Social Science and National Policy Fred R. Harris, Transactions of the National Association for the Promotion of Social Science, 1863 **Transactions of the National Association for the Promotion of Social Science** National Association for the Promotion of Social Science (Great Britain), 1882 The volume for 1886 contains the proceedings of the Conference on temperance legislation London 1886 Campus Power Struggle Michael Sherraden, 2017-09-04 *Campus Power Struggle* traces the explosive evolution of the student political movement from the Berkeley Free Speech Movement of 1964 to armed confrontation at Cornell in 1969 From campus conflict as a microcosm of larger political struggles for self determination to student concern about infringements upon personal liberties the studies in this book provide authoritative insight into unrest on American campuses This volume represents sociology as the big news in its most impressive and involved style No 1 in the series Contents Introduction The Struggle for Power on the Campus Howard S Becker Beyond Berkeley Joseph Gusfield Columbia The Dynamics of a Student Revolution Ellen Kay Tnmberger The Crisis at San Francisco State James McEvoy and Abraham Miller Confrontation at Cornell William H Fried and Harry Edwards The Phantom Racist Rita James Simon and James Carey Dynamic Young Fogies Rebels on the Right Lawrence F Schiff Ending Campus Drug Incidents Howard S Becker The Psychiatrist as Double Agent Thomas Szasz Student Power in Action Arlie Hochschild

Peace and the War Industry Kenneth Ewart Boulding, More and more people are demanding an end to violence as a means of arbitrating international demands and resolving problems between nations This collection of essays brings social scientific evidence to bear on the question of the inevitability of war and evaluates the potential for managing the international system in the interest of peace instead of war The contributors discuss methods of lowering distrust among DEGREESnations they consider whether war persists because it has become an economic necessity built into a military industrial complex They deal with implications of expansion of the military into civilian areas such as education and into increasingly sophisticated technology such as the ABM Safeguard system They discuss the involvement of social scientists in the formulation of peace and war policy Collectively these essays present the most serious questions social scientists have been asking about problems of war and peace and offer hope that the present international system dangerous and appallingly costly as it is may offer enough stability to give us time to transform it into something that better serves human needs

Ghetto Revolts Peter H. Rossi, 2019-07-23 For the past decade transaction and now Society has dedicated itself to the task of reporting the strains and conflicts within the American system The work done in the magazine has crossed disciplinary boundaries This represents much more than simple cross disciplinary team efforts It embodies rather a recognition that the social world cannot be easily carved into neat academic disciplines that indeed the study of the experience of blacks in American ghettos or the manifold uses and abuses of agencies of law enforcement or the sorts of overseas policies that lead to the celebration of some dictatorships and the condemnation of others can best be examined

from many viewpoints and from the vantage points of many disciplines The editors of Society magazine are now making available in permanent form the most important work done in the magazine supplemented in some cases by additional materials edited to reflect the tone and style developed over the years by transaction **Transactions of the National Association for the Promotion of Social Sciences** National Association for the Promotion of Social Sciences,1861 *The Role of Theoretical Debate in the Evolution of National and International Patent Protection* Louise J. Duncan,2021-09-13 This volume offers new insight into key developments in the history of protection for patent rights during the period 1791 1883 The author presents a detailed examination of the underlying theoretical bases advanced for the protection of patents in various key European countries and including new material focusing on the political rhetoric of protagonists and opponents of the patent system during the course of the patent abolitionist debates of the 1860s and 1870s Finally the book examines in detail the factors which prompted the movement towards international protection of patents culminating in the Paris Convention for the Protection of Industrial Property of 1883 **Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office,1977 **Subject Catalog** Library of Congress,1980-04
