and Social Policy discusses the diverse strategies adopted by people in different contexts to accumulate assets through migration housing investments natural resources management and informal businesses An asset based social policy can strengthen asset accumulation strategies as well as help the poor overcome the constraints of unfavorable institutional environments To a considerable extent asset accumulation strategies depend on the agency exercised by people themselves through individual or collective action At the same time the status of policies and institutions can enable or hinder these strategies and affect livelihood outcomes In synthesis the case studies lead to the differentiation among three different types of policies policies that affect outcomes by directly influencing access to assets by the poor such as land housing natural resources or credit policies and public investments that change the nature of returns on assets such as investments in rural roads agricultural inputs and market development policies that transform the value of assets held by the poor by virtue of administrative decisions that increase or reduce value such as re classification of land from arable or pasture to protected lands land use regulations affecting resource use or modification in regulations governing labor rights

or migration The chapters originally commissioned to re examine major gaps in knowledge and development practice ten years after the Copenhagen Summit on Social Development are authored by leading scholars from economics anthropology sociology geography and development studies This book is part of a new series New Frontiers in Social Policy which examines issues and approaches to extend the boundaries of social policy beyond conventional social services toward policies and institutions that improve equality of opportunity and social justice in developing countries Other titles in the series include Inclusive States Social Policy and Structural Inequalities and Institutional Pathways to Equity Addressing Inequality Traps
