

Social Security And Community Care

Michael Mandelstam

Social Security And Community Care:

Community Care Robin Means, Sally Richards, Randall Smith, 2008-01-11 This new edition has been updated to reflect recent shifts in community and social care whilst still providing the authoritative account of its historical development Particular attention is paid to partnerships between health and social care the regulation of social care direct payments and individual budgets and user carer empowerment

Social Work and Community Care Malcolm Payne, 1995-06-07 Social Work and Community Care makes a powerful case for the effective involvement of social work skills knowledge and values as part of the effective development of policy and multi professional practice in community care Malcolm Payne shows how ideas of community and community care are entwined with the development of social work and the social services Each stage of the community care process is examined in turn to show how social work liaison and interpersonal skills are needed in creating and implementing care packages effectively

Developing Good Practice in Community Care Vicky White, John Harris, 2001 This book presents guidelines for good practice in community care work It describes the planning and implementation of pioneering initiatives in the community analyses their effectiveness and outlines their practical implications

The Social Construction of Community Care Anthea Symonds, Anne Kelly, 1998-11-11 This book represents a new development in the discussion of community care policies with its integrated approach addressed to both community nurses and social workers It includes contributions from practitioners in both fields as well as lecturers and researchers in sociology and social policy The overall theme of the book is the concept of community as a social and cultural construction The authors begin with an account of the historical construction of community care followed by explorations of the actual practice of the delivery of care and of the needs of particular groups within the community

Community Care for Older People Susan Tester, 1996-03-06 This accessible textbook compares ways in which basic components of community care are funded organised and provided by governmental and non governmental agencies allowing practitioners and policy makers to learn from the experiences of their counterparts in Europe and North America

Community Care, Ideology and Social Policy Harry Cowen, 2018-10-08 This book offers a comprehensive evaluation of community care strategies within the context of government social policy and assesses the recent shifts of political power from Conservative to Labour towards the end of the century Unlike the majority of texts in the field of community care it makes explicit the historical philosophical social and political inter connections and therefore provides an in depth understanding of changing policy issues for students practitioners and managers in health and social care

Community Care Practice and the Law Michael Mandelstam, 2005-03-15 This book provides comprehensive and jargon free explanations of both community care legislation and other areas of the law directly relevant to practitioners Numerous examples of legal cases and ombudsman investigations clearly illustrate the practical impact of legislation on community care

Health Care Provision Audrey Leathard, 2000 Examines health care in England and Wales from 1900 to the year 2000 Scotland and Northern Ireland are

reviewed separately Discusses the implication of Britain's involvement with the European Union and health care systems abroad The key NHS reforms are charted across time and the changes brought about under New Labour are reviewed

Community Care in England and France Bleddyn Davies, José Fernández, 2018-12-17 First published in 1998 the aims of this book are the comparison of community care service and financing systems the comparison of reform arguments and history over the last decade the comparison of who uses how much of what services and with what impact on their needs and the probability of having to enter institutions for long term care The book breaks new ground by comparing systems from a new perspective and describing contemporary reform argument and proposals for the first time in the English language It presents new evidence from the most ambitious collection and analysis of quantitative data so far made for the comparison of the two countries based on matched area samples collecting comparable information about cohorts of new users on two or more occasions The book also shows how the need related circumstances of users differ between countries and within each country between areas The book shows how and why higher levels of the French cash benefit for community care had more effect on the central policy goal than its British counterpart how higher levels of services generally had little impact on it in either country but on average how the effect of the British services were much greater *From Community Care to Market Care?* Robin Means, Hazel Morbey, Randall Smith, 2002-04-17 This study reflects a recognition of contributions studies of the post war welfare state make to contemporary debates about the restructuring of welfare It illuminates concerns about key issues such as rationing care and health and social care divide
