

The background of the cover is a dark, grainy photograph of a large crowd of people at night. In the center, a small, translucent, multi-colored prism is positioned, reflecting light in various colors (blue, purple, green, yellow) that create a starburst effect. The title 'SOCIAL PRISMS' is overlaid on the image. 'SOCIAL' is in a thin, white, sans-serif font, while 'PRISMS' is in a bold, red, sans-serif font. Below 'PRISMS', the author's name 'Jodi O'Brien' is written in a smaller, white, sans-serif font.

Social Prisms Reflections On Everyday Myths And Paradoxes:

Social Prisms Jodi O'Brien, 1999 Presenting basic sociological topics in terms of the paradoxes they contain O'Brien situates the discipline and its subject matter in historical and intellectual context while using examples that are contemporary accessible and of interest and relevance to students

Social Prisms Jodi A. O'Brien, 1999-01-27 This is a superb book By presenting basic sociological topics in terms of the paradoxes they contain O'Brien situates the discipline and its subject matter in historical and intellectual context while using examples that are contemporary accessible and of interest and relevance to students I look forward to using *Social Prisms* in my sociology courses and to the animated class discussions that I'm sure her book will engender Anita Ilta Garey University of New Hampshire Pine Forge Press has done it again *Social Prisms* bolsters the well deserved reputation of Pine Forge Press for publishing serious and innovative yet interesting and accessible works for undergraduate sociology courses Students will enjoy O'Brien's frequent references to the popular culture sports television movies which is so central to their existence outside the classroom and be challenged by her call to embrace rather than resolve the many paradoxes of contemporary social life in America David Yamane University of Notre Dame

The Social Worlds of Higher Education Bernice Pescosolido, Ronald Aminzade, 1999-03-22 This is the first comprehensive guide to teaching in the social sciences ever published Two complete works in one provides a survey of the larger institutional context and alternative perspectives on current debates in higher education as well as a comprehensive and practical guide to teaching Contains original essays by leading teachers and scholars including Craig Calhoun Teresa Sullivan Dean Dorn Paul Baker Charles Tilly Howard Aldrich Daniel Chambliss and Mary Romero The accompanying Fieldguide for Teaching includes an additional 80 articles excerpts teaching tips exercises checklists and overheads covering a complete spectrum of teaching concerns

The Riddles of Human Society Conrad L. Kanagy, Donald B. Kraybill, 1999-01-27 Why are all U.S. Presidents white men Why does technology enchant us Why do some people commit suicide Why are sports so important to Americans How will the Internet change society Why do people do good This very teachable and short new introductory text explores these and other riddles to stir students' sociological curiosity and promote active learning as the sure path toward mastering the fundamentals of the discipline Once again Pine Forge Press has done us Intro teachers a great service with *The Riddles of Human Society* The authors have produced a remarkable text designing it from the point of view of how students actually acquire sociological tools and imagination when reflecting on their social world It is written as a conversation with readers yet is organized with learning tools like chapter summaries discussion questions and an in-text glossary It considers a broad range of topics from micro to macro levels thus uniquely blending the best of a shorter textbook and a monograph It will serve very well as a main text for introductory sociology courses I recommend it highly Stephen Sharkey Department of Social Science Alverno College

Sociology in Action David S. Hachen, 2001 The book's objective is to help students develop a skill their ability to interpret and analyze situations

sociologically Development of student skills and their sociological eyesight is facilitated through practice using decision cases relatively short problem centered narratives that promote critical thinking The book s structure promotes the progressive and incremental development of skills Each chapter in Part I begins with a case The body of each chapter introduces sociological ideas and concepts by using them to analyze the beginning case Each chapter concludes with another case so that students can practice the specific skills they have acquired in the chapter using the chapter s Sociological Eyesight Analysis Guide Part II contains additional cases providing more opportunities for students to practice their skills at interpreting situations sociologically and solving problems An instructor s manual is available to qualified adopters of Sociology in Action To read the Introduction to the instructor s manual or to view a Sample Course Outline click on Additional Materials in the left column under About This Book

Contemporary Sociological Theory Bert N Adams,R A Sydie,2002-01-16 The strengths of this text are the breadth of theories covered the integration of gender related topics3 4 family work religion the use of substantial quotes from primary texts the consistent inclusion of methodological issues I have no doubt that it will find a solid position in the field of theory texts Kathleen Slobin North Dakota State University

Classical Sociological Theory Bert N. Adams,R A Sydie,2002-01-29 This is an eminently lucid readable and comprehensive survey of classical sociological theory Adams and Sydie provide thoughtful summaries and assessments of the works of dozens of social thinkers By significantly broadening the cannon and devoting special attention to call gender and race they bring theory up to date even as they take seriously the rich legacy of the past I have never read a more exciting introduction to the theories of our discipline Mustafa Emirbayer University of Wisconsin Madison A concise yet surprisingly comprehensive theory text given the range of ideas historical context and theorists discussed Unlike other books of the type Classical Sociological Theory focuses on how the pivotal theories contributed not only to the development of the field but also to the evolution of ideas concerning social life

Sociological Theory Bert N. Adams,R. A. Sydie,2001-01-30 This concise text covers both classical and contemporary social thought It traces the major schools of thought over the past 150 years as they appear and reappear in different chapters and looks at important new voices in social theory The treatment of individual theories and theorists is balanced with the development of key themes and ideas about social life

Taking It Big Steven P. Dandaneau,2001-01-24 For use as a primary or supplemental text for Introductory Sociology Social Theory and senior capstone courses An unabashedly critical text for those who want to connect their students personal experiences with what is happening at the societal global level today The emphasis is on teaching the sociological imagination i e to instill in students a unique and radical form of consciousness that will allow them to conceptualize today s chief global and individual problems and the relations between them Dandaneau adopts a perspective like that of C Wright Mills and argues that the sociological imagination is the most needed type of consciousness in the world today The author encourages students to think through a wide variety of topics from ecological crises to panic disorder from hyperreality to the sociology of disability from Generation

X to Generation Next As Dandaneau says The point is not so much to learn the truth but to learn how to think about essential issues and troubles as sociologists themselves try to do to become a participant with others in facing down the challenges of our present epoch It is an elegant and profound meditation on thinking sociologically Written with a rare panache one seldom finds in sociology it s the product of a view of contemporary social life that is profoundly troubling What this adds up to is a distinctive sociological and moral voice Peter Kivisto Augustana College Rock Island Illinois *Sociology* David M. Newman,2010 This carefully edited companion anthology provides provocative eye opening examples of the practice of sociology in a well edited well designed and affordable format It includes short articles chapters and excerpts that examine common everyday experiences important social issues or distinct historical events that illustrate the relationship between the individual and society The new edition will provide more detail regarding the theory and or history related to each issue presented The revision will also include more coverage of global issues and world religions

Downloading Social Prisms Reflections On Everyday Myths And Paradoxes provides numerous advantages over

physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Social Prisms Reflections On Everyday Myths And Paradoxes has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Social Prisms Reflections On Everyday Myths And Paradoxes. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Social Prisms Reflections On Everyday Myths And Paradoxes. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Social Prisms Reflections On Everyday Myths And Paradoxes, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Social Prisms Reflections On Everyday Myths And Paradoxes has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
