Social Support A Reflection Of Humanity Death Value And Meaning:

Social Support John D. Morgan, 2020-11-25 None of us could survive in the workplace community or even in our homes if we allowed everyone to see how truly vulnerable we are Yet social support is a necessity if we are to achieve whatever it is we set out to achieve in this life No human being is an island unto himself *Social Support A Reflection of Humanity* is a how to book In this work the authors examine the nature of social support how it can be offered and how social support differs from other forms of therapy

Death and Bereavement around the World John D. Morgan, Pittu Laungani, 2021-03-24 The make up of the contemporary nation state is increasingly multiethnic and statistics show that in many cases no one group is numerically the largest Interethnic relations are given global visibility by the media while much that happens among different groups depends on context Editors John D Morgan King s College London and Pittu Laungani South Bank and Manchester Universities England have gathered leading international authorities to produce *Death and Bereavement Around the World* the first of a five volume presentation and analysis of the ways different peoples experience dying and grief Effective bereavement care requires a knowledge of an individual s physical social educational and spiritual existence since the expressions of grief and the needs that emerge vary widely from one to another and are subject to past experiences cultural expectations personal beliefs and relationships An individual s identity comes from a sense of personal uniqueness solidarity with group ideals continuity with the past present and future and from the culture by which an individual is raised or adopted This first volume discusses the major religious traditions of the world and how they help followers deal with the fundamentals of life

Death's Social and Material Meaning Beyond the Human Jesse D. Peterson, Natashe Lemos Dekker, Philip R. Olson, 2024-01-09 This book provides an alternative focus for death studies by looking beyond traditional perspectives of a nature culture binary Bringing together a range of international scholars it sheds light on topics which have previously remained at the margins of contemporary death studies and death care cultures

Homicide Survivors Judie Bucholz, 2002-06-15 *Homicide Survivors Misunderstood Grievors* is about families that have faced murder and how they have dealt with the trauma It offers an interpretation of personal accounts of homicide survivors in order to understand the particular nature of homicide bereavement The author herself a homicide survivor Judie Bucholz offers a unique perspective and experiential base for examining the phenomenon of homicide bereavement Her intent is to help the reader understand the homicide griever s situation both as one who grieves and one who grieves within a social context as one who confronts horrific death at the personal level as well as at the social level

Omega , 2007 **Loss, Grief, and Trauma in the Workplace** Neil Thompson, 2009 The workplace is not immune to the problems pressures and challenges presented by experiences of loss and trauma and the grief reactions they produce This clearly written well crafted book offers important insights and understanding to help us appreciate the difficulties involved and prepare ourselves for dealing with such demanding situations when they arise People s experiences of loss and trauma are of course not left at the factory gate or the

office door Nor are loss and traumatic events absent from the workplace itself Loss grief and trauma are very much a part of life and that includes working life Executives managers human resource professionals and employee assistance staff need to have at least a basic understanding of how loss grief and trauma affect people in the workplace This book provides that foundation of understanding and offers guidance on how to find out more about these vitally important workplace issues The text provides a valuable blend of theory and practice that will be of interest to those involved in management human resources and organizational studies as well as those interested in the social scientific study of loss grief and trauma and of course to those involved in the helping professions It is essential reading for anyone concerned with making the workplace a more humane and effective environment or anyone wishing to develop an understanding of the complexities of loss grief and trauma in our lives

Promoting Resilience Neil Thompson, Gerry R. Cox, 2019-11-06 Promoting Resilience offers a fresh perspective that views resilience through a sociological lens emphasizing the significance of loss issues and highlighting a range of practice implications across a wide range of fields Drawing on the expertise of a wide range of contributors the book provides a solid foundation for developing a fuller and more holistic picture of the many challenges associated with promoting resilience Chapters present a range of sociological perspectives that cast light on trauma and vulnerability Combining theoretical richness with practical insights chapter authors bring a sociological lens to enrich understanding of loss and adversity This volume offers a bedrock of understanding for students clinicians and researchers who want to extend and deepen their knowledge of the sociological aspects of overcoming life challenges

Five Ways of Doing Qualitative Analysis Kathy Charmaz, Linda M. McMullen, 2011-03-30 This unique text provides a broad introduction to qualitative analysis together with concrete demonstrations and comparisons of five major approaches Leading scholars apply their respective analytic lenses to a narrative account and interview featuring Teresa a young opera singer who experienced a career changing illness The resulting analyses vividly exemplify what each approach looks like in action The researchers then probe the similarities and differences among their approaches their distinctive purposes and strengths the role style and subjectivity of the individual researcher and the scientific and ethical complexities of conducting qualitative research Also included are the research participant's responses to each analysis of her experience A narrative account from another research participant Gail can be used by readers to practice the kinds of analysis explored in the book

On Death without Dignity David Moller, 2018-10-26 Candidly written On Death Without Dignity The Human Impact of Technological Dying attempts to re humanize the inevitable biological occurrence called dying It is Moller's view that through the advancement of medicalized technology has come the demise of the contemporary dying process The oncological death is reflected as failure in the part of modern medicine the physician and the hospital yet the patient experiences alienation stigma helplessness and normlessness Yet as a culture the current societal approach to the dying silent avoidance only adds to this alienation Society has failed to provide the necessary rules for this universal social and biological event
