Social Development James Midgley, 2013-11-13 Walking through social development's key theoretical principles and practice strategies this book shows how it promotes people's wellbeing not only in the Global South where it first emerged but in the Western countries as well. It covers Definitions and an historical evolution of social development. Key theoretical debates around social wellbeing, human rights and social justice. Social development practice such as human capital interventions, community development and cooperatives, asset building, employment creation policies and programmes, microenterprises and social planning among others.
