Gender, Planning and Human Rights Tovi Fenster, 2002-09-11 Challenging the traditional treatment of human rights cast in purely legal frameworks the authors argue that in order to promote the notion of human rights its geographies and spatialities must be investigated and be made explicit A wealth of case studies examine the significance of these components in various countries with multi cultured societies and identify ways to integrate human rights issues in planning development and policy making The book uses case studies from UK Israel Canada Singapore USA Peru European Union Australia and the Czech Republic

Ageing Matters John Doling, 2018-01-18 The implications of population ageing have long concerned politicians policy makers and governmental and non governmental organizations in the welfare states of Europe However an ageing workforce is increasingly a matter of concern for the developed and fast developing countries of Asia Japan leads the field in this respect on account of the speed of its postwar economic development But the little tigers of Hong Kong Singapore South Korea and Taiwan are poised to catch up and Malaysia though in the second tier of developing Asian economics faces the prospect of population ageing sufficient to daunt an as yet under prepared infrastructure for old age support This book is the first to examine in detail the experiences and prospects of population ageing in those Asian countries with the highest GDP per capita The authors pose the question to what extent Asia and old Europe can learn from each other in terms of policy planning The first section of the book sets out the field in terms of the demographic characteristics and policy predicaments of European and Asian countries The second section presents case studies of six countries Japan Hong Kong Singapore South Korea Taiwan and Malaysia

A History of Human Rights Society in Singapore Jiyoung Song, 2017-05-08 To celebrate Singapore s fiftieth anniversary for its independence from Malaysia in 2015 35 students academics and activists came together to discuss and write about pioneering Singaporean human rights activists and their under reported stories in Singapore The city state is known for its remarkable economic success while having strict laws on individual freedom in the name of national security public order and racial harmony Singapore s tough stance on human rights however does not negate the long and persistent existence of a human rights society that is little known to the world until today This volume composed of nine distinctive chapters records a history of human rights activists their campaigns main contentions with the government survival strategies and other untold stories in

Singapore's first 50 years of state building Who Should Care For The Elderly? William T Liu, 2000-05-08 This book has arisen from the belief that cultural understanding can be advanced by contrasting the work of scholars who share academic concerns but work from different cultural vantage points In the editors estimation knowledge in the caregiving field has reached the point where such comparisons can yield insight into differences not only between cultures but also between the perspectives of the scholars who study them The chapters in this book provide a rich information base for these purposes

Health Care Systems: Rethinking health care systems Jonathan Watson, Pavel Ovseiko, 2005 This collection covers the organization financing and regulation of health care systems in four clear contexts reforming health care systems understanding health care politics financing and delivering health care rethinking health care systems *Social Welfare Development in East Asia* K. Tang, 2000-10-03 Comparative social policy has long neglected welfare development in Asia Not much is known about social welfare in the economically successful East Asian tigers Hong Kong Korea Singapore and Taiwan They are late starters in social welfare but each has its own trajectory of welfare development Despite the presence of extensive social welfare they have shied away from western style welfare states The presence of strong developmental states and their development ethos explain in large part the underdevelopment of state welfare Hospital Social Service , 1928

The Struggle over Singapore's Soul Joseph B. Tamney, 2017-10-10 No detailed description available for The Struggle over Singapore's Soul **Uneven Development in South East Asia** Chris Dixon, David Drakakis-Smith, 2019-03-25 First published in 1997 this volume responds to the rapid change in mid 1980s South East Asia exploring the uneven distribution of development within the region and providing broad coverage of different aspects of this unevenness at both the regional and national levels Specialists in economics geography planning and South East Asian studies contribute on issues including ethnicity and development in Malaysia disadvantaged groups in Singapore and the impact of social and historical forces on uneven development in the region
